the last valley

Jag är född i kriget, jag har inga vänner, inget folk, inget hemland. Kriget är hela min värld". Dessa ord säger avledaren för en stor här vid ett skottfält, som invaderar en liten schweizisk by under 30-åriga krigets blodiga epok. För den lilla byn följer en period av våld och terror.

Snart får byn och invåarna dock andra problem. En ny grupp soldater närmar sig. "The Last Valley" är en storfilm av författaren James Clavell. Mannen bakom succierna "Shogun" och "Ta-Pan". Huvudrollerna ses vikt a. Michael Cane och Omar Sharif.

Benson, 2009-05-01 Author of The Way West and the screenplay for the classic Shane among many other timeless stories icon of Western literature A B Bud Guthrie Jr brought a blazing realism to the story of the West That realism came out of the depth of Guthrie's historical research and an acuity that had seldom been seen in the work of Western novelists The small Montana town that figures in several of Guthrie's books is clearly patterned after the town where he grew up Choteau on the eastern front of the Rocky Mountains Biographer Benson illuminates Guthrie's upbringing and education the influence of his intellectually inclined father his work as a newspaperman in Kentucky and his time at Harvard University Animated by the observations of friends family and fellow authors this intimate account offers rare insight into the life and work of a remarkable writer and into the making of the literary West From publisher description Cinema of Swords Lawrence Ellsworth, 2023-06-15 Cinema of Swords is a history guide and love letter to over four hundred movies and television shows featuring swashbucklers knights pirates samurai Vikings gladiators outlaw heroes like Zorro and Robin Hood and anyone else who lives by the blade and solves their problems with the point of a sword Though swordplay thrives as a mainstay of current pop culture whether Game of Thrones or Lord of the Rings or Star Wars swashbuckling was if anything even more ubiquitous during Hollywood's classic period from its foundations in the Silent Era up through the savage bursts of fantasy films in the 80s With this huge cinematic backlist of classics now available online and on demand Cinema of Swords traces the roots and branches of this unruly genre highlighting classics of the form and pointing fans toward thrilling new gems they never knew existed With wry summaries and criticism from swordplay expert Lawrence Ellsworth this comprehensive guidebook is perfect as a reference work or as a dazzling Hollywood history to be read end to end Dealing with Pigs! Dr Ivan Molloy, 2019-06-29 This novel was self-published through Xlibris in 2019 and since then has been extensively marketed through several avenues and platforms headlined by book exhibitions and major book fairs around the world such as The Book Expo America New York Beijing and Guadalajara Book Fairs and London next year due to 2020 cancellation because of the virus It has also been featured in Press Releases and my website <http://www.ivanmolloy.org> Moreover it has been favourably reviewed by The Clarion Review and The Kirkus Review However I am approaching you now as I am seeking a more traditional publisher Simply put this novel is a somewhat comical satire of the politics and history of our world and is suitable for all ages The main character Hunkle Trotter a pig lives in Mudwallow in a far off pig world War soon rages between the pigs of Mudwallow and Hamcorner as the

elite among the Wallowites known as snouters seek to expand their power and fortunes through military means As the snouters mercenary soldiers the boars and the Holy Pomponer the head of the Wallowites faith hoard food and wealth during this time it is the weary working class trotters who go without While the fight bogs down due to self serving double crosses and incompetent leaders Hunkle finds himself in the role of an unlikely revolutionary Meanwhile Hunkle s Cousin Crumpet has produced a series of writings on pigolitics and pigolosophy that demand equality and a rejection of snouter rule Along with the vengeful rebel Snooper and Hunkle s son Whiskers Crumpet establishes the snotters a group that rejects the strict class structure and the worship of the Pomponer s Great One a deity that supposedly blesses pigkind from the Black Mountain volcano Unrest grows and the snotters are able to gain advantages over the ruling upper classes through utilizing the prized badapple a tree with explosive properties and technological possibilities as well by taking advantage of the lies of the religious caste by proving that the Great One is no god Somewhat a cross between the Game of Thrones and Animal Farm Dealing With Pigs is filled with scheming bad pigs and harrowing battles Ultimately the revolution is successful only to fall prey itself to dictatorship new revolts and quests to find a better way In what is Book One there are parallels with our human contemporary global politics and history except for major twists and turns leading to Book Two currently being written
