## **The Last Victory:**

The Last Things George E. Ladd, 2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books. Many of these however are popularized accounts containing little thoughtful biblical scholarship. Yet the serious studies available are often too difficult for the average reader to understand. George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson. Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered. One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments. Professor Ladd holds the latter position basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy. Only as the prophecies are seen in the light of God's revelation through Christ can we clearly comprehend what they mean in relation to the end times.

The Last Days Are Left Behind James Ellis, 2008-06 Have you been wondering as a Christian or non-Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future? And with all the events taking place in the Middle East especially Israel and Iran? Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy? The Left Behind series, televangelists, preachers, and others speaking of a great tribulation, rapture, Armageddon, Apocalypse, the destruction of the earth, a new heaven and earth, a second coming, and a millennium. There has been an overload of teaching and information about these things over the last century, however sincere and cloaked in good intentions, yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge, particularly the Hebrew and Greek and information based on compelling evidence. Would you like to know what the Bible actually says about all these issues? For God's Word itself. Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters. The Last Days Are Left Behind will challenge your thinking, help to erase the confusion, and provide clarity regarding the present day purpose of God. Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate, biblically consistent, and intellectually honest examination of the Bible's prophetic passages and verses, the original languages Hebrew and Greek, the social, cultural, and historical context of Scripture, and the relevance of the audience spoken or written to in God's Word.

The Last Vanguard Nancy Helvenston, 2024-09-04 The Last Vanguard: Guardians of Fate is an epic fantasy novel that weaves magic, warfare, and destiny together. Set in the mystical land of Eldoria, the story follows Aric, a brave knight who, alongside his companions Lyria, a powerful sorceress, and Theron, a strategic mastermind, embarks on a quest to defeat a dark warlord threatening their world. Armed with the legendary Sunfire Blade, the trio confronts the forces of darkness and the intricate weave of fate itself. As they navigate battles, form alliances, and uncover ancient secrets, they realize their struggle is part of a larger cosmic cycle of light and darkness. Their bravery, sacrifice, and leadership journey aim

to restore peace and establish a new order to guard their world against future perils The Last Vanguard is a tale of heroic deeds the power of unity and the relentless pursuit of balance in a world where magic governs the laws of nature and the hearts of its people It s a saga that captures the eternal fight between good and evil and the enduring hope that even in the darkest times there are lights bright enough to pierce the shadows instilling a sense of optimism in the hearts of its readers

**The Last Things** Donald G. Bloesch,2010-03-23 In The Last Things Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church The Last Things is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today

The Last Great War Adrian Gregory,2008-10-16 What was it that the British people believed they were fighting for in 1914 18 This compelling history of the British home front during the First World War offers an entirely new account of how British society understood and endured the war Drawing on official archives memoirs diaries and letters Adrian Gregory sheds new light on the public reaction to the war examining the role of propaganda and rumour in fostering patriotism and hatred of the enemy He shows the importance of the ethic of volunteerism and the rhetoric of sacrifice in debates over where the burdens of war should fall as well as the influence of religious ideas on wartime culture As the war drew to a climax and tensions about the distribution of sacrifices threatened to tear society apart he shows how victory and the processes of commemoration helped create a fiction of a society united in grief

**The Last Lion** Paul Reid,William Manchester,2012-11-06 The long awaited final volume of William Manchester s legendary biography of Winston Churchill Spanning the years of 1940 1965 The Last Lion picks up shortly after Winston Churchill became Prime Minister when his tiny island nation stood alone against the overwhelming might of Nazi Germany The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage lightning fast intellect and an irresistible will to action The Last Lion brilliantly recounts how Churchill organized his nation s military response and defense compelled FDR into supporting America s beleaguered cousins and personified the never surrender ethos that helped the Allies win the war while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States More than twenty years in the making The Last Lion presents a revelatory and unparalleled portrait of this brilliant flawed and dynamic leader This is popular history at its most stirring

**The Last Great War of Antiquity** James Howard-Johnston,2021 The last great war of antiquity was fought on an unprecedented scale along the full length of the

Persian Roman frontier James Howard Johnston pieces together the fragmentary evidence of this period to form for the first time a coherent story of the dramatic events key players and vast lands over which the conflict spread [The Last Heroes](#) Gary Bridson-Daley, 2017-11-01 The Second World War is famed for being the conflict that changed the face of warfare and it is the last that changed the face of the world In addition to remembering those who passed away in those dark days of war a sincere debt of gratitude is owed to all those now in their twilight years who gave all that they had for King and Country In this new and revised third edition with additional material to celebrate the lives of D Day and Arnhem veterans Gary Bridson Daley presents 46 of over 150 interviews he conducted with veterans over recent years adding to the history books the words and the original poetry of those who fought and supported the war effort to ensure freedom peace and prosperity for generations to come From each corner of the British Isles and every armed service from Dam Buster George Johnny Johnson through to riveter Susan Jones heroes all **The Fall of the Roman Republic: a Short History of the Last Century of the Commonwealth** Charles Merivale (Dean of Ely.), 1853 **The Last Word and the Word after That** Brian D. McLaren, 2012-07-05 For all those seeking more authentic ways to hold and practice Christian faith Brian McLaren has been an inspiring compassionate and provocative voice Starting with the award winning A New Kind of Christian McLaren offered a lively wide ranging fictional conversation between Pastor Dan Poole and his friend Neil Oliver as they reflected about faith doubt reason mission leadership and spiritual practice in the emerging postmodern world That conversation widened to include several intriguing new characters in the sequel The Story We Find Ourselves In as Dan and friends continued to explore faith stretching themes from evolution to evangelism from death to the meaning of life Now in this third installment of their adventures Dan and his widening circle of friends grapple with conventional Christian teachings about hell and judgment and what they mean for our relationship with God and each other Is there an alternative to the usual polar views of a just God short on mercy or a merciful God short on justice Could our conflicted views of hell be symptoms of a deeper set of problems misunderstandings about what God s justice and mercy are about misconceptions about God s purpose in creating the world deep misgivings about what kind of character God is and what the Christian gospel is for **The Last Roll Call** Joseph Balkoski, 2015-09-15 The top living D Day historian USA Today No one has written a better or more comprehensive history of a U S Army combat division in World War II than Joseph Balkoski in his five volumes on the 29th Infantry Division The Last Roll Call is a powerful splendid capstone to this exceptional achievement Rick Atkinson Pulitzer Prize winning author of the Liberation Trilogy Joseph Balkoski concludes his landmark series on the U S 29th Infantry Division in World War II with the story of the 29ers during the war s final five months Opening with the division s participation in Operation Grenade Balkoski follows the 29ers through the crossing of the Roer River the blitzkrieg style drive across the Rhineland to the Rhine River their military government duties while helping to reduce the Ruhr pocket and the survivors return home Powerful finale to the saga of an American division in Europe in World War II Blends meticulous research with masterful

storytelling Strong emphasis on the men of the 29th and their stories      Last Stands from the Alamo to Benghazi Frank Wetta,Martin Novelli,2016-12-08 Last Stands from the Alamo to Benghazi examines how filmmakers teach Americans about the country s military past Examining twenty three representative war films and locating them in their cultural and military landscape the authors argue that Hollywood s view of American military history has evolved in two phases The first phase extending from the very beginnings of filmmaking to the Korean War projected an essential patriotic triumphalism The second phase from the Korean and Vietnam Wars to the present reflects a retreat from consensus and reflexive patriotism In describing these phases the authors address recurring themes such as the experience of war and combat the image of the American war hero race gender national myths and more With helpful film commentaries that extend the discussion through popular movie narratives this book is essential for anyone interested in American military and film history      **Christ's Message to the Last Generation** Emilio B. Knechtle,Charles J. Sohlmann,1997      **Affliction** Edith Schaeffer,1993-08-01 Edith Schaeffer comes directly to grips with the eternal question of why we face suffering and affliction in this life showing us how to trust in God alone for comfort      **War, Memory, and the Politics of Humor** Allen Douglas,2002-05-31 War Memory and the Politics of Humor features carnage and cannibalism gender and cross dressing drunks and heroes militarism and memory all set against the background of World War I France Allen Douglas shows how a new satiric weekly the Canard Encha n exploited these topics and others to become one of France s most influential voices of reaction to the Great War The Canard still published today is France s leading satiric newspaper and the most successful periodical of the twentieth century and Douglas colorfully illuminates the mechanisms of its unique style Following the Canard from its birth in 1915 to the eve of the Great Depression the narrative reveals a heady mix of word play word games and cartoons Over the years the journal generally leftist specifically antimilitarist and anti imperialist aimed its shots in all directions using some stereotypes the twenty first century might find unacceptable But Douglas calls its humor an affirmation of life and as such the most effective antidote to war      Shakespeare and the Just War Tradition Paola Pugliatti,2016-04-01 Brought to light in this study is a connection between the treatment of war in Shakespeare s plays and the issue of the just war which loomed large both in religious and in lay treatises of Shakespeare s time The book re reads Shakespeare s representations of war in light of both the changing historical and political contexts in which they were produced and of Shakespeare s possible connection with the culture and ideology of the European just war tradition But to discuss Shakespeare s representations of war means for Pugliatti not simply to examine his work from a literary point of view or to historicize those representations in connection with the discourses and the practice of war which were produced in his time it also means to consider or re consider present day debates for or against war and the kind of war ideology which is trying to assert itself in our time in light of the tradition which shaped those discourses and representations and which still substantiates our moral view of war      **Studies In The Book of Revelation** Stephen Alexander Hunter,2021-01-01 Stephen Alexander Hunter s Studies in the Book of Revelation
