**Road Agent** Morgan Cox, Arthur Strawn, Maurice Tombragel, Sherman L. Lowe, Arthur St. Claire, Universal Pictures (Firm), 1941     *The Kid from Kansas* Richard J. Hermon, 2001-08     *The Kansas Kid Rides Again* John R. Rose, 2017-10-11

The sequel to *Alias The Kansas Kid* The Kansas Kid is back in the saddle hunting for a new Kansas Kid The Oklahoma Kid some tin horn trading off his notorious reputation Everybody s gotta grow up some time and when The Kid meets up with his would be successor the knock off is going to grow up quick They say let sleeping dogs lie and leave the Kansas Kid to enjoy his retirement     THE KID FROM ARMOURDALE Lloyd E. Howser, 2007-05-15 This is a story about a kid that was raised during the Great Depression when the word welfare was virtually unspoken He had deep loyalties for God country and family It was the custom in those days to salute the flag each school day He attended weekday church school every Wednesday afternoon during his elementary school years His family was poor but proud and self reliant Lloyd learned early in life that if he wanted something he had to work for it His loyalty to his country was reflected in his leaving high school and volunteering for the navy the day after the Japanese attacked Pearl Harbor It s about the struggle of two high school dropouts that fell in love They started life together on the bottom rung and it never occurred to them to feel sorry for themselves They were happy in their stroll together down the rough and rocky road that lay ahead Theirs was a love affair that lasted fifty seven years They were both from broken homes and determined that their children would not suffer a similar fate It is the story of two kids willing to work hard to study and learn to save a penny wherever possible It is a story of survival They ate weeds as some people might call them They liked to call them spring greens He hunted rabbit squirrel and quail in winter and fished during the summer It all went into the larder Inch by inch they elevated their lot in life not unlike a waterlogged timber that might slowly rise to the surface and into the sunshine They grabbed snatches of education wherever they could Esther took typing shorthand and secretarial courses and later a school of cosmetology Lloyd finished high school took college courses and acquired a little more than the equivalent of two years of college when the air force selected him for an engineering course at the University of Colorado It s about the search for Valhalla a place and the means to retire after a lifelong struggle by two kids so unlikely to succeed in life Together they proved the truth of the old adage If there is a will there is a way

Chamberlain,2013-02-15 The events of July 19 1878 marked the beginning of what became known as the Lincoln County War and catapulted Susan McSween and a young cowboy named Henry McCarty alias Billy the Kid into the history books The so called war a fight for control of the mercantile economy of southeastern New Mexico is one of the most documented conflicts in the history of the American West but it is an event that up to now has been interpreted through the eyes of men As a woman in a man s story Susan McSween has been all but ignored This is the first book to place her in a larger context Clearly the Lincoln County War was not her finest hour just her best known For decades afterward she ran a successful cattle ranch She watched New Mexico modernize and become a state And she lived to tell the tales of the anarchistic territorial period many times *Billy the Kid* George R. Matthews,2025-02-04 This new in depth life of Henry McCarty alias Billy Bonney alias Billy the Kid offers fresh perspectives not only on the Lincoln County War and his boyhood in Silver City New Mexico but also on his Irish mother s origins and immigration to Indiana his public school education in Indianapolis the McCarty family s moves to Wichita Kansas and Santa

**Billy the Kid** James B. Mills,2022-07-15 In the annals of American western history few people have left behind such lasting and far reaching fame as Billy the Kid Some have suggested that his legend began with his death at the end of Pat Garrett's revolver on the night of July 14 1881 in Fort Sumner Others believe that the legend began with his unforgettable jailbreak in Lincoln New Mexico several months prior on April 28 1881 Others still insist his legend began with the publication in 1926 of Walter Noble Burns's book *The Saga of Billy the Kid* James B Mills has left no stone unturned in his twenty year quest to tell the complete story of Billy the Kid He explores the Kid's disputable origins his family's migration from New York into the Southwest and how he became an orphan as well as his involvement in the Lincoln County War his outlaw exploits and his dealings with Governor Lew Wallace Mills illuminates the Kid's relationships with his enemies lovers and numerous friends to contextualize the man's character beyond

his death and legacy Most importantly Mills is the first historian to fully detail the Kid s relations with New Mexicans of Spanish descent So the question remains who really was the person the world knows as Billy the Kid Was he more than a young reprobate committed to a life of crime who relished becoming a famous outlaw and cold blooded self absorbed sociopath or thug that some still prefer him need him to be Or was he in fact the generally good hearted generous courteous young vigilante that so many remembered with considerable fondness who ultimately preferred the company of the more peaceable Hispanic population than his own Anglo people In this groundbreaking biography Mills takes the reader closer to the flesh and blood human being named Henry McCarty alias William H Bonney than ever before **Billy the Kid and**

**Jesse James** Bill Markley,2019-09-27 Who was the biggest baddest outlaw in the Old West Billy the Kid or Jesse James Which outlaw did the most to wreak havoc across the frontier And which outlaw left behind the biggest legacy Author Bill Markley takes on those questions and more in this thoughtful and entertaining examination of these legendary lives *The Billy the*

*Kid Reader* Frederick Nolan,2014-10-20 Despite the countless books and films devoted to him Billy the Kid remains one of the most elusive figures of the Old West Now award winning western historian Frederick Nolan has scoured the published literature to offer this well rounded compendium on the life and times of William H Bonney The Billy the Kid Reader contains some of the best articles on the Kid including gems no longer in print From the first dime novel that appeared shortly after his death to the research of today s historians these writings bring Bonney s life into sharp focus Nolan highlights two distinct schools of Billy the Kid studies works of popularizers who tended to exaggerate his historical role and the findings of grassroots researchers who have reassessed our perceptions of the Kid Dozens of illustrations enhance the text illuminating the Kid s career and notoriety This collection shows that the life of William H Bonney is not yet a closed book far from it Many versions of his life remain little more than unchallenged tradition The Billy the Kid Reader puts that lengthy body of work in perspective and will satisfy seasoned Kid aficionados as well as first time readers eager to learn more about the man and the legend **The Other Life of Billy the Kid** Clyde V.
