The King Who Cast No Shadow:

EMERSON HOUGH Ultimate Collection - 19 Western Classics & Adventure Novels, Including Historical Books, Poetry & Children's Tales (Illustrated) Emerson Hough, 2024-01-15 EMERSON HOUGH Ultimate Collection showcases the remarkable versatility of Hough as he intertwines heart pounding adventure with profound social commentary. Comprising 19 Western classics and adventure novels, this anthology not only captures the essence of the American frontier but also reflects the waning spirit of a nation's pivotal historical moments. Illustrated throughout, Hough's prose is characterized by its vivid imagery and rich descriptions evoking the vast tumultuous landscapes that shaped the lives and destinies of its characters. From riveting tales of cowboys and pioneers to lyrical poetry and imaginative children's stories, this collection presents a comprehensive exploration of American life and ideals during the late 19th and early 20th centuries. Emerson Hough, a trailblazer in the genre of American fiction, was known for his eloquent portrayals of the Western experience. His own upbringing in the Midwest and profound understanding of American history fueled his desire to depict the complexities of frontier life. Hough's experiences as an outdoorsman and his deep engagement with ecological themes shaped his narrative voice, allowing him to evolve from mere storyteller to a chronicler of American identity. Readers seeking to delve into the rich tapestry of American literature will find Hough's Ultimate Collection indispensable. It offers insights not only into the rugged adventure of the West but also into the philosophical underpinnings of human resilience and community. This anthology is a must-read for lovers of historical fiction, adventure, and those eager to understand the heart of American storytelling.

L Frank Baum 1856 1919 was an American author chiefly known for his children s books particularly The Wonderful Wizard of Oz which chronicles the adventures of a young farm girl named Dorothy in the magical Land of Oz after she and her pet dog Toto are swept away from their Kansas home by a cyclone The novel is one of the best known stories in American literature and The Library of Congress has declared it America s greatest and best loved homegrown fairytale

The Poems of W.B. Yeats Peter McDonald,2020-08-18

In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary

Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon

This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources

The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse

The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet

This first volume collects Yeats s poetry of the 1880s from his ambitious and extensive juvenilia including hitherto little noticed dramatic poems to his earliest published pieces leading to his first substantial book of verse

The pastoral romance of classically inflected early work like The Island of Statues is succeeded in these years by the Irish mythic material that finds its largest

canvas in the mini epic *The Wanderings of Oisín*. In Yeats's work through the 1880s an adolescent poet's youthful absorption in Romantic poetry is replaced by a commitment to esoteric religious speculation and Irish political nationalism. This edition allows readers to see Yeats's emergence as a poet step by step in compelling detail in relation to his literary influences including significantly the Anglo-Irish poetry of the nineteenth century. The commentary provides an extensive view of Yeats's developing personal cultural and historical worlds as the poems gain in maturity and depth. From the first attempts at verse of a teenage boy to the fully accomplished writings of an original poet standing on the verge of popular success with poems such as *The Lake Isle of Innisfree*, Yeats's poetry is displayed here in unprecedented fullness and detail. Cambridge Magazine, 1917 **The Cambridge Magazine**, 1917 *Master of the Jinn* Irving Karchmar, 2004 Here is a tale set on the Path of the Heart a beautifully written mystical adventure wherein a modern day Sufi Master sends seven companions on a perilous quest for the greatest treasure of the ancient world King Solomon's ring. The legendary seal ring is said to control the Jinn those terrifying demons of living fire and in seeking it the companions discover not only the truth of the Jinn but also the path of Love and the infinite mercy of God **The Idea of a Town** Joseph Rykwert, 2013-07-04 Roman towns and their history are generally regarded as being the preserve of the archaeologist or the economic historian. In this famous unusual and radical book which touches on such disparate themes as psychology and urban architecture Joseph Rykwert has considered them as works of art. His starting point is the mythical historical and ritual texts in which their foundation is recounted rather than the excavated remains such texts having parallels not merely in ancient Greece but also further afield Mesopotamia India and China. To achieve his reading of the Roman town he has invoked the comparative method of the anthropologists and he examines first of all the Etruscan rite a group of ceremonies by which all or practically all Roman towns were founded. The basic institutions of the town its walls and gates its central shrines and its forum are all of them part of a pattern to which the rituals and the myths that accompanied them provide clues. Like in other closed societies these rituals and myths served to create a secure home for the citizen of Rome and to make him feel part of his city and place it firmly in a knowable universe. It is refreshing to look at standard themes of the history of urban design from a nonrational point of view to see surveyors as quasi priests and orthogonal planning as a sophisticated technique touched by divine mystery. Rykwert's lasting worth will be to wrench us away from rationalist simplicities and to make us face the fundamental disquiet of the human spirit in its claim to a permanent place on the land. Spiro Kostoff *Journal of the Society Architectural Historians* **Workings on Chinese Buddhism, Mysticism, and Occultism** Various Authors, 2020-09-28 Nothing of great importance is known about F hien in addition to what may be gathered from his own record of his travels. I have read the accounts of him in the *Memoirs of Eminent Monks* compiled in A.D. 519 and a later work the *Memoirs of Marvellous Monks* by the third emperor of the Ming dynasty A.D. 1403-1424 which however is nearly all borrowed from the other and all in them that has an appearance of verisimilitude can be brought within brief compass. His surname they tell us was Kung and he was

a native of Wu yang in P ing Yang which is still the name of a large department in Shan hsi He had three brothers older than himself but when they all died before shedding their first teeth his father devoted him to the service of the Buddhist society and had him entered as a r ma era still keeping him at home in the family The little fellow fell dangerously ill and the father sent him to the monastery where he soon got well and refused to return to his parents When he was ten years old his father died and an uncle considering the widowed solitariness and helplessness of the mother urged him to renounce the monastic life and return to her but the boy replied I did not quit the family in compliance with my father s wishes but because I wished to be far from the dust and vulgar ways of life This is why I chose monkhood The uncle approved of his words and gave over urging him When his mother also died it appeared how great had been the affection for her of his fine nature but after her burial he returned to the monastery On one occasion he was cutting rice with a score or two of his fellow disciples when some hungry thieves came upon them to take away their grain by force The other r ma eras all fled but our young hero stood his ground and said to the thieves If you must have the grain take what you please But Sirs it was your former neglect of charity which brought you to your present state of destitution and now again you wish to rob others I am afraid that in the coming ages you will have still greater poverty and distress I am sorry for you beforehand With these words he followed his companions into the monastery while the thieves left the grain and went away all the monks of whom there were several hundred doing homage to his conduct and courage When he had finished his novitiate and taken on him the obligations of the full Buddhist orders his earnest courage clear intelligence and strict regulation of his demeanour were conspicuous and soon after he undertook his journey to India in search of complete copies of the Vinaya pi aka What follows this is merely an account of his travels in India and return to China by sea condensed from his own narrative with the addition of some marvellous incidents that happened to him on his visit to the Vulture Peak near R jag iha It is said in the end that after his return to China he went to the capital evidently Nanking and there along with the Indian rama a Buddha bhadra executed translations of some of the works which he had obtained in India and that before he had done all that he wished to do in this way he removed to King chow in the present Hoo pih and died in the monastery of Sin at the age of eighty eight to the great sorrow of all who knew him It is added that there is another larger work giving an account of his travels in various countries

Man of Destiny F. V. Hank Helmick.,2013-01-29 Kerry Sean ODonnell a thrill seeker is sailing tranquilly above the Austrian Alps in his soar plane when he is suddenly sucked into a vortex that sails him out over the Planet Therium where an enormous dragon knocks him spinning from the sky He crash lands and within the hour he is fighting for his life defending a beautiful woman that has been attacked by a grotesque water creature Sean is badly wounded and the womans friends operate on him genetically and save and transform his life He is propelled from one strange race of people to another and from one fight to another as he fights and hacks his way looking for the women he has seen and fallen in love with His opponents range from the crudest to the most sophisticated and there appears to be no end of them but his finesse in making

friends saves him again and again from extermination The story is one of action bestirred by more action and Sean and his friends take on all comers but not without consequences The fast paced story is truly a Sci Fi fantasy for action lovers
