change The authors then document each trend in relation to eighteen thematic groups that include age community women labour management stratification social relations the state mobilizing institutions social forces ideologies households lifestyle leisure education integration and attitudes and values Just Watch Me John English,2010-09-07 This magnificent second volume written with exclusive access to Trudeau s private papers and letters completes what the Globe and Mail called the most illuminating Trudeau portrait yet written sweeping us from sixties Trudeaumania to his final days when he debated his faith His life is one of Canada s most engrossing stories John English reveals how for Trudeau style was as important as substance and how the controversial public figure intertwined with the charismatic private man and committed father He traces Trudeau s deep friendships with women especially many of them talented artists like Barbra Streisand and bitter enmities his marriage and family tragedy He illuminates his strengths and weaknesses from Trudeaumania to political disenchantment from his electrifying response to the kidnappings during the October Crisis to his all important patriation of the Canadian Constitution and his evolution to influential elder statesman Dynasties and Interludes Lawrence LeDuc,Jon H. Pammett,2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty **Road to Redemption** Brooke Jeffrey,2020-12-07 Despite being described as the most successful political party in any western democracy the Liberal Party of Canada experienced its worst electoral defeat in 2011 Reduced to third party status the Liberal Party of Canada was seen by some experts as a spent force doomed to disappear from the Canadian political scene And yet just four years later the party surged ahead once more winning one of the most decisive elections in Canadian history Road to Redemption offers a detailed exploration of this stunning reversal It begins by outlining weaknesses in the party s organization and culture weaknesses that existed long before the 2011 rout but were ignored while the party continued to win elections Finally brought to light by the disastrous 2011 electoral campaign these weaknesses were then systematically tackled by party elites and activists in a concerted effort to rebuild and restructure the party Their efforts culminated in the state of the art campaigns run by Justin Trudeau s Liberals in 2015 and 2019 Brooke Jeffrey argues that the remarkable turnaround of 2015 confirms the Liberal Party s exceptional ability to redefine itself and adapt to changing circumstances a singular strength and the principal reason for the party s enduring appeal Despite being reduced to a minority government in 2019 Jeffrey concludes that the Liberal Party and leader Justin Trudeau can take advantage of this second chance to further strengthen and consolidate the party s position for
