

The Land Of Red

WJ Hussar

The Land Of Red:

Red Land, Red Power Sean Kicummah Teuton, 2008-06-03 A new interpretation of the literature of the Red Power movement that reconceives the role of identity in the political empowerment of Native Americans *An Untamed Land (Red River of the North Book #1)* Lauraine Snelling, 2006-05-01 Proud of Their Heritage and Sustained by Their Faith They Came to Tame a New Land She had promised herself that once they left the fjords of Norway she would not look back After three long years of scrimping and saving to buy tickets for their passage to America Roald and Ingeborg Bjorklund along with their son Thorliff finally arrive at the docks of New York City It was the promise of free land that fed their dream and lured them from their beloved home high above the fjords of Norway in 1880 Together with Roald's brother Carl and his family they will build a good life in a new land that promises untold wealth and vast farmsteads for their children As they join the throngs of countless immigrants passing through Castle Garden they soon discover that nothing is as they had envisioned it Appalled by the horrid stories of fellow immigrants bilked of all their money and forced to live in squalid living conditions the Bjorklunds continue their long journey by train as far as Grand Forks From there a covered wagon takes them into Dakota Territory where they settle on the banks of the Red River But there was no way for them to foresee the price they will have to pay to wrest a living from the indomitable land The virgin prairie refuses to yield its treasure without a struggle Will they be strong enough to overcome the hardships of that first winter

A Dragon in the Land of the Red Dragon Pasquale De Marco, 2025-05-01 A Dragon in the Land of the Red Dragon is a comprehensive guide to the many different aspects of China It covers everything from China's history and culture to its economy and politics It also discusses the challenges that China faces and the opportunities that it has A Dragon in the Land of the Red Dragon is written in a clear and concise style and it is packed with information It is an essential resource for anyone who wants to learn more about China In this book you will learn about China's long and fascinating history China's rich and diverse culture China's rapidly growing economy China's one party political system The challenges that China faces The opportunities that China has A Dragon in the Land of the Red Dragon is the perfect book for anyone who wants to learn more about China It is a valuable resource for students businesspeople and anyone else who is interested in this fascinating country Pasquale De Marco is an expert on China He has lived and worked in China for many years and he has a deep understanding of the country's history culture and politics He is the author of several books on China including A Dragon in the Land of the Red Dragon Pasquale De Marco has a unique perspective on China He is not a native of China but he has spent many years living and working there This gives him a deep understanding of the country but it also allows him to see China from an outsider's perspective Pasquale De Marco is a gifted writer He is able to explain complex topics in a clear and concise way He also has a knack for storytelling and he brings the history and culture of China to life A Dragon in the Land of the Red Dragon is a must read for anyone who wants to learn more about China It is a valuable resource for students businesspeople and anyone else who is interested in this fascinating

The Red Land to the South James Howard Cox,2012 The forty years of American Indian literature taken up by James H Cox the decades between 1920 and 1960 have been called politically and intellectually moribund On the contrary Cox identifies a group of American Indian writers who share an interest in the revolutionary potential of the indigenous peoples of Mexico and whose work demonstrates a surprisingly assertive literary politics in the era By contextualizing this group of American Indian authors in the work of their contemporaries Cox reveals how the literary history of this period is far more rich and nuanced than is generally acknowledged The writers he focuses on Todd Downing Choctaw Lynn Riggs Cherokee and D Arcy McNickle Confederated Salish and Kootenai are shown to be on par with writers of the preceding Progressive and the succeeding Red Power and Native American literary renaissance eras Arguing that American Indian literary history of this period actually coheres in exciting ways with the literature of the Native American literary renaissance Cox repudiates the intellectual and political border that has emerged between the two eras
