Whitaker's Books in Print ,1998 Subject Guide to Books in Print ,1993 **Sealing Their Fate (Large Print 16pt)** David Downing,2010-06 As the Japanese fleet prepared to sail from Japan to Pearl Harbor the German army was launching its final desperate assault on Moscow while the British were planning a decisive blow against Rommel in North Africa The British conquered the desert the Germans succumbed to Moscow s winter and the Japanese awakened the sleeping giant of America *Antiquarian Book Monthly Review* ,1990 The Age of Invention: A Chronicle of Mechanical Conquest Holland Thompson,2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Complete Directory of Large Print Books & Serials ,1994 **Books in Print Supplement** ,1994 *America-The Last Best Hope (One-Volume Edition)* William J. Bennett,2019-10-22 A single volume edition of William J Bennett s bestselling series thoroughly revised and updated The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett s wonderfully readable book is so important Walter Isaacson A decade ago William J Bennett published a magisterial three volume account of our nation s history Now Bennett returns to that bestselling trilogy revising and condensing his epic tale into one volume a page turning narrative of our exceptional nation In Bennett s signature gripping prose Washington Franklin Lincoln Roosevelt Reagan and others reemerge not as marble icons or dust dry names in a textbook but as full blooded heroic pioneers whose far reaching vision forged a nation that attracted and still attracts millions yearning to breathe free In this riveting volume Bennett covers America s greatest moments in breath taking detail from the heroism of the Revolution to the dire hours of the Civil War from the progressive reforms of the early 1900s to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War from the fall of the Berlin Wall and the collapse of global Communism to the attacks of 9 11 and the war on terror William J Bennett captures the players personalities and pivotal moments of American history with piercing insight and unrelenting optimism In this gripping tale of a nation the story of what Lincoln referred to as the last best hope of earth comes alive in all its drama and personality **The Friend** ,1858 **Eurocepticism** ,2016-08-29 The accelerated pace of European integration since the early 1990s has been accompanied by the emergence of increasingly prominent and multiform oppositions to the process The term Eurocepticism has appeared with growing frequency in a range of political media and academic discourses Yet the label is applied to a wide range of different and occasionally contradictory phenomena Although originally associated with an English exceptionalism relative to a Continental project of political and economic integration the term Eurocepticism is now also identified with a more general questioning of European Union institutions and policies which finds diverse expressions across the entire continent This volume of European Studies brings together an interdisciplinary team of contributors to provide one of the first major multinational

surveys of the growth of these Eurosceptic tendencies Individual chapters provide detailed examinations of developments in France Germany the Netherlands the United Kingdom Ireland Sweden Austria the Czech Republic Poland and Switzerland Overall the volume draws a distinctive portrait of contemporary Euroscepticism situating the phenomenon not only relative to the progress of European integration but also in relation to broader questions concerned with the evolution of party politics and the reshaping of national identities **Saturday Review of Literature** ,1926 **Geyer's Stationer** ,1900

Bennett,2007-04-15 America how well do you know your history Who quelled a coup d etat by putting on a pair of reading glasses Which U S senator was nearly caned to death on the Senate floor Which first lady refused to serve alcohol in the White House What famous inventor was called to find the assassin s bullet in President Garfield s back Which successful candidate for president insisted on telling the truth about his sex scandal Which beloved ex president raced with death and poverty to write his best selling memoirs and which famous humorist came to his rescue Which president carefully read the trial notes of 303 condemned Sioux warriors and spared all but 38 from the hangman s noose Which four eyed future president beat up a drunken bully in a saloon In his Farewell Address Ronald Reagan said if we forget what we have done we will forget who we are This book written by one of Reagan s most loyal lieutenants responds to Reagan s heartfelt call for an informed patriotism We all need to know more about this land we love In this gripping tale of a nation our country s past comes alive Here is the story of those we chose to lead us and what they did with the awesome power we gave them Join Bill Bennett for the great adventure America s teacher will lead you on a voyage of discovery What others are saying William J Bennett artfully and subtly makes connections between our past and current events reminding us that we are intimately and immediately connected to the

extraordinary Americans who have bestowed upon us our great heritage The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I've read in a very long time It's silly to compare great works of history to great novels but this book truly is a page turner Prepare to have your faith in hope for and love of America renewed Brad Miner American Compass The Role of history is to inform inspire and sometimes provoke us which is why Bill Bennett's wonderfully readable book is so important He puts our nation's triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it's useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life For too long Americans have been looking for a history of our country that tells the story of America's triumphs as well as its tragedies Now Bill Bennett has come forward with America The Last Best Hope which tells the story fairly and fully from 1492 to 1914 Americans who have been reading recent biographies of the Founding Fathers will love this book Michael Barone US News World Report Bill Bennett's book will stand as perhaps the most important addition to American scholarship at this the start of the new century For the past fifty years American historians have either distorted American history or reduced it to a mess of boring indictments of our cultural and political heritage With this book Bennett offers to Americans young and old an exciting and enjoyable history of what makes America the greatest nation on earth Brian Kennedy president The Claremont Institute
