The Last Captive

Branden Holmes, Gareth Linnard

The Last Captive:

The Last Captive A. C. Greene, 1972 The lives of Herman Lehmann who was taken by the Indians as a boy from his Texas home his career as an authentic wild warrior with the Apache his subsequent restoration to the bosom of his family his experiences carrying him from the time of the scalping knife to the very threshold of our atomic age together with verifying accounts by members of his family and others who shared some of those extraordinary historical events [The Last Captive](#) A. C. Greene, 1972 The lives of Herman Lehmann who was taken by the Indians as a boy from his Texas home his career as an authentic wild warrior with the Apache his subsequent restoration to the bosom of his family his experiences carrying him from the time of the scalping knife to the very threshold of our atomic age together with verifying accounts by members of his family and others who shared some of those extraordinary historical events **The Last Captive** A. C. Greene, 1972

The Last Captive A. C. Greene, 1972 *The History of the Bastille, and of Its Principal Captives* Richard Alfred Davenport, 1838 **Military Captives in the United States** Craig A. Munsart, 2025-06-05 Since the beginning of the Revolutionary War the United States has actively pursued military operations both domestic and foreign Prisoners of war represent a natural consequence of such actions and throughout history many of them have been incarcerated within the borders of the United States Incorporating both existing and purpose built prisoner facilities the nation has held over one million prisoners many transported here from across the globe Detention facilities existed in almost every state from large population centers to remote rural areas Many such facilities have been preserved while others have been destroyed by the country's expanding population Exhaustively researched and thoroughly illustrated this book seeks to fill a void examining the history of domestically imprisoned POWs from the Revolutionary War through World War II In addition to foreign nationals from Asia Europe and Latin America even American citizens associated with foreign combatants have had their rights abrogated as they too were imprisoned without legal recourse This book presents a history that has long been ignored and one which has a legacy in many Americans own backyard [Wolf's Captive](#) M.J. Douven, 2011-10-27 He wanted to lead his men into battle He wanted his deeds to be remembered like those of his father and his grandfather before him He wanted victory and fame until one day he met a woman who challenged everything he believed in a woman who made a difference And his life was never the same **Held Captive by Indians** Richard VanDerBeets, 1994 The brilliant introductory essay and the superb editing combine to make the book a valuable contribution to American history and literature Pacific Historical Review The value of this gruesomely fascinating collection is inestimable This is a book for both the scholar and casual reader who wants something out of the ordinary Library Journal The best of the genre that has appeared comprehensive well edited and thoroughly useful Russell B Nye Among the early white settlers accounts of Indian captivities and massacres became America's first literature of catharsis a means by which a population that disapproved of fiction and play acting could satisfy its appetite for stories about other people's misfortunes This collection of unaltered captivity narratives first published

in 1973 remains an invaluable source of information for historians and ethnologists providing a fascinating glimpse of a vanished era For this revised edition VanDerBeets has written a new preface discussing the proliferation of recent scholarship about captivity narratives especially those written by women **Thylacine** Branden Holmes,Gareth Linnard,2023-03-01 Until the mid 20th century the thylacine was the world s largest carnivorous marsupial and its disappearance has left many questions and contradictions Alternately portrayed as a scourge and as a high value commodity the thylacine s ecology and behaviour were known only anecdotally In recent years its taxonomic position ecology behaviour and body size have all been re examined scientifically while advances in genetics have presented the potential for de extinction With 78 contributors *Thylacine The History Ecology and Loss of the Tasmanian Tiger* presents an evidence based profile of the thylacine examining its ecology evolution encounters with humans persecution assumed extinction and its appearance in fiction The final chapters explore the future for this iconic species a symbol of extinction but also hope

Animal Genocide and its Aftermath Nicholas Chare,2025-09-01 In this exacting assessment of the bounty policies enacted against the Tasmanian Tiger and the Newfoundland Wolf *Animal Genocide and its Aftermath* provides a much needed reappraisal of the legal political and social definition of animal killing Analyzing natural history collections and cultural representations this book advances a compelling case for viewing the bounty schemes as a form of genocide that requires its own historical reckoning Ethical issues regarding the evocation of animal genocide in film literature photography and museum exhibitions are also explored **Egyptian Topographical Lists Relating to Western Asla** , *The British Museum's Excavations at Nineveh, 1846-1855* Geoffrey Turner,2020-10-12 Geoffrey Turner has written the definitive study of the mid 19th century excavations sponsored by the British Museum at the ancient Assyrian site of Nineveh in Iraq Based on exhaustive analysis of unpublished archives combined with his own extensive knowledge of Assyrian architecture Turner s work documents the complete history of these excavations Turner also draws on the archives and numerous additional sources to provide a detailed reconstruction of the architecture and relief sculpture in the building that was the primary focus of these excavations the Southwest Palace of Sennacherib ruled 705 681 BC The result constitutes the final report both on the results of these excavations and on the original appearance of one of the ancient world s most famous buildings

The Edge of the Dark: Tales of the Thylacine Pasquale De Marco,2025-03-16 In the annals of lost species the thylacine or Tasmanian tiger holds a haunting place This enigmatic marsupial predator once roamed Australia s wilderness captivating the imaginations of Indigenous peoples and European settlers alike However by the early 20th century the thylacine had vanished from the Earth leaving behind a mystery that has intrigued scientists and conservationists for generations This book takes readers on a captivating journey to uncover the story of the thylacine from its unique evolutionary history to its tragic decline Through meticulously researched text and vivid storytelling we explore the thylacine s remarkable characteristics behavior and habitat We delve into the complex web of factors that led to its extinction including hunting habitat destruction

and disease Beyond the scientific narrative we also explore the cultural significance of the thylacine to the Indigenous peoples of Australia for whom it held deep spiritual and symbolic meaning We examine the efforts made to preserve and potentially revive this iconic species highlighting the challenges and ethical considerations involved in such endeavors The thylacine s story serves as a powerful reminder of the delicate balance between humanity and the natural world Its extinction is a stark indictment of our past actions and a call to action for a more sustainable and compassionate future This book is not only a tribute to a lost species but also a meditation on loss resilience and the enduring power of hope With each page readers will gain a deeper understanding of the thylacine s unique place in the world and a renewed sense of responsibility to protect and preserve the biodiversity that remains The thylacine s tale is a poignant reminder of the interconnectedness of all living things and the importance of cherishing the natural world that sustains us If you like this book write a review

Ladies' Miscellany ,1830 *The Principle of Proportionality, Solvency II and Captives* Marta Ostrowska,2025-03-05 This book offers an in depth analysis of the principle of proportionality in the EU insurance regulatory regime It takes a critical look at how proportionality has been implemented in Solvency II and tests its effectiveness on captive re insurance undertakings Given their unique business model captives are considered the primary beneficiary of proportionality and therefore offer the perfect litmus test for the principle s effectiveness In a world characterized by overregulation and increasingly complex financial markets governments and policymakers face the challenge of regulating markets without hindering their growth As one size fits all approaches have long since been recognized as detrimental the EU is seeking to develop a regulatory technique which allows more individual regulatory treatment while ensuring a level playing field The first revolutionary step towards this goal was taken in Solvency II Directive 2009 138 EC which introduced a principle of proportionality to the EU insurance market The principle is a unique tool which makes it possible to adjust the requirements of the Solvency II framework to the nature scale and complexity of each individual insurance undertaking s risk profile It is intended to help remove an unnecessary regulatory burden for insurance undertakings and to prevent the proliferation of regulations in general However the practical implementation of proportionality is not without its share of obstacles The principle s generic nature and the lack of guidance have caused a great deal of confusion regarding its practical application and prevented insurance undertakings from using its benefits to the fullest Consequently the principle of proportionality has been subject to revision within the first Solvency II review process The book will benefit captive owners captive managers regulators supervisors practitioners academics students and more generally all those involved with or interested in the insurance market **Dakota Cross-Bearer** Mary E. Cochran,2004-04-01 Dakota Cross Bearer is the story of Harold S Jones a Dakota Indian born in 1909 and raised on the Santee Reservation in Nebraska who rose through the ranks of the Episcopal Church to become the first Native bishop of a Christian church Jones s biography sheds light on the importance of Christianity for the Dakotas and other Native peoples during the twentieth century His story yields insights into the history of

twentieth century missionary activity among Native communities and illuminates instances of conflict and discrimination within the Episcopal Church the processes of clerical training and testing and the demands of constant relocation Mary E Cochran is the wife of an Episcopal bishop who worked on the Standing Rock Reservation and who later was named bishop of Alaska She and her husband live in Tacoma Washington Raymond A Bucko S J a Catholic priest is the director of the Native American Studies Program and an associate professor of anthropology at Creighton University He is the author of The Lakota Ritual of the Sweat Lodge History and Contemporary Practice Nebraska 1998 Martin Brokenleg an enrolled member of the Sicangu Lakota is a professor of Native American studies at Augustana College and an Episcopal priest He is a coauthor of Reclaiming Youth at Risk Our Hope for the Future **Omar ; Or, The Captive's Escape** A citizen of Oxford,1852

Ambrose, Prince of Wessex; Gretchen, Future Princess Bruce Corbett,2011-09-08 The betrothed of Ambrose bastard prince of Wessex is kidnapped by Welsh brigands and then a raiding party of Norse pirates With the army of Wessex at his back Ambrose attacks a Welsh coastal stronghold only to find that Gretchen never made it there He then travels to Ireland There he meets a strange ally and together they work their way to the Norse stronghold where Gretchen is held Rebuffed and then threatened by the Jarl who holds her captive he escapes and flees northward With the aid of a Viking prince he obtains two ships and trains Saxon ship crews so he can intercept and free his love Vikings Saxons Irish adventure Love military Welsh Vikings in Ireland polonius ambrose dublin Scientific Foundations of Zoos and Aquariums Allison B. Kaufman,Meredith J. Bashaw,Terry L. Maple,2019-01-03 Using first person stories and approachable scientific reviews this volume explores how zoos conduct and support science around the world The Hat That Killed a Billion Birds Arthur G. Sharp,2024-01-26 During the late 1800s and early 1900s it was common practice for milliners to decorate women s hats with birds feathers and plumes and sometimes with the birds themselves As many as 300 million birds per year were killed for this fashionable enterprise causing the extinction of some entire species and the endangerment of others Lawmakers and bird aficionados were slow to react to the effects of this practice which went on almost unabated for a quarter of a century Then noted naturalists like George Bird Grinnell William T Hornaday and President Theodore Roosevelt who recognized the economic benefits birds provided banded together to pass meaningful legislation to protect them and to curb the production of murderous millinery This book explores the troubled history of millinery and its complicated relationship to birds and conservation It explores why it took so long for the slaughter to end and how the efforts of individuals and groups brought about change

The Last Captive Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**The Last Captive**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
