The Last Great Roller Coaster Ride ,1989-09-01 **The Last Great Fight** Joe Layden,2007-10-02 Meticulously researched wonderfully written The Last Great Fight tells the untold story of a legendary fight and the two warriors who would never be the same again It is considered by many to be the biggest upset in the history of boxing James Buster Douglas knocked out then undefeated Heavyweight Champion Mike Tyson in the 10th round in 1990 when the dominating and intimidating Tyson was considered invincible The Last Great Fight takes readers not only behind the scenes of this epic battle but inside the lives of two men their ambitions their dreams the downfall of one and the rise of another Using his exclusive interviews with both boxers Tyson and Douglas family members the referee the cutmen trainers and managers to the commentators and HBO staff covering the fight in Tokyo Joe Layden has crafted a human drama played out on a large stage This is a compelling tale of shattered dreams and ultimately redemption [The Last Great Senate](#) Ira

Shapiro,2017-12-28 The Last Great Senate tells the story of the final four years of the progressive Senate of the 1960s and 1970s which compiled a record of accomplishment unmatched in our country s history It is a narrative history of the statesman who working with an outsider president Jimmy Carter helped steer America through the crisis years of the late 1970s transcending partisanship and overcoming procedural roadblocks that have all but crippled the Senate over the past quarter century The Last Great Senate recalls a critical juncture in American politics offering a new view of the kind of leadership that will be required to restore the nation s upper house to greatness The book brings to life the renowned senators of the time Ted Kennedy Howard Baker Henry Scoop Jackson Ed Muskie Jacob Javits Robert Byrd and others while capturing the Senate as an ensemble cast in a way that no previous book has Mr Shapiro recounts a series of legislative battles including the historic fight over the Panama Canal treaty and the rescues of New York City and Chrysler that are remarkable case studies of the legislative process in action His preface to this second edition provides a compelling summary of the Senate s struggles since 1980 including the first six months of the Trump presidency The author s love of the Senate and his deep belief in its special role in our political system make the book an antidote to cynicism leaving readers with some hope that the Senate can reverse its long decline to become again what Walter F Mondale called the nation s mediator
