

Heroes

Soldiers:
Peaceful, brave ghosts.
Remember in silence,
Wearing poppies to show respect:
Heroes.

Recall:
Many thousands,
Now forever fallen.
Respected, never forgotten:
Heroes.

Bugle:
'Last Post' call to
Sleeping memorials.
We're sorry, brothers and fathers:
Heroes.

Chicorel Index to Poetry in Anthologies and Collections in Print Marietta Chicorel,1975 **Encyclopedia of American Literature of the Sea and Great Lakes** Jill B. Gidmark,2000-11-30 The sea and Great Lakes have inspired American authors from colonial times to the present to produce enduring literary works This reference is a comprehensive survey of American sea literature The scope of the encyclopedia ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose poetry and drama The book also acknowledges how literature gives rise to adaptations and resonances in music and film and includes coverage of nonliterary topics that have nonetheless shaped American literature of the sea and Great Lakes The alphabetical arrangement of the reference facilitates access to facts about major literary works characters authors themes vessels places and ideas that are central to American sea literature Each of the several hundred entries is written by an expert contributor and many provide bibliographical information While the encyclopedia includes entries for white male canonical writers such as Herman Melville and Jack London it also gives considerable attention to women at sea and to ethnically diverse authors works and themes The volume concludes with a chronology and a list of works for further reading *The Lost Hero* Mihir Bose, History abounds with many heroes The Indian freedom struggle had its own share of them Subhas Chandra Bose fired the nation with patriotic fervour very different in character to the non violent approach preached by Gandhi Truly an outsider to the movements of satyagraha and passive resistance that rapidly gained momentum he made a valiant effort to galvanize the nation into action with evocative slogans such as Freedom is never given it is taken Tum mujhe khoon do main tumhe azadi doonga JAI HIND India s national greeting was the salutation coined by him to arouse nationalistic passion among the Indians In what was unthinkable then Bose dared to ally with the Nazis and the Japanese and raised an indigenous army called Azad Hind Fauj to challenge the military might of the British Empire Why then has Subhas Chandra Bose been largely marginalized as a footnote in the history of India s independence Perhaps the mythical legends that continue to shroud both his personal life and political happenstance hold some answers *The Lost Hero* a thoroughly researched biography of Subhas Bose delves into the life and times of this great man with the hope that he is granted a befitting place in the annals of Indian history **The Last Hero** Louis O.
