The Mount of Megiddo James Luce,2013-02-27 In the year 2017 a devastating terrorist attack on San Diego causes the Second American Civil War Various rebel forces form and the government passes the Espionage Act which allows for powers that reach beyond the Constitution President Meryl Montessori does her best to keep DC stable but when a body is found in her bed along with a coded message things go haywire The president hires an eclectic team of six men and women to help solve the senseless murder and break the threatening code Team members range from stovepipe hatwearing science advisor Dr Frank N Stein to beautiful NYPD Officer Rachel Rothberg who though a savvy and daring police officer can never bring herself to lie to her mother Everyone is a suspect including the director of the FBI The team investigates a bizarre path that leads everywhere from the war zones of America to the gravesite of George Orwell Soon they find themselves on the Mount of Megiddo where Armageddon is prophesized to begin But despite the dire circumstances things are not what they seem

Children of the Sun Anthony Ferguson,2023-02-28 To describe someone s emotions is one of the most difficult things a human being can do While not technically difficult like calculating mathematics to put thoughts and emotions into words that accurately describe them is simply beyond any person s normal ability To illustrate bereavement much less any kind of loss is a herculean demand unfairly imposed on anyone in times of great loss To illustrate someone s loss without

their presence however goes far beyond the definition of herculean into the realm of ludicrously impossible The very notion of speaking for someone else a lifelong friend no less would turn people away and rightfully so The task alone is plenty difficult for the grieving individual Most turning away from this is the expected and normal outcome Yet for a select group of friends they must do that A select few friends must retrace Michael Crawford s life journey for it has been lost to time A life journey filled with calamity and loss unfair to any human being Even the starting line the friends agree on is little more than a Prelude to Bereavement A build up to a heartbreaking loss that will set Michael Crawford down the road to infamy

The Sliding Picture Puzzle Paths from God Rodney Evans,2019-03-26 Author Rodney Evans thought worldly possessions such as cars clothes money and a good life with family and friends were all he needed During his goal to obtain those things God was never in his thoughts until difficult times hit him The author has written this heartfelt story about God s open door policy to except all who comes through His door by way of Jesus even if they were once angry with Him as the author was and was still accepted back into God s loving grace This story shows that God s door is always open for a relationship The author hopes that others going through difficult times can relate to the events in his story and therefore be lifted up by God s power to conquer darkness to bring light to all

The Witnesses Robert Whitlow,2016-07-19 Young lawyer Parker House is on the rise until his grandfather s mysterious past puts both of their lives in danger Parker House s secret inheritance is either his greatest blessing or his deadliest curse The fresh faced North Carolina attorney shares his German grandfather s uncanny ability to see future events in his mind s eye a gift that has haunted 82 year old Frank House through decades of trying to erase a murderous wartime past While Parker navigates the intrigue and politics of small town courtroom law Frank is forced to face his darkest regrets Then a big career break for Parker collides with a new love he longs to nurture and the nightmares his grandfather can no longer escape Sudden peril threatens to shatter not only Parker s legal prospects but also his life and the lives of those dearest to him Two witnesses two paths an uncertain future

The Night Island Jayne Ann Krentz,2024-10-22 The disappearance of a mysterious informant leads two people desperate for answers to an island of deadly deception in this new novel in the Lost Night Files trilogy by New York Times bestselling author Jayne Ann Krentz Talia March Pallas Llewellyn and Amelia Rivers bonded by a night none of them can remember are dedicated to uncovering the mystery of what really happened to them months ago an experience that amplified innate psychic abilities in each of them The women suspect they were test subjects years earlier and that there are more people like them all they have to do is find the list of others who took that same test When Talia follows up on a lead from Phoebe a fan of the trio s podcast she discovers that the informant has vanished Talia isn t the only one looking for Phoebe however Luke Rand a hunted and haunted man who is chasing the same list that Talia is after also shows up at the meeting place It s clear he has his own agenda and they are instantly suspicious of each other But when a killer begins to stalk them they realize they have to join forces to find Phoebe and the list The rocky investigation leads Talia and Luke to a rustic remote retreat on Night Island in

the Pacific Northwest where the Unplugged Experience promises to rejuvenate guests Upon their arrival Talia and Luke discover they are quite literally cut off from the outside world when none of their high tech devices work on the island It soon becomes clear that Phoebe is not the first person to disappear into the strange gardens that surround the Unplugged Experience retreat And then the first mysterious death occurs The Shell Channel Pilot Tom Cunliffe,2021-04-01 South coast of England the North coast of France and the Channel Islands The Purging Fire Marlene Mesot,2018-07-19 College student Melissa Sanders who has vision and hearing loss seems to be unavoidably present wherever danger threatens in fictional Iandale New Hampshire Missy is just trying to help her friends Her roommate Zoe is haunted by her unknown past through a recurring nightmare Their dorm maintenance man angry with God has a granddaughter who is transfixed by fire Missy knows that Alex has some dark secret he just won t share As romantic interest sparks college fire marshal Alex Marcus feels compelled to protect Missy from harm until a violent misunderstanding breaks their marital engagement Only then it becomes clear that Melissa has been the arsonist s target Love mystery suspense and romance all contained in one book The Purging Fire is a true delight for the undercover detective in all of us Wonderful work Marlene Benita K Brown Author of Elevator 16 YA Christian Romance **Screams & Nightmares** Brian J. The Open Society and Its Enemies Karl R. Popper, 2020-09-15 One of the most important books of the twentieth century Karl Popper's *The Open Society and Its Enemies* is an uncompromising defense of liberal democracy and a powerful attack on the intellectual origins of totalitarianism Popper was born in 1902 to a Viennese family of Jewish origin He taught in Austria until 1937 when he emigrated to New Zealand in anticipation of the Nazi annexation of Austria the following year and he settled in England in 1949 Before the annexation Popper had written mainly about the philosophy of science but from 1938 until the end of the Second World War he focused his energies on political philosophy seeking to diagnose the intellectual origins of German and Soviet totalitarianism *The Open Society and Its Enemies* was the result An immediate sensation when it was first published in two volumes in 1945 Popper's monumental achievement has attained legendary status on both the Left and Right and is credited with inspiring anticommunist dissidents during the Cold War Arguing that the spirit of free critical inquiry that governs scientific investigation should also apply to politics Popper traces the roots of an opposite authoritarian tendency to a tradition represented by Plato Marx and Hegel In a substantial new introduction written for this edition acclaimed political philosopher Alan Ryan puts Popper's landmark work in biographical intellectual and historical context Also included is a personal essay by eminent art historian E H Gombrich in which he recounts the story of the book's eventual publication despite numerous rejections and wartime deprivations

Chicken Soup for the Soul: Dreams and the Unexplainable Amy Newmark, Kelly Sullivan Walden, 2017-09-26 Learn how to use your dreams premonitions and intuition to change your life by listening to your own inner guidance and letting it lead the way This enlightening collection is filled with true personal stories from ordinary people whose dreams premonitions and intuition tapped into the extraordinary wisdom they already had within them You'll read stories that will show you how to Use your dreams as your own GPS for navigating life Find love and your soul mate Face your fears and overcome them Pay attention to that little voice in your head Let your dreams help you diagnose medical problems Act on your premonitions Improve your relationships by trusting your dreams Restore your faith in miracles through amazing coincidences and synchronicities

The Open Society and Its Enemies Karl Popper, 2012-11-12 If in this book harsh words are spoken about some of the greatest among the intellectual leaders of mankind my motive is not I hope to belittle them It springs rather from my conviction that if our civilization is to survive we must break with the habit of deference to great men Karl Popper from the Preface Written in political exile during the

Second World War and first published in two volumes in 1945 Karl Popper's *The Open Society and Its Enemies* is one of the most influential books of all time. Hailed by Bertrand Russell as a vigorous and profound defence of democracy, its now legendary attack on the philosophies of Plato, Hegel and Marx exposed the dangers inherent in centrally planned political systems and through underground editions became an inspiration to lovers of freedom living under communism in Eastern Europe. Popper's highly accessible style, his erudite and lucid explanations of the thoughts of great philosophers and the recent resurgence of totalitarian regimes around the world are just three of the reasons for the enduring popularity of *The Open Society and Its Enemies* and why it demands to be read today and in years to come.
