The Last Optimist:

The End of the Spanish Civil War Jonathan Whitehead, 2024-04-04 A history of the final stages of Franco's victory The Spanish Civil War ended in Alicante After Catalonia fell to the Hitler and Mussolini backed military rebellion of Franco's Nationalists at the outset of 1939 the legitimate Republican government of Dr Negrín was faced with a choice between apparently futile resistance or unconditional surrender to the triumphant Nationalists Choosing the path of continued defiance until they could force concessions or at least implement a mass evacuation of those Republicans most at risk in Franco's new Spain the government withdrew to Elda in the province of Alicante However their plans were thwarted by a new rebellion of Republican officers led by Colonel Segismundo Casado who resented Negrín's reliance on the Communist Party and the USSR and believed themselves better equipped to negotiate a peace settlement with Franco They were misguided Franco had no wish and ultimately no need to negotiate Meanwhile faced with the imminent risk of arrest by the new junta the Prime Minister and his cabinet were forced to abandon Spain from the tiny aerodrome of Monvar A relatively quiet port on the eastern Mediterranean coast of Spain Alicante had remained at some distance from the frontlines throughout the fighting on the ground but swiftly became a target for Italian bombers operating out of bases in the Balearic Islands In May 1938 at the height of the air offensive Italian bombers attacked the marketplace causing a massacre as tragic as the events in Guernica yet largely ignored by historians As the war drew towards its conclusion Alicante became increasingly significant as attention focused on the plight of the defeated Republicans In the second half of March 1939 the fronts collapsed and Madrid finally fell to the insurgents Tens of thousands of refugees descended on Alicante in the forlorn hope of rescue by French and British ships that had been promised but which failed to materialise Amid the tragedy as the British and French governments declined to engage in any humanitarian intervention that might offend Hitler and Mussolini a single hero emerged Captain Archibald Dickson the Welsh master of the Stanbrook who ditched his cargo and transported 3 000 refugees to safety in North Africa On 30 March 1939 Franco's vanguard the Italian Volunteer Corps under General Gastone Gambara occupied a town already under the control of the Fifth Column Two days later the Generalissimo issued a communique from his headquarters in Burgos declaring that the war was over The bulk of the Republicans surrounded and captured in the port were marched to an improvised internment camp known as the Campo de los Almendros Field of Almond Trees They were then transferred to the infamous concentration camp at Albatera to share the fate of defeated Republicans across Spain and to undergo the program of ideological cleansing of the new fascist authorities *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1978 **Besieged** J. Bowyer Bell, 2017-09-29 J Bowyer Bell's *Beseiged* is built on the premise that as long as men have constructed walls other men have tried to scale them From ancient Jericho and Joshua's trumpet to London and the onslaught of the Luftwaffe people have always devised cunning weapons with all the skills at their command to breach such barriers and invade the camps and fortified places of their enemies

Beseiged is the story of seven great modern sieges Madrid in the Spanish Civil War London Warsaw Singapore and Stalingrad in World War II Berlin during the Post World War II Airlift and Jerusalem under Arab attack from four sides in 1947 Bell a veteran historian describes in detail the actual battles involved clearly demonstrating the universality of sieges and siegecraft and showing that all these beleaguered places have things in common and obey certain basic laws or principles Bell points out commonalities showing for example though no bullets were fired during the Berlin Airlift the city itself was as much under siege as was Warsaw where the Polish Underground fought a fierce but hopeless battle against Hitler's Wehrmacht By the same token Bell shows though no German infantry ever came close to London it was nonetheless besieged by aerial squadrons just as surely as Stalingrad was by both German and Russian ground forces The histories of these sieges are ones of heroism and cowardice meticulous planning and incredible blunders all of which can be studied and used even currently in similar situations in either defending or piercing the defenses of a location in times of unrest or war Beseiged is a must read for those interested in modern conflict pondering the enigma of human endeavor in wall building and breaking involved in siegecraft A must read for everyone from military strategist aficionados and historians to science and technology buffs If it is to be believed the danger of not knowing history is the possibility of unknowingly repeating it then Beseiged should appear on all required reading lists

Waiting for Time Bernice Morgan, 1994 This sequel to Random passage continues the saga of the inhabitants of Cape Random It also tells the story of today's Newfoundland a place where the past overshadows the present and shapes the future Lave Andrews a young professional sent from Ottawa to assess the fisheries crisis discovers her roots as she explores the province

The Struggle for Madrid Robert Garland Colodny, 2009-11-01 The Struggle for Madrid is a study of the battles that were waged between the armies of the Spanish Republic and the armies of General Francisco Franco for the city of Madrid It was this struggle beginning with the collapse of Republican arms at Toledo in September 1936 and ending with the victory of the Madrid armies at Guadalajara in March 1937 that determined the duration and characteristics of the rest of the conflict It was the central episode of the Spanish War Due to international intervention the Spanish struggle lost its purely national character and became at once a civil war of a profoundly Spanish type a war of independence waged by a section of the Spanish people against German Italian and Moroccan armies and a clash of supra national ideologies that aroused the deepest passions of peoples far removed from the immediate Spanish interests at stake Although the passions aroused by the war distort contemporary accounts of the fighting the totalities of these obstacles present no insurmountable barrier to a preliminary investigation of the Madrid battles Such a study is best undertaken while many of the principal actors in the Madrid tragedy still live If truth has been affronted the witnesses may yet speak and from the debate margin of error will be reduced Robert Colodny's groundbreaking cross of military history and political ambitions helps reduce the gap between fiction and fact

Shame and Glory of the Intellectuals Peter Viereck, 2017-07-05 In this classic volume written at the height of the Cold War with a new preface of

2006 Peter Viereck one of the foremost intellectual spokesmen of modern conservatism examines the differing responses of American and European intellectuals to the twin threats of Nazism and Soviet communism In so doing he seeks to formulate a humanistic conservatism with which to counter the danger of totalitarian thought in the areas of politics ethics and art The glory of the intellectuals was the firm moral stance they took against Nazism at a time when appeasement was the preferred path of many politicians their shame lay in their failure to recognize the brutality of Stalinism to the extent of becoming apologists for or accomplices of its tyranny In Viereck s view this failure is rooted in an abandonment of humane values that he sees as a legacy of nineteenth century romanticism and certain strands of modernist thought and aesthetics Among his targets are literary obscurantism as personified by Ezra Pound the academicization of literary culture the rigidity of adversarial avant gardism and the failure of many writers and cultural institutions to conserve the very heritage their political freedom and security depend on Viereck represents their attitude in a series of satirical dialogues with Gaylord Babbitt son of Sinclair Lewis embodiment of conservative philistinism Babbitt Junior is as unreflective as his father but the objects of his credulity are the received ideas of liberal progressivism and avant garde mandarinism Ultimately Viereck s critique stands as a timely rebuke to the extremism of both left and right *Affiliation in the Workplace* Ron

Eldson,2002-10-30 This book draws on studies that quantify the link between individual development and organizational value creation Strengthening this link is key to building a strong sense of affiliation and a more productive workforce The author provides frameworks for characterizing the workforce listening to the organization using inclusion as a key differentiator and applying mathematical modeling techniques to explore and quantify related areas We are entering an era when it makes sense to move away from mere retention strategies of control and toward more mutually beneficial strategies of affiliation This trend can be traced to the recognition of the knowledge worker s influence and the value of human capital in today s economy To succeed in this emerging work world organizational leaders and human resource professionals must create new relationships with individuals built around the concept of affiliation This will mean changed roles and behaviors that respect mutual interests and will require a culture of inclusion expressed internally through workforce diversity externally through workforce partnerships at a community level through philanthropy and globally through the pursuit of a greater good *The Proud Tower* Barbara W. Tuchman,2011-08-31 The classic account of the lead up to World War I told with a rare combination of impeccable scholarship and literary polish The New York Times from the Pulitzer Prize winning author of *The Guns of August* During the fateful quarter century leading up to World War I the climax of a century of rapid unprecedented change a privileged few enjoyed Olympian luxury as the underclass was heaving in its pain its power and its hate In *The Proud Tower* Barbara W Tuchman brings the era to vivid life the decline of the Edwardian aristocracy the Anarchists of Europe and America Germany and its self depicted hero Richard Strauss Diaghilev s Russian ballet and Stravinsky s music the Dreyfus Affair the Peace Conferences in The Hague and the enthusiasm and tragedy of Socialism

epitomized by the assassination of Jean Jaurès on the night the Great War began and an epoch came to a close *The Proud Tower* *The Guns of August* and *The Zimmermann Telegram* comprise Barbara W Tuchman's classic histories of the First World War era

The Struggle for Madrid Robert G. Colodny, 2017-07-12 *The Struggle for Madrid* is a study of the battles that were waged between the armies of the Spanish Republic and the armies of General Francisco Franco for the city of Madrid It was this struggle beginning with the collapse of Republican arms at Toledo in September 1936 and ending with the victory of the Madrid armies at Guadalajara in March 1937 that determined the duration and characteristics of the rest of the conflict It was the central episode of the Spanish War Due to international intervention the Spanish struggle lost its purely national character and became at once a civil war of a profoundly Spanish type a war of independence waged by a section of the Spanish people against German Italian and Moroccan armies and a clash of supra national ideologies that aroused the deepest passions of peoples far removed from the immediate Spanish interests at stake Although the passions aroused by the war distort contemporary accounts of the fighting the totalities of these obstacles present no insurmountable barrier to a preliminary investigation of the Madrid battles Such a study is best undertaken while many of the principal actors in the Madrid tragedy still live If truth has been affronted the witnesses may yet speak and from the debate margin of error will be reduced Robert Colodny's groundbreaking cross of military history and political ambitions helps reduce the gap between fiction and fact

Paul Lafargue and the Founding of French Marxism, 1842-1882 Leslie Derfler, 1991 Paul Lafargue disciple and son in law of Karl Marx was among the most important persons giving organized political expression to Marxism in France He helped found both the first French collectivist party and the first French Marxist party He was the first Marxist to sit in the French legislature and for three decades served as the chief theoretician and propagandist for Marxism in France With his wife Laura he translated the Communist Manifesto and other works introducing and applying Marxist thought in France Demonstrating an almost seamless web between intellectual and family history Leslie Derfler relates ideas and family identity in this account of the first forty years of Paul Lafargue's life Lafargue like his famous father in law called for ideological purity and demanded total hostility to anarchists and reformists He insisted on economic determinism the primacy of the concept of the class struggle and the theory of surplus value But he made his own contributions as well particularly in his insistence on rejecting the domination of bourgeois values Lafargue's most famous pamphlet *The Right To Be Lazy* showed the advantages that labor could derive by rejecting the bourgeois work ethic An intellectual of power he pioneered in the application of Marxist methods of analysis to questions of anthropology aesthetics and literary criticism Born in Cuba of mixed racial descent Lafargue joined in demonstrations as a medical student in Paris in the 1860s and was forced into exile Resuming his studies in London he became a fixture in the Marx household until he married Laura Marx and moved to Paris There he worked to expand the influence of the International Workingmen's Association but fled to Spain following the general repression after the fall of the Paris Commune He continued his efforts on behalf of Marxism in Spain

and then for ten years in London before returning to France where he helped to found the new Marxist Parti Ouvrier Français in 1882

Mexico and the Spanish Civil War Mario Ojeda Revah, 2015-07-01 Based on first hand diplomatic political and journalistic sources most unpublished *Mexico and the Spanish Civil War* investigates the backing of the Second Republic by Mexico during the Spanish Civil War Significant military material and financial aid was given by the government of Lázaro Cárdenas 1934-1940 to the Republic which involved not only direct sales of arms but also smuggling operations covertly undertaken by Mexican diplomatic agents in order to circumvent the embargo imposed by the London Committee of Non Intervention This path breaking account reveals the operations in Spain of Mexican workers soldiers artists and intellectuals such as later Nobel Laureate Octavio Paz and the Muralist David Alfaro Siqueiros as volunteers and propagandists for the Republican cause Engagement with the Spanish Civil War also had a profound impact upon Mexico's domestic politics as support for the Republic was equated by Cárdenas with his own revolutionary project The defeat of the Republic in 1939 therefore had far reaching repercussions for the post 1940 governments Originally published to critical acclaim in Spanish the work has been quoted and reviewed by many leading specialists on the Civil War including Anthony Beevor Nigel Vias Santos Juliá and Pedro Pérez Herrero This book is essential reading for students and scholars specialising in contemporary European history and politics Latin American studies and all those with an interest in the Spanish Civil War and the Mexican Revolution

Historical Dictionary of the Spanish Civil War Francisco J. Romero Salvadó, 2013-03-14 The tragedy that devastated Spain for 33 months from July 1936 to April 1939 was first and foremost a brutal fratricidal conflict the product of the fatal clash between diametrically opposed views of Spain and an attempt to settle crucial issues which had divided Spaniards for generations agrarian reform recognition of the identity of the historical regions Catalonia the Basque Country and the roles of the Catholic Church and the armed forces in a modern state Being a war between Spaniards it was particularly brutal but it was also part of the broader move toward war in Europe and thus sucked in many volunteers from abroad And it left a deep imprint since General Francisco Franco remained at the helm of the country until his death in 1975 The *Historical Dictionary of the Spanish Civil War* covers the history of the war first through a long chronology which highlights the major steps from the incubation to the conclusion The overall situation is summed up in the introduction Then the dictionary section fleshes it out with over 600 entries on persons places events institutions battles and campaigns More reading can be found in an extensive bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Spanish Civil War

The Spanish Civil War Hugh Thomas, 2013-11-06 Mr Thomas has understood the Spanish Civil War incredibly well and has written it superbly A full vivid and deeply serious treatment of a great subject Vincent Sheean *The New York Times Book Review* A masterpiece of the historian's art Hugh Thomas's *The Spanish Civil War* remains the best most engrossing narrative of one of the most emblematic and misunderstood wars of the twentieth century Revised and updated with significant new material including new revelations about atrocities perpetrated

against civilians by both sides in this epic conflict this definitive work on the subject Richard Bernstein The New York Times has been given a fresh face forty years after its initial publication in 1961 In brilliant moving detail Thomas analyzes a devastating conflict in which the hopes dreams and dogmas of a century exploded onto the battlefield Like no other account The Spanish Civil War dramatically reassembles the events that led a European nation in a continent on the brink of world war to divide against itself bringing into play the machinations of Franco and Hitler the bloodshed of Guernica and the deeply inspiring heroics of those who rallied to the side of democracy Communists anarchists monarchists fascists socialists democrats the various forces of the Spanish Civil War composed a fabric of the twentieth century itself and Thomas masterfully weaves the diffuse and fascinating threads of the war together in a manner that has established the book as a genuine classic of modern history Stands without rivals as the most balanced and comprehensive book on the subject American Historical Review

The Stock Market Course George A. Fontanills, Tom Gentile, 2002-02-28 Avoid costly trading mistakes with this workbook that tests readers investment knowledge No one enters the stock market in the hopes that they may actually lose money on their investments Sadly most do Avoid expensive trading blunders with this hands on workbook designed to test readers investment savvy Developed by a popular stock trading instructor The Stock Market Course Workbook quizzes readers on their knowledge of the concepts presented in Fontanills s The Stock Market Course Because mistakes are costly in the stock market this accessible study guide provides readers with the opportunity to trade fake money before risking their real assets in the market The invaluable lessons learned in this workbook could save readers thousands of dollars in investment mistakes

The Spanish Civil Wars Mark Lawrence, 2017-02-09 CHOICE Outstanding Academic Title 2017 This book provides a comparative history of the domestic and international nature of Spain s First Carlist War 1833 40 and the Spanish Civil War 1936 39 as well as the impact of both conflicts The book demonstrates how and why Spain s struggle for liberty was won in the 1830s only for it to be lost one hundred years later It shows how both civil wars were world wars in miniature fought in part by foreign volunteers under the gaze and in the political consciousness of the outside world Prefaced by a short introduction The Spanish Civil Wars is arranged into two domestic and international sections each with three thematic chapters comparing each civil war in detail The main analytical perspectives are political social and new military history in nature but they also explore aspects of gender culture nationalism and separatism economy religion and especially the war in its international context The book integrates international archival research with the latest scholarship on both subjects and also includes a glossary a bibliography and several images It is a key resource tailored to the needs of students and scholars of modern Spain which offers an intriguing and original new perspective on the Spanish Civil War

The Structure of Brazilian Development Neuma Aguiar, 1979-01-01 Having experienced a period of crisis the young scholars included in this anthology provide evidence that critical periods can be favorable to the flourishing of the social sciences and that crises in society and the polity may provide new incentives for the profession The authors have used

the most critical period of Brazil's change from a liberal to an authoritarian government to further their training in Europe and the United States returning to their country to shed new light on past and current events They have adapted their training to a non liberal environment and combined local research with a universalistic orientation in their analyses of Brazilian social structure This book investigates the roles of the peasantry in Brazilian society past and present It describes the pact established between traditional rural elites and the central government which favored the previous populist style of urban politics but left unaltered the rural social structure In addition to analyzing the political trade offs between the traditional elite and the central government the authors focus on the class structure within which peasant leagues emerged The country's political development is analyzed through a bi polar political structure wherein populist and authoritarian regimes alternate in power Other aspects of the military government's impact are discussed through the use of public policy models aimed at analyzing the output of both liberal and authoritarian regimes Continuity between the current administration and previous authoritarian governments is shown as well as new developments such as changes in municipal taxation which allow for the emergence of new technical elites The increase in authoritarian legislation is discussed within this analytical framework as is the expansion of entrepreneurial activities This book brings together the analytical result of recent research by a distinguished group of young Brazilian social scientists It is the first book written in English about Brazil by Brazilians and as such represents an extremely important contribution to the literature An up to date selected bibliography on social science research in Brazil from 1960-77 is an essential reference point for all future undertakings Shepard Forman Department of Anthropology University of Michigan

What's the SP? Liam O'Brien, 2014-01-01 The most comprehensive reference book on betting on horse and greyhound betting on the market with over 500 cross referenced entries It explores the history systems theory law and slang associated with betting on racing as well as the scandals scams ringers and the huge array of unforgettable characters and audacious coups

The Spanish Civil War Burnett Bolloten, 2015-12-01 This monumental book offers a comprehensive history and analysis of Republican political life during the Spanish Civil War Completed by Burnett Bolloten just before his death in 1987 and first published in English in 1991 The Spanish Civil War is the culmination of fifty years of dedicated and painstaking research and is the most exhaustive study on the subject in any language It has been regarded as the authoritative political history of the war and an indispensable encyclopedic guide to Republican affairs during the Spanish conflict This new edition includes a new introduction by Spanish Civil War scholar George Esenwein an updated bibliography featuring books on the Spanish Civil War published since 1987 and seventy three photos of the war's participants

[The Spanish Civil War](#) George R. Esenwein, 2005-11-16 This exciting collection of primary sources on the Spanish Civil War uses military and political documents media accounts and contemporary propaganda to create a representative and illuminating survey of this enormously complicated event more than sixty five years after it ended Structured chronologically from a full introduction

which delineates the field this book ranges from the origins of the uprising against Franco through to its turbulent aftermath. It clearly outlines key points in the conflict and highlights the little known roles of race and gender in determining the war's outcome. The book also unearths many rare sources for the first time and reveals the variety of perspectives held by those immediately involved in the war. This is an ideal resource for all students of history and military history.

Coming of the Spanish Civil War Paul Preston, 2003-09-02. This classic text is made newly available in a substantially revised and updated second edition.

The Last Optimist Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Last Optimist has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Last Optimist has opened up a world of possibilities. Downloading The Last Optimist provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Last Optimist has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Last Optimist. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Last Optimist. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Last Optimist, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Last Optimist has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Last Optimist Books

1. Where can I buy The Last Optimist books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Last Optimist book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
