The Last Revolutionaries German Communists And Their Century:

The Last Revolutionaries Catherine Epstein, 2009-06-30 The Last Revolutionaries tells a story of unwavering political devotion it follows the lives of German communists across the tumultuous twentieth century Before 1945 German communists were political outcasts in the Weimar Republic and courageous resisters in Nazi Germany they also suffered Stalin's Great Purges and struggled through emigration in countries hostile to communism After World War II they became leaders of East Germany where they ran a dictatorial regime until they were swept out of power by the people's revolution of 1989 In a compelling collective biography Catherine Epstein conveys the hopes fears dreams and disappointments of a generation that lived their political commitment Focusing on eight individuals The Last Revolutionaries shows how political ideology drove people's lives Some of these communists including the East German leaders Walter Ulbricht and Erich Honecker enjoyed great personal success But others including the purge victims Franz Dähle and Karl Schirdewan experienced devastating losses And as the book demonstrates female and Jewish communists faced their own sets of difficulties in the movement to which they had given their all Drawing on previously inaccessible sources as well as extensive personal interviews Epstein offers an unparalleled portrait of the most enduring and influential generation of Central European communists In the service of their party these communists experienced solidarity and betrayal power and persecution sacrifice and reward triumph and defeat At once sordid and poignant theirs is the story of European communism from the heroic excitement of its youth to the bureaucratic authoritarianism of its middle age to the sorry debacle of its death

Revolutions in Modern German History Andrew G. Bonnell, 2025-05-29 Andrew G Bonnell's innovative survey examines the history of revolution in modern Germany by focusing on key revolutionary developments in the German states There is coverage of Germany and the French Revolution the 1848 revolutions the Industrial Revolution the 1918-19 revolution the Nazi revolution of 1933 the revolution from above in Eastern Germany 1945-49 and the revolution in East Germany in 1989-90 Revolutions in Modern German History sheds new light on the subject by stressing the continuity of conflicts between revolution and counter revolution in German history thereby restoring a sense of the dramatic social conflicts that punctuated the history of the country It also reveals the significance of wider European and transnational developments of revolutionary and counter revolutionary movements and events Bonnell even reconstructs a sense of the participants changing horizon of expectations during these events by looking in depth at the lives of men and women who lived and experienced these tumultuous times *Red at Heart* Elizabeth McGuire, 2018 From a debut author an intimate multigenerational narrative of the Russian and Chinese revolutions through the eyes of the Chinese youth who traveled to the Soviet Union and the fate of their blended offspring *Behind the Legends* John Heath, 2008 Stefan Heym's very beginnings as a writer were a direct response to the threat of Fascism and the mass veneration of Hitler and in his American exile he was to encounter the marketing and image machinery of capitalism and democratic politics After arriving in the GDR in the

wake of McCarthyism he was then confronted with the Stalin cult and the stark contradiction between the personality cult and the purported aims of the Communist vision This book examines Heym s response to a problem that did not die out with the collapse of the Soviet bloc and which he treated as a universal phenomenon and probes the extent to which he employed various publicity techniques to shape his own reception as a writer In this analysis of an often controversial figure the author draws on much uncovered archive material and places close readings in a broad context this is one of few studies that deal with Heym s career as a whole from his beginnings in the Weimar Republic and Czechoslovakia and his overnight success in America through to his eminence as an intellectual public figure in the GDR and the reunified Germany *Warsaw Pact Intervention in the Third World* Philip E. Muehlenbeck, Natalia Telepneva, 2018-05-04 It was long assumed that the Soviet Union dictated Warsaw Pact policy in Africa Asia the Middle East and Latin America known as the Third World during the Cold War Although the post 1991 opening of archives has demonstrated this to be untrue there has still been no holistic volume examining the topic in detail Such a comprehensive and nuanced treatment is virtually impossible for the individual scholar thanks to the linguistic and practical difficulties in satisfactorily covering all of the so called junior members of the Warsaw Pact This important book fills that void and examines the agency of these states Czechoslovakia the German Democratic Republic Poland Hungary Bulgaria and Romania and their international interactions during the discovery of the Third World from the 1950s to the 1970s Building upon recent scholarship and working from a diverse range of new archival sources contributors study the diplomacy of the eastern and central European communist states to reveal their myriad motivations and goals importantly often in direct conflict with Soviet directives This work the first revisionist review of the role of the junior members as a whole will be of interest to all scholars of the Cold War whatever their geographical focus

Revolution Enzo Traverso, 2024-04-30 Brilliant and beautiful Now this book exists it s hard to know how we did without it China Mi ville author of *October* A cultural and intellectual balance sheet of the twentieth century s age of revolutions This book reinterprets the history of nineteenth and twentieth century revolutions by composing a constellation of dialectical images Marx s locomotives of history Alexandra Kollontai s sexually liberated bodies Lenin s mummified body Auguste Blanqui s barricades and red flags the Paris Commune s demolition of the Vendome Column among several others It connects theories with the existential trajectories of the thinkers who elaborated them by sketching the diverse profiles of revolutionary intellectuals from Marx and Bakunin to Luxemburg and the Bolsheviks from Mao and Ho Chi Minh to Jos Carlos Mari tegui C L R James and other rebellious spirits from the South as outcasts and pariahs And finally it analyzes the entanglement between revolution and communism that so deeply shaped the history of the twentieth century This book thus merges ideas and representations by devoting an equal importance to theoretical and iconographic sources offering for our troubled present a new intellectual history of the revolutionary past **Germany at Fifty-five** James Sperling, 2004 Examining how the past has influenced current domestic and foreign policy in Germany this book explores topics such as the

unification of east and west the founding of the Berlin and Bonn republics the legacies of national socialism and how the unified Germany's political culture continues to evolve *Jewish Lives Under Communism* Katerina Capková, Kamil Kijek, 2022-07-15 This volume provides new groundbreaking views of Jewish life in the pro Soviet bloc from the end of the Second World War until the collapse of Communism in late 1989 by recovering and analyzing the agency of Jews and their creativity in Communist Europe after the Holocaust

Homecomings Frank Biess, 2021-07-13 This book focuses on one of the most visible and important consequences of total defeat in postwar Germany the return to East and West Germany of the two million German soldiers and POWs who spent an extended period in Soviet captivity These former prisoners made up a unique segment of German society They were both soldiers in the war of racial annihilation on the Eastern front and then suffered extensive hardship and deprivation themselves as prisoners of war The book examines the lingering consequences of the soldiers return and explores returnees own responses to a radically changed and divided homeland Historian Frank Biess traces the origins of the postwar period to the last years of the war when ordinary Germans began to face the prospect of impending defeat He then demonstrates parallel East and West German efforts to overcome the German loss by transforming returning POWs into ideal post totalitarian or antifascist citizens By exploring returnees troubled adjustment to the more private spheres of the workplace and the family the book stresses the limitations of these East and West German attempts to move beyond the war Based on a wide array of primary and secondary sources *Homecomings* combines the political history of reconstruction with the social history of returnees and the cultural history of war memories and gender identities It unearths important structural and functional similarities between German postwar societies which remained infused with the aftereffects of unprecedented violence loss and mass death long after the war was over

German Post-Socialist Memory Culture Amieke Bouma, 2025-10-01 After German unification former officers of the GDR state security service united with GDR professors and cultural managers to establish the East German Committee of Associations OKV On the basis of encompassing oral history into this complex web of interest organizations and memory clubs Bouma argues that these activists are driven by an epistemic nostalgia a longing for the time when their political understanding of the world was seemingly unchallenged Far from constituting a second life of the Stasi the main goal of OKV associations has been to validate the personal biographies of their activists against the now prevalent view that the GDR was a state of injustice While the OKV quickly adapted to the new legal procedures in post socialist Germany their staunch defence of the GDR heritage complicates their relation to SED successor party Die Linke and other radical left parties and associations even when they share practical goals Breaking new ground in the study of post socialist memory culture this book explains why former GDR cadres replicate GDR memory culture against their stigmatized status in unified Germany

The Global Revolution Silvio Pons, 2014-08-28 *The Global Revolution A History of International Communism 1917 1991* establishes a relationship between the history of communism and the main processes of globalization in the past century Drawing on a wealth of archival

sources Silvio Pons analyses the multifaceted and contradictory relationship between the Soviet Union and the international communist movement to show how communism played a major part in the formation of our modern world The volume presents the argument that during the age of wars from 1914 to 1945 the establishment of the Soviet state in Russia and the birth of the communist movement had an enormous impact because of their promise of world revolution and international civil war Such perspective appeared even more plausible in the aftermath of the Second World War and of revolution in China which paved the way for the expansion of communism in the post colonial world Communism challenged the West in the Cold War by means of anti capitalist modernization and anti imperialist mobilization showing itself to be a powerful factor in the politicization of global trends However the international legitimacy of communism declined rapidly in the post war era Soviet power exposed its inability to exercise hegemony as distinct from domination The consequences of Sovietization in Europe and the break between the Soviet Union and China were the primary reasons for the decline of communist influence and appeal Since communism lost its political credibility and cultural cohesion its global project had failed The ground was prepared for the devastating impact of Western globalization on communist regimes in Europe and the Soviet Union

Inside Party Headquarters Rüdiger Bergien, 2023-08-11 Everyday life in the East German Socialist Unity Party revolved heavily around maintaining the party line in all areas of society whether through direct authority or corruption Spanning a long period of the GDR s history from 1946 through 1989 Rüdiger Bergien presents the first study that examines the complexities of the central party s communist apparatus He focuses on their role as ideological watchdogs as they fostered an underbelly and inner life for their employees to integrate the party s pillars throughout East German society *Inside Party Headquarters* reviews not only the party s modes power and state interaction but also the processes of negotiation and disputation preceding formal Politburo decisions advancing the available detail and discourse surrounding this formative and volatile stretch of German history

Between Containment and Rollback Christian F. Ostermann, 2021-04-27 In the aftermath of World War II American policymakers turned to the task of rebuilding Europe while keeping communism at bay In Germany formally divided since 1949 the United States prioritized the political economic and eventually military integration of the fledgling Federal Republic with the West The extraordinary success story of forging this alliance has dominated our historical understanding of the American German relationship Largely left out of the grand narrative of American German relations were most East Germans who found themselves caught under Soviet and then communist control by the post 1945 geo political fallout of the war that Nazi Germany had launched They were the ones who most dearly paid the price for the country s division This book writes the East Germans both leadership and general populace back into that history as objects of American policy and as historical agents in their own right Based on recently declassified documents from American Russian and German archives this book demonstrates that U S efforts from 1945 to 1953 went beyond building a prosperous democracy in western Germany and containing Soviet Communist power to the east Under the Truman

and then the Eisenhower administration's American policy also included efforts to undermine and roll back Soviet and German communist control in the eastern part of the country. This story sheds light on a darker side to the American Cold War in Germany: propaganda, covert operations, economic pressure, and psychological warfare. Christian F. Ostermann takes an international history approach, capturing Soviet and East German responses and actions and drawing a rich and complex picture of the early East-West confrontation in the heart of Europe. 1989 Mary Elise Sarotte, 2014-10-19 How the political events of 1989 shaped Europe after the Cold War. 1989 explores the momentous events following the fall of the Berlin Wall and the effects they have had on our world ever since. Based on documents, interviews, and television broadcasts from Washington, London, Paris, Bonn, Berlin, Warsaw, Moscow, and a dozen other locations, 1989 describes how Germany unified, NATO expansion began, and Russia got left on the periphery of the new Europe. This updated edition contains a new afterword with the most recent evidence on the 1990 origins of NATO's post-Cold War expansion. **Reframing Antifascism** J. Sayner, 2013-11-14 Greta Kuckhoff belonged to the anti-Nazi group The Red Orchestra. She survived the War and spent the next thirty years working to commemorate their resistance. Using previously unpublished sources, this book traces the interventions of this key figure and raises provocative questions about remembering antifascism in contemporary Germany. *Life Stories from the German Democratic Republic* Chris Weedon, 2023-08-28 More than thirty years after German reunification, *Life Stories from the German Democratic Republic* addresses how life in the GDR is remembered, thereby enriching and complexifying the narratives of East German life found in public history, museums, tourist venues, film, media, and popular fiction. The frequent stress on material lack, social restrictions, and the repressive state is expanded and reconfigured by interviewees who variously both challenge and confirm widespread assumptions about what it meant to live in the GDR. Aimed at a wide readership, this book gives English-speaking readers access to varied and detailed accounts of everyday life, individual engagement with state institutions, and different views of GDR politics, society, and culture. Family Betrayal David Burke, 2021-05-25 In 1933 the celebrated German economist Robert Kuczynski and his wife Berta arrived in Britain as refugees from Nazism, followed shortly afterwards by their six children. Jürgen, known to be a leading Communist, was an object of considerable concern to MI5, while Ursula, codenamed Sonya, was a colonel in Russia's Red Army who had spied on the Japanese in Manchuria. MI5 also kept extensive files on their four sisters: Brigitte, Barbara, Sabine, and Renate. During the crucial early stages of the Cold War, members of the Kuczynski family proved to be prime Soviet assets, as enablers and agents of influence. In Britain, Ursula controlled the spies Klaus Fuchs and Melita Norwood, without whom the Soviet atomic bomb would have been delayed for at least five years. Drawing on newly released files, Agent Sonya, MI5, and the Kuczynski Network reveals the operations of a network at the heart of Soviet intelligence in Britain. Over seventy years of espionage activity, the Kuczynskis and their associates gained access to high-ranking officials in the government, civil service, and justice system. For the first time, acclaimed historian David Burke tells the whole story of one of the most accomplished

spy rings in history **Stalinist Terror in Eastern Europe** Kevin McDermott, Matthew Stibbe, 2024-06-04 This wide ranging collection of essays newly available in paperback is the first book in English to examine the impact of Stalinist terror on Eastern Europe in the years 1940 to 1956 Covering the Baltic states Moldavia East Germany Poland Czechoslovakia Hungary Romania Yugoslavia Bulgaria and Albania the authors investigate terror both from above in the form of elite purges and show trials and from below in the guise of large scale arrests and deportations of ordinary people Key questions addressed include the relative importance of Soviet influence versus local factors the persecution of particular groups such as kulaks church leaders the middle class intelligentsia and members of non communist left wing parties cases where repression was more or conversely less intense than elsewhere and the relevance of key events such as the Tito Stalin split of 1948 the Rajk trial of 1949 and the Slansk trial of 1952 *Written in Red* Gina Herrmann, 2010 The first major study of the profound impact of international communist politics and culture on Spanish letters **Outside the "Comfort Zone"** Tatiana Klepikova, Lukas Raabe, 2020-07-06 Traditionally privacy studies have focused on the liberal democratic societies of the global West whereas non democratic contexts have played a marginal role in the discussion of the private and public spheres not in the least because of the political stances of the Cold War era This volume offers explorations of highly diversified performances and discourses of privacy by various actors which were embedded into the culturally economically and politically specific constructions of late socialism in individual states of the Warsaw Pact While the experience of socialism varied across the Bloc there were also some reactions to socialism and some reverse responses of socialist regimes to these reactions that one can trace through all states Contributions to this volume take us across the Eastern Bloc and beyond it from the Soviet Union into late socialist Poland Romania and East and West Germany While looking at specific countries they provide a glimpse into a broader perspective that reaches beyond the borders of individual late socialist states Together these articles document a palette of paradigms of the construction and transformation of the private spheres that overcame the national borders of individual states and left an imprint across the Eastern Bloc thereby contributing to rethinking Cold War rhetoric in regard to these states

The Last Revolutionaries German Communists And Their Century Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Last Revolutionaries German Communists And Their Century has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Last Revolutionaries German Communists And Their Century has opened up a world of possibilities. Downloading The Last Revolutionaries German Communists And Their Century provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Last Revolutionaries German Communists And Their Century has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Last Revolutionaries German Communists And Their Century. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Last Revolutionaries German Communists And Their Century. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Last Revolutionaries German Communists And Their Century, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Last Revolutionaries German Communists And Their Century has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Last Revolutionaries German Communists And Their Century Books

What is a The Last Revolutionaries German Communists And Their Century PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Last Revolutionaries German Communists And Their Century PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Last Revolutionaries German Communists And Their Century PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Last Revolutionaries German Communists And Their Century PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Last Revolutionaries German Communists And Their Century PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
