The Last Time I Was Here

The Last Time I Was Here:

I Was Here Gayle Forman, 2015-01-27 Cody and Meg were inseparable Until they weren't When her best friend Meg drinks a bottle of industrial strength cleaner alone in a motel room Cody is understandably shocked and devastated She and Meg shared everything so how was there no warning But when Cody travels to Meg's college town to pack up the belongings left behind she discovers that there's a lot that Meg never told her About her old roommates the sort of people Cody never would have met in her dead end small town in Washington About Ben McAllister the boy with a guitar and a sneer and some secrets of his own And about an encrypted computer file that Cody can't open until she does and suddenly everything Cody thought she knew about her best friend's death gets thrown into question I Was Here is a pitch perfect blend of mystery tragedy and romance Gayle Forman has given us an unflinchingly honest portrait of the bravery that it takes to live after devastating loss Stephen Chbosky author of the 1 New York Times bestselling *The Perks of Being a Wallflower* **Wish I**

Was Here M. John Harrison, 2025-09-30 One of our greatest and most original living writers sets out the perils of the writing life with joyful provocation in this anti memoir M John Harrison has produced one of the greatest bodies of fiction of any living British author encompassing space opera speculative fiction fantasy and magical and literary realism But is there even an M John Harrison and if so where do we find him This is the question the author asks in this memoir as mystery turning for clues to forty years of notetaking A note or it never happened A note or you never looked Are these notebooks records of failed presence How do they shine a light on a childhood in the industrial Midlands a portrait of a young artist in counterculture London on an adulthood of restless escape into hill and moorland landscapes And do they tell us anything about the writing of books each one so different from the last that it might have been written by another version of the author With aphoristic daring and laconic wit this anti memoir will fascinate and delight It confirms M John Harrison still further in his status as the most original British writer of his generation There I Was: Here I Am Christine

Ball, 2017-11-17 I started to write this book during a time when my mind and body were at its weakest when I could only live from one hour to the next I was living with addictions and the pain and trauma that no mother should have to endure after the tragic and sudden loss of my beautiful son Naylor It was self help that started me on a journey to recovery and eventually I learned to channel my mind body and soul This book also gives an insight to the life of a little boy growing into a man while battling grief for his father and struggling to live his dream I wrote this book from my heart I relived every word and it wasn't easy I am from the Romany culture and so I found it hard to put my private life in black and white for everyone to read but doing this has enabled me to help so many others My book is raw but honest and I know that it will help anyone who is also going through unbearable emotional pain to know that they are never alone *The Schwa was Here* Neal

Shusterman, 2006-03-02 They say his clothes blend into the background no matter where he stands They say a lot of things about the Schwa but one thing's for sure no one ever noticed him Except me My name is Antsy Bonano and I was the one

who realized the Schwa was functionally invisible and used him to make some big bucks But I was also the one who caused him more grief than a friend should So if you all just shut up and listen I ll tell you everything there is to know about the Schwa from how he got his name to what really happened with his mom I ll spill everything Unless of course the Schwa Effect wipes him out of my brain before I m done

So when the image of baby Jesus appears on a Babybel cheese wheel she's not buying the idea that God's got a dairy obsession Soon religious signs begin turning up all over Del's hometown tiny Clemency Texas Overnight news vans fill the streets and religious pilgrims start searching for God in the discount aisle of the grocery store Hell bent on proving the so called miracles are fake Del convinces her best friend Gabe to help her find the truth While Gabe's willing to play detective as a preacher's son he's more interested in finding evidence that supports the miracles But when the whole town becomes caught up in religious fervor and even the late night talk show hosts have stopped laughing and started to believe finding the truth might cause more trouble than Del can handle This novel is neither pro nor anti religion and will appeal to fans of contemporary YA novels that explore deep themes with an element of humor The voice and characters are funny strong and full of heart This is a book for anyone who loved **Saved** **When Haru Was Here** Dustin Thao,2024-09-03 From the New York Times bestselling author Dustin Thao We Are Okay meets Wandavision in this novel about loss and learning to let go After the death of his best friend Eric Ly creates imaginary scenarios in his head to deal with his grief Until one of them becomes real when a boy he met last summer in Japan finds his way back into his life When he least expects it Haru Tanaka walks into the coffee shop and sits down next to him The only thing is nobody else can see him In a magical turn of events Eric suddenly has someone to connect with making him feel less alone in the world But as they spend more and more time together he begins to question what is real When he starts losing control of the very thing that is holding him together Eric must finally confront his reality Even if it means losing Haru forever **MARINES** Chuck Mansfield,2023-10-29 The history and lore of the United States Marine Corps are likely unmatched Steeped in the rich history and tradition of the Corps since its founding in 1775 this book focuses on more recent history specifically the author's experiences as a young Marine in the 1960s including his tour of duty in Vietnam It also includes biographical profiles of more than 100 other Marines who fought in Vietnam or other conflicts Most of those profiled are Marines with whom the author served or has come to know since his active military service The 30th Marine Commandant General Carl Mundy has written Few who have borne the title United States Marine fail to identify with it throughout their entire lives Marines are as Shakespeare has written We few we happy few we band of brothers And brothers are members of a family This family is The few The proud The Marines **I Was Born There, I Was Born Here** Mur'd Bargh'th?,2012-01-01 A moving and revelatory Palestinian memoir by the author of I Saw Ramallah **Kara Was Here** William Conescu,2013-10-21 Brad Mitchell's life is falling apart His marriage is in limbo The woman he thought he would marry Kara died from an overdose An old friend keeps trying to convince him that Kara was actually murdered And he has started to see double Literally When Kara or rather her ghost returns to Brad his past and present blur into a fog Kara Was Here tells the story of a failed actress whose life and sudden death are only partially understood her teenage sister Gwen who starts taking dangerous steps into Kara's secret world Kara's college friend Margot who went from being the football team's sexy secret weapon to the solitary proprietress of a baked goods business and Kara
