**A Fatal Attachment** Robert Barnard, 2013-04-09 A celebrity scholar in a small village tears her nephews from their immediate family and raises them in an atmosphere of cruelty As old Lydia Perceval plans to destroy yet another group of impressionable young children's love for their parents the list of those who would have her die grows longer

*Researching World War I* Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe

had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter s opening chapter covers the controversial issue of the war s origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver s final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature     The History and Politics of Exhumation Michael L. Nash,2019-10-21 This book argues that a serious scholarly study on exhumation is long overdue Examining more well known cases such as that of Richard III the Romanovs and Tutankhamen alongside the more obscure Michael Nash explores the motivations beyond exhumation from retribution to repatriation Along the way he explores the influence of Gothic fiction in the eighteenth century the notoriety of the Ressurrection Men in the nineteenth century and the archeological heyday of the twentieth century
