**Thoreau, the Poet-naturalist** William Ellery Channing,1902      The Youth's Companion ,1918 Includes songs for solo voice with piano accompaniment      Difficult Run James Osterhaus,2025-04-30 James Osterhaus draws readers into the simple life of Joe Thompson who is struggling to know what happened to him twenty years before during the Civil War When he tries to remember the shadows descend and cloud out his memories The story opens with a dream that has terrified him since the war some unnamed battlefield where he is crawling through the smoking underbrush trying not to get shot After his wife has finally had enough of his abuse she kicks him out of their house along Difficult Run and he moves to Alexandria where a kindly uncle takes him in He then begins his quest to find out just what happened to himself and his three friends As he is drawn into the jaws of the terrible conflict the more disturbing the revelations become He has a talisman actually half a carving of an oak tree that he carries everywhere around his neck on a chain But he can t remember where it came from or what it symbolizes It seems to have some strange power over him He interviews several generals and a few veterans to get some perspective on the war and jog his memory Finally he learns the awful truth of what had happened and how he was responsible At last he comes to peace on the banks of Difficult Run when he is able to fashion two tombstones for his brother and his girlfriend after he has learned of their fate and the role he played in their lives and deaths      **Exploring Kansas Highways** Michael Heim,2007      *Reptiles of Ecuador* Alejandro Arteaga,2024-07-17 The Reptiles of Ecuador book is a comprehensive monographic catalogue about every single one of Ecuador s 494 non avian reptiles This updated field guide is designed to be used primarily as a tool to identify species in the field and is written so that it can be easily understood by any reader It includes photographs illustrations and distribution maps covering all reptiles in the country It also summarizes novel as well as historical information about each species and presents it in the form of individual accounts Each account includes the following sections names recognition natural history distribution conservation etymology see it in the wild and references      *Youth's Companion* ,1918      *Herpetological Osteopathology* Bruce M. Rothschild,Hans-Peter Schultze,Rodrigo Pellegrini,2012-01-05 As scientific analysis of testable hypotheses has replaced the speculative approach to study of bone disease in recent and fossil amphibians and reptiles the field has advanced from simply reporting observations to analyzing their implications This process is predicated upon a reproducible data base which explains diagnoses the nature of bony alterations and a secure review of the literature Thereby hangs the rub The herpetological literature are difficult to access let alone read and are scattered through many prominent and eclectic journals and in the lay literature While older diagnoses often have not stood the test of time the clarity of report descriptions usually allows confident identification of the

underlying pathology      **Take to the Trees** Marguerite Holloway, 2025-05-13 One of Heatmap's Climate Books to Read in 2025 An empowering journey into the overstory with the arborists and forest experts safeguarding our iconic trees Journalist Marguerite Holloway arrives at the Women's Tree Climbing Workshop as a climbing novice but with a passion for trees and a deep concern about their future Run by twin sister tree doctors Bear LeVangie and Melissa LeVangie Ingersoll the workshop helps people from everyday tree lovers to women arborists working in a largely male industry develop impressive technical skills and ascend into the canopy As Holloway tackles unfamiliar equipment and dizzying heights she learns about the science of trees and tells the stories of charismatic species including hemlock aspen Atlantic white cedar oak and beech She spotlights experts who are chronicling the great dying that is underway in forests around the world as trees face simultaneous and accelerating threats from drought heat floods disease and other disruptions As she climbs Holloway also comes to understand the profound significance of trees in her relationship with her late mother and brother The book's rousing final chapter offers something new a grander environmental and arboreal optimism in which the story of trees and their resilience meshes with that of people working to steward the forests of the future and of community found among fellow tree climbers A lyrical work of memoir and reportage Take to the Trees sounds the alarm about rapid arboreal decline while also offering hope about how we might care for our forests and ourselves      **The Lion of Round Top** Hans G.

Myers, 2022-05-11 This military biography clearly and informatively rescues from an undeserved obscurity one of the Union's key commanders at the battle of Gettysburg Midwest Book Review Citizen soldier Strong Vincent was many things Harvard graduate lawyer political speaker descendent of pilgrims and religious refugees husband father brother But his greatest contribution to history is as the savior of the Federal left flank on the second day at Gettysburg when he and his men held Little Round Top against overwhelming Confederate numbers Forgotten by history in favor of his subordinate Joshua Lawrence Chamberlain Vincent has faded into relative obscurity in the decades since his death This book restores Vincent to his rightful place among the heroes of the battle of Gettysburg presenting his life story using new never before published sources and archival material to bring the story of one of the most forgotten officers of the American Civil War back to the attention of readers and historians This is a well researched and well written book and the author makes a strong case for Colonel Vincent's essential role in the union victory at Gettysburg The Journal of America's Military Past Erie Pennsylvania historian Hans G Myers brings to life an overlooked Gettysburg hero a good well researched biography certainly worth the read Maine at War Readers of battle history in particular the voluminous literature on Gettysburg will find interest in both the short life of Strong Vincent and the hereto unheralded role his decisions played in saving the Federal left flank at Little Round Top Journal of Military History      **Nature Fast and Nature Slow** Nicholas P. Money, 2021-04-15 This book is a vision of biology set within the entire timescale of the universe It is about the timing of life from microsecond movements to evolutionary changes over millions of years Human consciousness is riveted to seconds but a split second time delay in

perception means that we are unaware of anything until it has already happened We live in the very recent past Over longer timescales this book examines the lifespans of the oldest organisms prospects for human life extension the evolution of whales and turtles and the explosive beginning of life four billion years ago With its poetry social commentary and humor this book will appeal to everyone interested in the natural world     A Naturalist in the Great Lakes Region Elliot Rowland Downing, 1922
