Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate

nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1900 **Intergenerational Solidarity in Children's Literature and Film** Justyna Deszcz-Tryhubczak,Zoe Jaques,2021-02-01 Winner of the 2023 Edited Book Award from the International Research Society for Children's Literature Contributions by Aneesh Barai Clementine Beauvais Justyna Deszcz Tryhubczak Terri Doughty Aneta Dybska Blanka Grzegorzczuk Zoe Jaques Vanessa Joosen Maria Nikolajeva Marek Oziewicz Ashley N Reese Malini Roy Sabine Steels Lucy Stone Björn Sundmark Michelle Superle Nozomi Uematsu Anastasia Ulanowicz Helma van Lierop Debrauwer and Jean Webb Intergenerational solidarity is a vital element of societal relationships that ensures survival of humanity It connects generations fostering transfer of common values cumulative knowledge experience and culture essential to human development In the face of global aging changing family structures family separations economic insecurity and political trends pitting young and old against each other intergenerational solidarity is now more than ever a pressing need Intergenerational Solidarity in Children's Literature and Film argues that productions for young audiences can stimulate intellectual and emotional connections between generations by representing intergenerational solidarity For example one essayist focuses on Disney films which have shown a long time commitment to variously highlighting and then conservatively healing fissures between generations However Disney Pixar's Up and Coco instead portray intergenerational alliances young collaborating with old the living working alongside the dead as necessary to achieving goals The collection also testifies to the cultural social and political significance of children's culture in the development of generational intelligence and empathy towards age others and positions the field of children's literature studies as a site of intergenerational solidarity opening possibilities for a new socially consequential inquiry into the culture of childhood Evaluating and Promoting Nonfiction for Children and Young Adults Don Latham,2025-01-07

Evaluating and Promoting Nonfiction for Children and Young Adults isn't another bibliography that will quickly become outdated. Instead, it situates nonfiction resources within the recent emphasis on reading nonfiction as a way of enhancing critical thinking and combating susceptibility to fake news. Donald Latham offers strategies for evaluating nonfiction for the purposes of collection development, providing readers advisory and developing programs using nonfiction for children and young adults. The book includes lists of professional resources as well as recommended nonfiction titles.

Geographies of Girlhood in US Latina Writing Andrea Fernández-García, 2019-12-20 This book is an in-depth study of Latina girls portrayed in five coming-of-age narratives by using spaces and places as hermeneutical tools. The texts under study here are Julia Alvarez's *Return to Sender* (2009), Norma E. Cant's *Canícula: Snapshots of a Girlhood in la Frontera* (1995), Mary Helen Ponce's *Hoyt Street: An Autobiography* (1993), and Esmeralda Santiago's *When I Was Puerto Rican* (1993) and *Almost a Woman* (1998). Unlike most representations of Latina girls, which are characterized by cultural inaccuracies, tropes of exoticism, and a tendency to associate the host society with modernity and their girls' cultures of origin with backwardness and oppression, these texts contribute to reimagining the social differently from what the dominant imagery offers. By illustrating the vexing phenomena the characters have to negotiate on a daily basis, such as racism, sexism, and displacement, these narratives open avenues for a critical exploration of the legacies of colonial modernity. This book therefore not only enables an analysis of how the girls' development is shaped by these structures of power but also shows how such legacies are reversed as the characters negotiate their identities. It breaks with the longstanding characterization of young people and especially Latina girls as voiceless and deprived of agency, showing readers that this youth group also has say in controlling their lifeworlds.
