Absolute War Chris Bellamy,2008-11-26 In Absolute War acclaimed historian and journalist Chris Bellamy crafts the first full account since the fall of the Soviet Union of World War II s battle on the Eastern Front one of the deadliest conflicts in history The conflict on the Eastern Front fought between the Soviet Union and Nazi Germany between 1941 and 1945 was the greatest most costly and most brutal conflict on land in human history It was arguably the single most decisive factor of the war and shaped the postwar world as we know it In this magisterial work Bellamy outlines the lead up to the war in

which the fragile alliance between the two dictators was unceremoniously broken and examines its far reaching consequences arguing that the cost of victory was ultimately too much for the Soviet Union to bear With breadth of scope and a surfeit of new information this is the definitive history of a conflict whose reverberations are still felt today

American Sniper Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The 1 New York Times bestselling memoir of U S Navy SEAL Chris Kyle and the source for Clint Eastwood's blockbuster Academy Award nominated movie An amazingly detailed account of fighting in Iraq a humanizing brave story that's extremely readable PATRICIA CORNWELL New York Times Book Review Jaw dropping Undeniably riveting RICHARD ROEPER Chicago Sun Times From 1999 to 2009 U S Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history His fellow American warriors whom he protected with deadly precision from rooftops and stealth positions during the Iraq War called him The Legend meanwhile the enemy feared him so much they named him al Shaitan the devil and placed a bounty on his head Kyle who was tragically killed in 2013 writes honestly about the pain of war including the deaths of two close SEAL teammates and in moving first person passages throughout his wife Taya speaks openly about the strains of war on their family as well as on Chris Gripping and unforgettable Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time

The Rifle Musket in Civil War Combat Earl J. Hess, 2016-07-11 The Civil War's single shot muzzle loading musket revolutionized warfare or so we've been told for years Noted historian Earl J Hess forcefully challenges that claim offering a new clear eyed and convincing assessment of the rifle musket's actual performance on the battlefield and its impact on the course of the Civil War Many contemporaries were impressed with the new weapon's increased range of 500 yards compared to the smoothbore musket's range of 100 yards and assumed that the rifle was a major factor in prolonging the Civil War Historians have also assumed that the weapon dramatically increased casualty rates made decisive victories rare and relegated cavalry and artillery to far lesser roles than they played in smoothbore battles Hess presents a completely new assessment of the rifle musket contending that its impact was much more limited than previously supposed and was confined primarily to marginal operations such as skirmishing and sniping He argues further that its potential to alter battle line operations was virtually nullified by inadequate training soldiers preference for short range firing and the difficulty of seeing the enemy at a distance He notes that bullets fired from the new musket followed a parabolic trajectory unlike those fired from smoothbores at mid range those rifle balls flew well above the enemy creating two killing zones between which troops could operate untouched He also presents the most complete discussion to date of the development of skirmishing and sniping in the Civil War Drawing upon the observations and reflections of the soldiers themselves Hess offers the most compelling argument yet made regarding the actual use of the rifle musket and its influence on Civil War combat Engagingly written and meticulously researched his book will be of special interest to Civil War scholars buffs re-enactors and gun enthusiasts alike

Walter,2020-11-12 The Sniper Encyclopaedia is an indispensable alphabetical topic by topic guide to a fascinating subject It is intended as a companion volume to John Walter s Snipers at War Greenhill Books 2017 and is another addition to the Greenhill Sniper Library which includes a series of first person memoirs This is a comprehensive work that covers virtually every aspect of sniping The work contains personal details of hundreds of snipers including world renowned gurus such as Vasilii Zaytsev and Chris Kyle as well as many crack shots generally overlooked by history Among them are some of more than a thousand Red Army snipers men and a surprising number of women who amassed sufficient kills to be awarded the Medal for Courage and later the Order of Glory Some of the best known victims of snipers are identified and the veracity of some of the most popular myths is explored The book pays special attention to the history and development of the many specialist sniper rifles some more successful than others that have served the world s armies since the American Wars of the nineteenth century to today s technology based conflicts Attention too is paid to the progress made with ammunition without which of course precision shooting would be impossible and the development of aids and accessories from camouflage clothing to laser rangefinders Finally The Sniper Encyclopaedia examines place and specific campaigns the way marksmen have influenced the course of the individual battles and locations which have played a crucial part in the history of sniping from individual sites to sniper schools and training grounds The book contains authors biographies a critical assessment of the many books and memoirs from the world of the sniper and a guide to research techniques *Inside the Crosshairs* Col. Michael Lee Lanning,2013-06-19 The American sniper could be regarded as the greatest all around rifleman the world has ever known At the start of the war in Vietnam the United States had no snipers by the end of the war Marine and army precision marksmen had killed more than 10 000 NVA and VC soldiers the equivalent of an entire division at the cost of under 20 000 bullets proving that long range shooters still had a place in the battlefield Now noted military historian Michael Lee Lanning shows how U S snipers in Vietnam combining modern technology in weapons ammunition and telescopes used the experience and traditions of centuries of expert shooters to perfect their craft To provide insight into the use of American snipers in Vietnam Lanning interviewed men with combat trigger time as well as their instructors the founders of the Marine and U S Army sniper programs and the generals to whom they reported Backed by hard information and firsthand accounts the author demonstrates how the skills these one shot killers honed in the jungles of Vietnam provided an indelible legacy that helped save American lives in Grenada the Gulf War and Somalia and continues to this day with American troops in Bosnia Red Sniper on the Eastern Front Joseph Pilyushin,2010-03-19 A gripping memoir of a Soviet sniper who fought against the Nazis during the siege of Leningrad and throughout World War II Joseph Pilyushin a top Red Army sniper in the ruthless fight against the Germans on the Eastern Front was an exceptional soldier His first hand account of his wartime service gives a graphic insight into his lethal skill with a rifle and into the desperate fight put up by Soviet forces to defend Leningrad Pilyushin who lived in Leningrad with his family was already 35 years old when the war broke out and he was

drafted He started in the Red Army as a scout but once he had demonstrated his marksmanship and steady nerve he became a sniper He served throughout the Leningrad siege from the late 1941 when the Wehrmacht s advance was halted just short of the city to its liberation during the Soviet offensive of 1944 His descriptions of grueling front line life of his fellow soldiers and of his sniping missions are balanced by his vivid recollections of the protracted suffering of Leningrad s imprisoned population and of the grief that was visited upon him and his family His narrative will be fascinating reading for anyone eager to learn about the role and technique of the sniper during the Second World War It is also a memorable eyewitness account of one man s experience on the Eastern Front

Sniper At War Introduction

In today's digital age, the availability of Sniper At War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sniper At War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sniper At War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sniper At War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sniper At War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sniper At War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sniper At War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sniper At War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sniper At War books and manuals for download and embark on your journey of knowledge?
