Exploring the phenomenon of Femslash fanfiction fan narratives that bring together heterosexual female characters from mainstream media and fiction this book analyses fan authored works as forms of literature worthy of studying at length It examines the anti racist feminist sapphic fan works produced in response to white supremacist heteronormative queerbaiting mainstream fantasy and argues that they represent a significant site of queer healing for marginalised audience members Focusing on the Swan Queen fandom where fans pair the white trash heroine Emma Swan and the villainous Latina Evil Queen Regina Mills from ABC s hit show Once Upon a Time Alice Kelly redresses the widespread academic neglect of queer female fandoms and responds to urgent calls to diversify fan and fantasy scholarship With reference to complex theoretical subjects such as ethnography sociology psychology and decolonial queer film and media studies the book also delves into the alternative timescales on which queer female and genderqueer fan authorship runs offers intriguing insights into fanfiction narrative structures and tackles the issues of broader fandom representation and contextualization Making the case that fan texts deserve attention in the academy Kelly shows how some of the most prolific fan works have the ability to enact colour reparation and a reclamation of memory fantasy romance maternity childhood parenting and magic These fictions serve fan communities as a whole through intersectional challenges to the power dynamics of the source text and within the fandom itself and as the book demonstrates offer attendant validation to fantasy fans who have been repeatedly told that the genre is not for them

**Princess Stories** ,2004-08-05 An illustrated collection of stories about princesses *Because It Works!* Glenda Baker,2008-04-17

Do you like my story Did I write my personal essay right What do you think of my poem Why is my work being rejected If youre asking these questions and not getting helpful constructive answers try asking the only question that Glenda Baker and the editors of New England Writers Network ask does it work Because It Works is a compilation of over 40 articles and exercises on the elements of writing fiction personal essays and poetry Originally published in NEWN magazine these articles are designed to help you determine if your writing worksand if it doesnt how you can make it work Because it Works shows you 8 ways to characterize

When not to use description Point of view simplified What to show what to tell The 10 dialogue commandments How and where to begin How to prop up the sagging middle The 8 awful endings You'll also learn how to critique and be critiqued the writing process will be demystified and you'll understand that writers block is not a writing problem [www.newnmag.net](http://www.newnmag.net) I've just read your article on point of view WOW Clear concise to the point and in no way confusing this is the best and easiest explanation I've seen Arline Chase author and instructor for Writers Digest School Heterosexual Plots and Lesbian Narratives Marilyn Farwell, 1996-01-01 What is lesbian literature Must it contain overtly lesbian characters and portray them in a positive light Must the author be overtly or covertly lesbian Does there have to be a lesbian theme and must it be politically acceptable Marilyn Farwell here examines the work of such writers as Adrienne Rich Marion Zimmer Bradley Jeanette Winterson Gloria Naylor and Marilyn Hacker to address these questions Dividing their writings into two genres the romantic story and the heroic or quest story Farwell addresses some of the most problematic issues at the intersection of literature sex gender and postmodernism Illustrating how the generational conflict between the lesbian feminists of twenty years ago and the queer theorists of today stokes the critical fires of contemporary lesbian and literary theory Heterosexual Plots and Lesbian Narratives concludes by arguing for a broad and generous definition of lesbian writing *At A Loss For Words* Betty Bardige, 2011-02-07 Drawing on the latest research on development among toddlers and preschoolers *At a Loss for Words* lays out the importance of getting parents policy makers and child care providers to recognize the role of early literacy skills in reducing the achievement gap that begins before three years of age Readers are guided through home and classroom settings that promote language contrasting them with the merely mediocre child care settings in which more and more young children spend increasing amounts of time Too many of our young children are not receiving the level of input and practice that will enable them to acquire language skills the key to success in school and life Bardige explains how to build better community support systems for children and better public education in order to ensure that toddlers learn the power of language from their families and teachers Once Upon a Time in Facilities Management Patricia McCarroll, John Hassard, 2024-09-23 What would the world of work look like if interpreted through the lens of the fairytale To answer this question *Once Upon a Time in Facilities Management* explores storied spaces and metaphorical archetypes in the study of business management and organization At its core the authors offer a diagnostic approach for the study of work organization that links management theory storytelling and the business imaginary An important empirical focus is also included that explores a business service rarely studied in the management literature Facilities Management FM a secondary service of non core and increasingly outsourced organizational functions An in depth appreciation of FM is provided that assesses the people practices and processes of the service in a study that also highlights the characteristic liminality of the sector's professional activities Emphasis is placed on illuminating the storytelling nature of the service using primarily the genre of fairytales to identify representational archetypes including queen shadow sage trickster adventurer and eternal child within

FM s storied space In the process three central characters essentially modes of FM delivery are identified the professional consultant the external service provider and the in house function with these forming the structural basis of fairytales explaining the culture and symbolism of FM as a business service The authors conclude by extrapolating findings from the study to inform a discussion of the contributions of folkloric analysis to organization theory explicitly and our understanding of business and management practice more widely
