

SO YOU DON'T BELIEVE JESUS IS GOD

A LETTER FROM ONE OF MY SUBSCRIBERS

BY WATCHMAN DEAN

JULY 21, 2012

I received a letter from one of my subscribers at Scribd.com back in 2011. I did not know the message was there because Scribd does not have a "message alerting" system in place. (I honestly did not know that so I never check my message box). When I tried to answer the letter today (almost a year later) the CAPTCHA system would not work. I made ten different attempts and every time I failed and was given a new message. I then tried to use the "AUDIO" challenge instead and what a challenge it was. It was several minutes of incoherent nonsensical sounds from a computer voice, you couldn't make out one single word. So, I shall instead answer this letter as a published article, because MUCH of the questions sent to me by this individual are common questions that trinitarians have for someone who preaches what I preach.

THE LETTER AS IT WAS RECEIVED

Hi Jeffrey. So, you don't believe Jesus is God? Are you a Mormon or a Jehovah's Witness?

Children of a Lost God Johnny L. Scotton,2015-09-23 I used to fly fighter planes for Uncle Sams misguided children thats the USMC for any of yall uninitiated Now I fl y for civilian airlineslots less exciting but lots mo pay and for the most part lots less danger That is until somebody confused me with somebody else somebody who could give a damn Then again confusion adds an addicting quality when the addition of others adds up to a whole damn mess Oh and did I forget to mention that unleashing the four horsemen of the apocalypse thing How they aint coming for dinner Nothing So Absurd Phillip Hoffmann,2003-09-02 Written in clear non technical language Nothing So Absurd is a succinct and accessible introduction to topics in the history of Western philosophy In seven concise chapters the author introduces the reader to the central topics within the discipline In some cases such as metaphysics and epistemology he adopts a historical approach while in others such as ethics and philosophy of religion the focus is as much on contemporary issues as it is on historical developments In each area he presents material of great intrinsic interest in a fashion that also provides a sense of the broad sweep of the discipline This book provides a fair minded exposition of a wide range of viewpoints throughout and dwells in its final chapter on the virtues of philosophical realism thus presenting the reader with the opportunity to engage with a direct philosophical argument A guide to further reading will assist readers new to philosophy *John Wesley's Sermons* John Wesley,Albert Cook Outler,1991 A collection of sermons delivered by Methodist pastor John Wesley in the eighteenth century **The Metropolitan Tabernacle Pulpit** Charles Haddon Spurgeon,1856 **Removing Rebellion's Roots** Olan

Stubbs,2025-04-18 All people deal with intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God s word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God s word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan s lies God s truth is the foundation for a holy life God s truth is the pure substance we need to replace the roots of our sinful practices **The Search for Shalom** Will Dickerson,2025-09-01

Many analysts have noted that this is an age of high anxiety Nowadays most bookstores have shelves of books documenting people s anxious condition and offering a variety of self help cures The Search for Shalom is not a self help book Rather it argues that self guided efforts to treat this anxious condition will only make it worse The search for peace must lead elsewhere Many people have been scammed by Satan the prince of scammers As a result they don t give much attention to the one who actually offers them shalom true peace Instead they continue to be controlled by their fears and anxieties People spend their lives serving various idols the most popular of which is Mammon They nurture their grudges refuse to forgive and live in the rubble of broken relationships Some of those who consider themselves Christians instead of serving as ministers of reconciliation enlist as soldiers in the culture wars and end up fighting the wrong battles with the wrong weapons Many people therefore live in a state of war No one should be surprised therefore at the sharp rise in the use of antidepressants and anti-anxiety medications So where can people find peace **True Latter-Day Saints' Herald** ,1884
