Gwynne's *Latin* Nevile Gwynne,2014-04-10 Latin is it the most wonderful thing It is mind enhancing character improving enthralling exciting deeply satisfying and valuable My solid determination is to spare no pains to do it the justice that its importance demands Mr Gwynne author of the Sunday Times bestselling phenomenon Gwynne s Grammar is just as emphatic about the importance of Latin as he is about the importance of grammar From the novice to the more well versed Gwynne s Latin is essential for anyone interested in learning Latin Mr Gwynne promises to teach you more Latin in half an hour than you would learn from years of being taught Latin at school He also includes a fascinating section on everyday Latin usage which discusses all the Latin words and idioms we still use today such as quid pro quo and sui generis Though we need no further convincing as we know Mr Gwynne is never wrong here are just some of the many reasons why Latin is utterly wonderful Latin is an academic subject easy enough for the least intelligent of us to grasp all the basic elements of and yet difficult enough to be demanding for its greatest scholars For well over a thousand years it was the means of communication that united the whole of Europe culturally and in every other significant way It is the direct ancestor of between them the five most widely spoken European languages and both of the official South American languages It is the ancestor and source of more than half of the English language partly directly and partly through French which for some centuries was England s official language Following in the same beautifully designed footsteps of Gwynne s Grammar Gwynne s Latin will teach you all the fundamentals of Latin quickly thoroughly and better than all the competition      Kibogo Scholastique Mukasonga,2022-09-13 FINALIST FOR THE 2022 NATIONAL BOOK AWARD A new masterwork of satire lore and living memory from the leading voice of French Rwandan literature Mukasonga breathes upon a vanished world and brings it to life in all its sparkling multifariousness J M Coetzee In four beautifully woven parts Mukasonga spins a marvelous recounting of the clash between ancient Rwandan beliefs and the missionaries determined to replace them with European Christianity When a rogue priest is defrocked for fusing the gospels with the martyrdom of Kibogo a fierce clash of cults ensues Swirling with the heady smell of wet earth and flashes of acerbic humor Mukasonga brings to life the vital mythologies that imbue the Rwandan spirit In doing so she gives us a tale of disarming simplicity and profound universal truth Kibogo s story is reserved for the evening s end when women sit around a fire drinking honeyed brew when just a few are able to stave off sleep With heads nodding drifting into the mist of a dream one faithful storyteller will weave the old legends of the hillside stories which church missionaries have done everything in their power to expunge To some Kibogo s tale is founding myth celestial marvel magic incantation bottomless source of hope To white priests spritzing holy water on shriveled drought ridden trees it looms

like red fog over the village forbidden satanic a witchdoctor s hoax All debate the twisted roots of this story but deep down all secretly wonder can Kibogo really summon the rain
