

A person stands on a dark, silhouetted mountain peak with their arms raised in celebration. The background is a bright, hazy sky with a large, glowing sun low on the horizon, creating a warm, golden light. The scene is framed by the dark, jagged silhouettes of other mountain peaks.

approval of his Archbishop he devoted himself to helping other alcoholics particularly alcoholic priests He traveled more than 50 000 miles a year to address meetings conduct retreats and help individuals For the next 25 years despite severe problems with depression he never took another drink For a short time he continued to take medications prescribed by his doctor and by Mayo Clinic He threw them away after discussing the problem with a doctor familiar with alcoholism In this popular successor to *Sobriety and Beyond* the author freely discusses the everyday problems that beset the paths of the unwary Serenity is the key to long term sobriety and Father Doe explains how to get it nurture it and keep it for a lifetime Father Doe believes that by continually growing both mentally and spiritually we strengthen our sobriety and prepare ourselves to deal with all the challenges life has in store for us *Beyond Mystery* E.
