Social And Economic Development In The Arab Gulf:

Social and Economic Development in the Arab Gulf Tim Niblock, 2015-05-15 The crucial importance of the Gulf region today which may be defined as comprising the states of Saudi Arabia Iraq Kuwait Oman Bahrain Qatar and the United Arab Emirates with Iran as a non Arab onlooker has stimulated surprisingly little interest in academic circles Much of what has been written moreover focuses exclusively on those aspects of direct concern to external interests The focus of this book is on the Gulf region as an area with its own problems of social economic and political development It examines the dimensions of the attempts by the governments and peoples of the area to create new social economic and political structures stemming mainly of course from their new found oil wealth First published in 1980 *Social and Economic Development in the Arab Gulf* Tim Niblock, University of Exeter. Centre for Arab Gulf Studies, 1980-01-01 **Social and**

Economic Development in the Arab Gulf Tim Niblock, 2015 Population and Development of the Arab Gulf States Nadeya Sayed Ali Mohammed, 2017-03-02 This thought provoking study measures and critically examines the effects that an average population growth rate of 2.8% could have on the development of the Arab Gulf States It questions the ability of Gulf governments to continue providing relatively high standards of education health and employment under conditions of rapid population growth an undiversified economic base and a tribal political framework Within this context population growth is identified as one important variable that hinders long term development The book will appeal to all those interested in the Middle East demography development and sociology Oil and Development in the Arab Gulf States Walid I.

Sharif, 2023-10-12 Oil and Development in the Arab Gulf States 1985 brings together in one volume the manifold sources of information on the Arab Gulf region especially the impact of oil revenues on its economic political and social development It provides a balanced core of primary and secondary sources on various aspects of the economics of Arab oil between 1973 and 1983 **Administration and Development in the Arab World** Jamil Jreisat, Zaki R. Ghosheh, 2016-03-22 This book first published in 1986 examines the literature on administration human resources and development in the Arab world It emphasizes contemporary societies and their internal dynamics the least known and most critical aspects of Arabic studies

The Arab Gulf and the Arab World B.R. Pridham, 2020-07-24 This book first published in 1988 compiles selected contributions to a symposium on The Gulf and the Arab World held by the Centre for Arab Gulf Studies at Exeter University UK in July 1986 The historical perspective was considered to be a prerequisite for focusing on modern developments and two chapters are devoted to the coming of both the Arabs and Islam to the Gulf and a further chapter examines the role of the Ottoman Empire in the region The remaining chapters concentrate on recent interaction under the broad headings of political and socio political affairs demographic aspects financial interchange and questions of security A large part of the book is devoted to detailed analysis of the main factor in Arab Gulf Arab world relations the huge flow in one direction of Arab migratory manpower and in the reverse direction of Gulf financing and workers remittances **Challenges of**

Economic Development in the Middle East and North Africa Region Julia Devlin, Julia C. Devlin, 2010 This book surveys major economic issues in the development of countries in the Middle East and North Africa MENA region since World War II It presents a framework of analysis highlighting underlying continuities in the region's approach to issues of growth management of oil and natural resources post conflict environments progress in trade liberalization and regional integration the use of industrial policy labor market adjustment and unemployment educational attainment and poverty incidence At the same time this book focuses on emerging differences across countries in the region in the prevailing approach to addressing such challenges most notably between the economies of the Gulf Cooperation Council and other MENA countries This book also incorporates a discussion of tools and methods used by development practitioners and briefly examines issues of aid effectiveness The approach used is intended to appeal to a wide audience including students of economic development political scientists and development practitioners

Economic Development in the Middle East Rodney Wilson, 2013 By examining economic development in the Middle East in the aftermath of the Arab Spring this textbook introduces undergraduate and postgraduate students to the most pressing and topical economic issues in the contemporary Middle East With comprehensive coverage of the entire region the author examines the economic prospects for the Gulf and charts the growth of economic power in the region Organised thematically a full range of topics are discussed including the role of banks and capital markets in the region's development the impact of demographic changes such as the dramatic decline in birth rates and the implications for future employment the development of economic advances in oil and gas production the effects of the region's economic development on international and inter regional trade Through discussing the region's problems of the past as well as the present and future challenges this book provides students with a compact and manageable review of the state of economic development in the Middle East

Bureaucracy and Development in the Arab World Jabbra, 2022-04-25

Creating the Arabian Gulf Paul J. Rich, 2009-08-16 Even whether to call the Gulf Arabian or Persian is an unending argument Regardless of its name the Gulf is one of the most politically important regions of the world Despite its constant presence in the headlines the fact that it was part of the British Indian empire for many years has gone unappreciated The long period of British control and the connections with India are in fact necessary in understanding the contemporary Middle East With more than ten years of experience as a government advisor in Saudi Arabia and Qatar Paul Rich draws on previously closed archives to document the actual heritage of the area and dispel the myths Rich shows that the influences of Britain and India are far deeper than commonly acknowledged and that the sheikhs are actually the creation of the British Raj He explains that they owe their thrones to a small group of British political agents the Heaven Born who created the satraps and then proceeded to rule from behind the scenes by a clever use of stagecraft and ritual that was heavily flavored by their experiences at English public schools and in Masonic lodges In its attempt to make sense of the complexity of Arab sheikhdoms in the Gulf *Creating the Arabian Gulf* is an ideal book for students and scholars interested in

Middle East studies and international relations *Geographic Realities in the Middle East and North Africa* George Joffé, Richard Schofield, 2020-10-25 Celebrating the work of Keith McLachlan a well known and much admired geographer of the Middle East and North Africa this book combines three interrelated topics that define the region The Middle East has been integral to the growth of the global oil industry an aspect of its evolution since 1908 which has had profound geopolitical implications as well The territory was also the arena for the last European experiment in colonialism a development that has left its legacy even today And historically it has been the location of the great hydraulic civilisations of Egypt and Mesopotamia yet is still dependent on the flow of its two major river systems the Nile and the Tigris Euphrates in an era of impending climate crisis These themes form the essence of themes that are discussed in the chapters that follow Keith McLachlan played a significant role in our understanding of these themes and of their effects in the contemporary world as the comments of those who worked with him and have contributed towards this book reveal Examining agriculture oil and state construction this volume offers an insight into how the contemporary Middle East was constructed after the collapse of the Ottoman Empire It is a key resource for scholars and students interested in geopolitics and the geography of the Middle East *The Economic Development of Libya* Bichara Khader, Bashir El-Wifati, 2023-05-31 Libya has been one of the most remarkable of the Arab oil producers It has combined an aggressive foreign policy a domestic political revolution and extraordinary economic growth over the last decade This book focuses on the development of the Libyan economy over this period In the boom years of the oil market Libya's revenues exploded With the current decline of Arab oil revenues many of the projects undertaken then now look less realistic The book surveys both the structural developments in the Libyan economy and the experience of individual sectors It considers the potential for industrial development and the prospects for agriculture both in terms of natural resources and political commitments The book also examines developments in the service sector especially banking Although it recognises the acute problems of the Libyan economy the book is broadly optimistic for prospects through to the year 2000 First published in 1987 *Education in the Arab Gulf States and the Arab World* Nagat El-Sanabary, 1992 This annotated guide of English language material on education in the Arab world includes books journal articles national and international reports and documents and Ph D dissertations The author opens with an introductory essay on the development of education in the Arab Gulf states and an analysis of current issues in educational research Chapters cover the social context of education educational systems and structures country reports on educational developments between 1950 and 1980 religion and education education at the pre college level and higher education with special attention to systems and institutions curriculum and evaluation management students in national and foreign universities research sciences and technology The book also examines women's education teachers and teacher education educational planning manpower and education educational guidance and counseling special education literacy and adult education and educational media and instructional technology Author and subject indexes are provided **Cultural**

Sociology of the Middle East, Asia, and Africa Andrea L. Stanton, Edward Ramsamy, Peter J. Seybolt, Carolyn M. Elliott, 2012-01-05 In our age of globalization and multiculturalism it has never been more important for Americans to understand and appreciate foreign cultures and how people live love and learn in areas of the world unfamiliar to most U S students and the general public The four volumes in our cultural sociology reference encyclopedia take a step forward in this endeavor by presenting concise information on those regions likely to be most foreign to U S students the Middle East Asia and Africa The intent is to convey what daily life is like for people in these selected regions It is hoped entries within these volumes will aid readers in efforts to understand the importance of cultural sociology to appreciate the effects of cultural forces around the world and to learn the history of countries and cultures within these important regions The Economic Development Process in the Middle East and North Africa Alessandro Romagnoli, Luisa Mengoni, 2013-11-12 Offering a comprehensive analysis of the development of economies in the Middle East and North Africa over the past half century this book charts the progress of these countries through an examination of an Islamic model of economic development reform processes and economic integration Far from being a simple process economic development in the Middle East and North Africa is dependent on the interaction of a set of changing systems including international relations the political regime economy and society By analysing these interdependent factors The Economic Development Process in MENA seeks to provide answers to the most pressing issues facing the economies in this area Providing an interpretation of regional development in light of dialectics between state and society this book will be of value to students and scholars with an interest in the Middle East Economics and International Relations **The Economic Statecraft of the Gulf Arab States** Karen E. Young, 2022-12-29 This book is a study of a shift in the politics and finance of development from one centered in the institutions and ideas of the post World War II global political economy to the emergence of South South economic ties and the rise of authoritarian or state capitalism as an alternative model of development This is a study of the economic statecraft of the Gulf Arab states specifically the deployment of aid investment and direct support from some of the wealthiest petrostates of the world to their surrounding sphere of influence within the Middle East Horn of Africa and West Asia These new models of development finance aid and intervention include distinct institutional designs and ideological bases For the United Arab Emirates Saudi Arabia and Qatar the preference for state led and often state owned development is a strategic priority in the energy sector a mechanism for domestic economic growth and consolidation of wealth among leadership and ruling families Exporting that agenda as a foreign economic policy tool continues all of the domestic benefits while also affirming broader regional political goals **The Middle East** Peter Beaumont, G.H. Blake, J. Malcolm Wagstaff, 2016-04-14 This book first published in 1976 and in this second edition in 1988 combines an examination of the political cultural and economic geography of the Middle East with a detailed study of the region s landscape features natural resources environmental conditions and ecological evolution The Middle East with its extremes of climate and terrain has long

fascinated those interested in the fine balance between man and his environment and now its economic and political importance in world affairs has brought the region to the attention of everybody *Iran, Iraq and the Arab Gulf States* J. Kechichian, 2016-04-30 A decade after the War for Kuwait and two decades after the Iran Iraq War the wider Gulf region remains mired in internal regional and international conflicts *Iran Iraq and the Arab Gulf States* presents analytical perspectives including solution oriented assessments to identify major causes for actual and potential conflicts throughout the Gulf The twenty six papers assembled in this volume identify trends for the next decade Studies on Iranian Iraqi Saudi and Arab Gulf States political agendas on the domestic regional and international fronts are included along with assessments on pending legal issues including border disputes relations among the Gulf states themselves as well as their complex and evolving ties with several Western powers The study closes with four trends chapters looking at the 2000 2010 period

Women At Work In The Gulf Munira A. Fakhro, 2013-10-28 First published in 1990 This book grew out of a dissertation written during 1983 86 and is an analysis of the social policies needed to facilitate women s entry into the labour force Pushing the need and recognition that it is essential now for Gulf women to move beyond their domestic activities by taking an active role and by providing leadership to ensure that they have access to the opportunities and benefits of economic development The tables presented here are entirely new in the sense that data were selected from 1941 81 censuses Other statistics were drawn from different sources reflecting developments during the 1980s
