Social Conflict And Social Movements:

Social Conflict and Social Movements Anthony Oberschall, 1973 *Social Movements* Anthony

Oberschall, 2017-10-23 More than any other topic in social science the study of social movements provides an opportunity to combine social theory with political action Such study is a key to understanding the motivations successes and failures of thousands who aspire to high ideals of justice but who sometimes aid in perpetuating inhumane political acts and systems Building upon the past twenty years developments in theory and research Social Movements combines original theoretical and methodological approaches with penetrating analyses of contemporary movements from the sixties to the present Anthony Oberschall argues that social movements are central to contemporary politics in both Western and Third World nations They are not quaint stepchildren to public policy and social change that disappear as nations modernize Collective action by the citizenry spilling beyond the boundaries of routine politics is an integral part of the process of creative destruction that Joseph Schumpeter ascribed to modern capitalism and all dynamic modern societies Among the subjects that Oberschall examines in Social Movements are the Civil Rights movement decline of the New Left the feminist movement the New Christian Right the tobacco control movement collective violence in U S industrial relations and some comparative historical movements including the Cultural Revolution in China the abortive 1968 revolution in Czechoslovakia political strife in postcolonial Africa and the sixteenth century European witch craze In looking beyond the immediate political circumstances of these social movements Oberschall points the way to achieving the next major task of social movement theory a more satisfactory understanding of the dynamics and course of social movements and counter movements and a method of accounting for the outcomes of public controversies Free of jargon and technical terminology Social Movements is written for sociologists political scientists historians professionals dea **Research in Social Movements, Conflicts and Change** Patrick G. Coy, 2018-10-16 This important collection addresses the critically important dimensions of the relationships that social movements their activists and their organizations have with the state and other institutions It also examines three movements linked by frame and discourse analysis before concluding with a survey of the biographical trajectory of activism **The Social Movements Reader** Jeff Goodwin, James M. Jasper, 2009-04-20 Combining the strengths of both a reader and a textbook this second edition of The Social Movements Reader not only expands on the collection of classic texts but also provides the most important and readable articles and book selections on social movements from recent decades Requiring no prior knowledge about social movements this new edition includes definitions of key concepts biographies of exemplary leaders new developments in the field and timelines of several ongoing social movements Analysing the specific resources networks structures and environments of social movements as well as the motivating psychology ideas political debates emotions and personal and collective identities behind them this is an engaging and illuminating collection for anyone curious about social movements *The Dynamics of Social Movements in Hong Kong*

Stephen Wing Kai Chiu, Tai Lok Lui, 2000-01-01 Studies of Hong Kong society have long focused one sidedly upon economic prosperity and political stability Contributors to this volume redress this imbalance by taking a critical view of Hong Kong's political development from the perspectives of social conflict and collective action Instead of looking at Hong Kong from the top this volume documents the active role played by local actors from below political groups student activists trade unions women groups environmentalists and community organizers and their impact on social and political development in Hong Kong society in the context of political transition and democratization economic restructuring and an emergent local identity
