The Kentucky African American Encyclopedia Gerald L. Smith, Karen Cotton McDaniel, John A. Hardin, 2015-08-28 The story of African Americans in Kentucky is as diverse and vibrant as the state's general history. The work of more than 150 writers, *The Kentucky African American Encyclopedia* is an essential guide to the black experience in the Commonwealth. The encyclopedia includes biographical sketches of politicians and community leaders as well as pioneers in art, science, and industry. Kentucky's impact on the national scene is registered in an array of notable figures such as writers William Wells Brown and bell hooks, reformers Bessie Lucas Allen and Shelby Lanier Jr., sports icons Muhammad Ali and Isaac Murphy, civil rights leaders Whitney Young Jr. and Georgia Powers, and entertainers Ernest Hogan, Helen Humes, and the Nappy Roots. Featuring entries on the individuals, events, places, organizations, movements, and institutions that have shaped the state's history since its origins, the volume also includes topical essays on the civil rights movement, Eastern Kentucky coalfields, business, education, and women. For researchers, students, and all who cherish local history, *The Kentucky African American Encyclopedia* is an indispensable reference that highlights the diversity of the state's culture and history. *Episcopal Clerical Directory 2023* Church Publishing Incorporated, 2023-09-19 A must have for every search committee. *The Episcopal Clerical Directory* is the biennial directory of all living clergy in good standing in the Episcopal Church, more than 18,000 deacons, priests, and bishops. It includes full biographical information and ministry history for each cleric. *State Directory of Kentucky*, 2001 **DIRECTORY OF CORPORATE COUNSEL.**, 2023 *Directory of Corporate Counsel, 2024 Edition*,

The Frederick Douglass Papers Frederick Douglass, 2023-09-12 The selected correspondence of the great American abolitionist and reformer dating from the immediate post-Civil War years. This third volume of Frederick Douglass's Correspondence Series exhibits Douglass at the peak of his political influence. It chronicles his struggle to persuade the nation to fulfill its promises to the former slaves and all African Americans in the tempestuous years of Reconstruction. Douglass's career changed dramatically with the end of the Civil War and the long-sought-after emancipation of American slaves; the subsequent transformation in his public activities is reflected in his surviving correspondence. In these letters from 1866 to 1880, Douglass continued to correspond with leading names in antislavery and other reform movements on both sides of the Atlantic, and political figures began to make up an even larger share of his correspondents. The Douglass Papers staff located 817 letters for this time period and selected 242, or just under 30 percent of them, for publication. The remaining 575 letters are summarized in the volume's calendar. **Directory of Graduates of the FBI National Academy and Officers of the FBI National Academy Associates** FBI National Academy, 1999 *Publishers Directory*, 2001 *Jersey Gold* Margaret Casterline Bowen, Gwendolyn Joslin Hiles, 2017-04-20 When gold fever struck in 1849, John S. Darcy, prominent physician, general, and president of the New Jersey Railroad, assembled a company to travel overland to California. In *Jersey Gold*, Margaret Casterline Bowen and Gwendolyn Joslin Hiles tell the story of that colorful company of some thirty stalwarts.

and adventurers Jersey Gold chronicles the experiences of the New Jersey argonauts from their lives before the gold rush to the widely varying fortunes each ultimately found Animated by the trekkers own words and observations and illustrated with maps photographs and drawings by one of the company s own men Jersey Gold follows the Newark Overland Company s journey by rail stage and riverboat to the Missouri frontier town of Independence the group s jumping off point for the Oregon California trail There the company splintered Their divergent paths afford views of the westward journey from multiple perspectives as the companies faced the perils of the wilderness and the treachery of human nature Once in gold country many booked immediate passage home but some remained with Darcy to work a successful mining operation before returning east with comfortable fortunes A few enchanted by the opportunities of the Golden Coast took up permanent residence there and in their stories we witness the emergence of California amid unprecedented lawlessness the controversy of slavery and diverse nationalities The story of the Newark Overland Company in many ways a panorama of the nineteenth century ranges from the wildness of the frontier through the chaos of the Civil War to the throes of early industrialization and features such notables as John Sutter Brigham Young and Henry Clay In chronicling this journey Jersey Gold vividly re creates a defining chapter in American history

I've Got a Home in Glory Land Carolyn Smardz Frost, 2024-03-26 It was the day before Independence Day 1831 As his bride Lucie was about to be sold down the river to the slave markets of New Orleans young Thornton Blackburn planned a daring and successful daylight escape from Louisville But they were discovered by slave catchers in Michigan and slated to return to Kentucky in chains until the black community rallied to their cause The Blackburn Riot of 1833 was the first racial uprising in Detroit history The couple was spirited across the river to Canada but their safety proved illusory In June 1833 Michigan s governor demanded their extradition The Blackburn case was the first serious legal dispute between Canada and the United States regarding the Underground Railroad The impassioned defense of the Blackburns by Canada s lieutenant governor set precedents for all future fugitive slave cases The Blackburns settled in Toronto and founded the city s first taxi business But they never forgot the millions who still suffered in slavery Working with prominent abolitionists Thornton and Lucie made their home a haven for runaways The Blackburns died in the 1890s and their fascinating tale was lost to history Lost that is until a chance archaeological discovery in a downtown Toronto school yard brought the story of Thornton and Lucie Blackburn again to light
