Piet, 1974 Good News George Clint Robinson, 2009-12 Africa the Good News Stuart Pennington, 2008 Africa the good news is the conclusion of a year of extensive research and includes contributions from over 40 leading writers on Africa from the continent and beyond It provides insights into what is happening in Africa today It is about Africa and the good in Africa Jacket

The Good News of Revelation Larry R. Helyer, Ed Czerwinski, 2014-01-13 Readers of the Bible rarely if ever turn to the book of Revelation for comfort or assurance in hard times In fact many popular interpretations of Revelation today focus on predicting a terrifying future that leaves many unsettled and disconnected from John's original message to the seven churches many of whom were suffering persecution under the Roman Empire Revelation encouraged its original readers to persevere as they waited for God to eradicate evil restore justice and redeem the world Revelation speaks to the past present and future church with the assurance of Christ's victory over evil and the promise that faithfulness will be richly rewarded This often perplexing book of the Bible reveals good news about the rule of Christ and the future of God's people Rather than saying Watch out The Anti Christ is coming Revelation tells its readers Hold on Jesus is Lord Book jacket

Is the Gospel Good News? Stanley E. Porter, Hughson T. Ong, 2019-05-02 Is the Gospel Good News was the theme of the 2015 H H Bingham Colloquium at McMaster Divinity College in Hamilton Ontario Canada held on June 4-5 The fourteen participants in this colloquium presented their own individual perspectives on the theme from three broad vantage points Bible theology and crucial topics The good news that Jesus proclaimed concerning the kingdom of God

became the gospel proclaimed by his followers throughout church history This gospel is about the coming of Jesus Christ in fulfillment of God's will for humanity This volume presents some accounts of how this good news has been understood through the ages and continues to be understood in relation to some of the major topics and issues of our contemporary world The papers in the Bible section discuss this good news from both Old and New Testament passages and themes The papers in the Theology section address theological topics in light of the question of what constitutes the good news Finally the papers in the Crucial Topics section explore new and different perspectives on ways in which the gospel is good news This volume highlights diverse perspectives and proposals by scholars from various locations in different stages of their academic careers resulting in a stimulating discussion of the topic of the gospel as good news The Good News Tunde Fakolade, 2022-06-14 The Good News is an inspirational guide that urges everyone to live the life they were destined to live The book is divided into lessons each one sparked by Scripture and supported with practical insights that will help you gain new perspectives to achieving a fulfilled life which is especially of value in these difficult times The author explores how to rediscover a life filled with hope and happiness make full use of the potential God has granted to you lean on God to overcome life's difficulties enjoy the benefits of being a child of God A life lived in Jesus does not mean a life free of problems trials or hardships However knowing Jesus is beside you will give you peace strength and assurance that sooner or later God will turn the situation around Life will test you but you can overcome any struggle Ignite your faith help others find the Lord and live a victorious life filled with meaning with the wisdom in this book **Good news , Good News to the Poor** Tim Chester, 2013-07-31 Help them or tell them Be like Jesus or talk about Jesus Social action or gospel proclamation It seems the two are often pitted against each other as if they are mutually exclusive But the New Testament paints a different picture where both aspects are valued In this plea for a renewed understanding of the Christian calling Chester argues that faithfulness to the gospel necessitates a commitment to evangelism and social involvement To that end he structures the book around three basic theses 1 evangelism and social action are distinct activities 2 proclamation is central and 3 evangelism and social action are inseparable Responding to Christians in both camps Chester helps people to talk the talk and walk the walk **The Good News About Marriage** Shaunti Feldhahn, 2014-05-06 Divorce is not the biggest threat to marriage Discouragement is You've probably heard the grim facts Half of all marriages end in divorce The divorce rate inside the church is the same as outside Most marriages are just holding on But what if these facts are actually myths In The Good News About Marriage best selling author Shaunti Feldhahn presents groundbreaking research that reveals the shocking incredibly inspiring truth The actual divorce rate has never gotten close to 50 percent Those who attend church regularly have a significantly lower divorce rate than those who don't Most marriages are happy Simple changes make a big difference in most marriage problems Most remarriages succeed For too long our confidence in marriage has been undermined by persistent misunderstandings and imperfect data This landmark book will radically change how we think and talk about

marriage and what we can dare to hope from it Shaunti takes aim at marriage myths that have spread like a cancer through our culture myths that have become self fulfilling prophecies This book is packed with game changing revelations Like this one Not only are most people staying married they are happy in their marriages Emerson Eggerichs best selling author of Love and Respect *Good News to the Poor* Walter Pilgrim,2011-10-07 How does the proclamation of good news to the poor in Luke s Gospel relate to wealth and poverty What does Luke Acts mean to affluent Christians and churches in our time In a fresh systematic way Professor Pilgrim surveys Old Testament tradition on the poor and describes the Jesus movement as background for understanding Luke Acts *Sharing the Good News with Mormons* Eric Johnson,Sean McDowell,2018-06-05 How do you share the gospel with those who don t think they need it Someone you know is a Mormon a family member a coworker a friend or a neighbor and you long to present the truth about Jesus and what God s Word teaches But where do you start How can you convey what s on your heart in a way that will be well received Every relationship and situation is unique and that s why these essays from respected scholars apologists and pastors including Sandra Tanner Robert Bowman David Geisler Bill McKeever Mark Mittelberg J Warner Wallace Lynn Wilder and others lays out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations respond with compassion and clarity to Mormon teachings understand your Mormon friends and find ways to keep the dialogue going Speaking the truth to Mormons can feel daunting when you re unprepared Let the suggestions in this book give you solid ideas for reaching those who are lost but don t realize it **Good News for a Change** David Suzuki,Holly Dressel,2009-07-01 We all know the bad news Every day along with all the bulletins on social upheavals and terrorist attacks we read reports of another animal species on the brink of extinction of how our ocean fisheries are collapsing and of the damage industrial development is wreaking on our soil air and water We drive bigger cars eat pesticide sprayed genetically altered foods and consume so much energy that even rich industrialized countries suffer power outages We seem intent on continuing to live this way even though many scientific experts tell us our actions are suicidal The good news Suzuki and Dressel tells us is that thousands of individuals groups and businesses are already changing their ways A growing number of companies are still making money while benefiting their local communities Anti globalization activists and Third World villagers are learning how to practice real participatory democracy and create real community Farmers and ranchers are sharing their land with other species including predators and pests while still prospering Even some governments local and national are starting to base economic development strategies on our collective dependency on nature while decreasing large scale interference in our ecosystems **What's Good about this News?** David Lyon Bartlett,2003-01-01 In this study of the Gospels and the book of Galatians David Bartlett explores how to reconcile the biblical text s message to our contemporary context and a particular congregation s character and need While as he shows important continuities exist in the way the good news is understood throughout the New Testament precisely what it looks like and how Christians respond to it differs between Mark Paul John and the rest of the

writers Consequently he demonstrates preachers have options as they try to discern what news a congregation needs to hear on a particular Sunday Including sample sermons What s Good about This News shows how each of these biblical texts remains a redemptive word for today s people

Apocalyptic Good News R. Dean Drayton,2019-07-12 Remarkable studies in the New Testament have recovered the fact that the gospel the good news of Jesus Christ was apocalyptic good news God s redemptive action within history Today for more and more people the sheer scope of an evolutionary universe renders life on Earth as utterly insignificant religion as nothing more than superstition And now in the Anthropocene we on the pale blue dot live in an apocalyptic age in which cataclysmic issue after cataclysmic issue threaten the future of the planet The faith of the early church was in an apocalyptic cosmic Christ unleashing within history God s good news of a new creation Set within the world as we now know it this gives meaning to the cosmos and life wherever it is found around any star Screened from view for over a millennium during mission to non apocalyptic cultures now is the time for a new paradigm for church the apocalyptic church for an apocalyptic age to replace the denominational church What a difference this makes to faith worship and the role of the church in an apocalyptic future

The Good News of the Apocalypse Ione L. Sedinger,2010-10 Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn t the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger s experience with a study group for teenagers Everything in life is under God s control and so Pastor Sedinger refers to life as

God's Dance The Good News is that Jesus came to teach us how to dance with God **Speak Good News** David Schaal, 2024-02-16 If one word evokes discomfort when spoken to Christ followers and non Christ followers alike it would be the word evangelism For the Christ follower this word brings feelings of guilt shame and inadequacy They know that at some level they should be participating in evangelistic activities but they are not My passion is to see Christ followers intentionally engaging people in spiritual conversations I wrote this book to educate and encourage Christ followers in the beauty of sharing the love of Jesus with others Speak Good News aims to change the less than favorable reputation associated with evangelism This book will encourage and equip Christ followers to confidently engage in spiritual conversations with individuals they experience life with I do this by taking a historical look at evangelism its purest meaning and offering a fresh lens for the Church to view evangelism I identify misconceptions and barriers that keep faithful Christ followers from sharing the wonderful story of Jesus with others It nudges believers into the shallow end of the gospel pool while encouraging them to engage in simple spiritual conversations about Jesus with others When the Good News Gets Even Better Neb Hayden, 2009-06 This unique Bible study allows readers to experience the gospels as they were originally intended by providing vital insights into Jewish culture customs and perspectives Readers will gain a fresh and thoroughly relevant context to the life of Christ while they see and feel the places the people and the emotions as they experience the gospels in a fresh new way Using a three month format this study combines all four gospels into one comprehensive and chronological narrative allowing readers to focus on the overall themes and truths as they occurred This remarkable guide allows readers to truly experience the gospels as never before as observers readers and witnesses to those miraculous events and times
