them published here for the first time Nolan recreates the life Billy lived and the places and people he knew This unique assemblage is complemented by maps and a full biography that incorporates Nolan s original research adding fresh depth and detail to the Kid s story and to the lives and backgrounds of those who witnessed the events of his life and death Here are the faces of Billy s family friends and enemies John Tunstall and John Chisum Sheriff Pat Garrett and Governor Lew Wallace Jimmy Dolan and Bob Olinger Alexander McSween and Paulita Maxwell and many others Here are Santa Fe and Silver City as Billy the Kid saw them Lincoln Las Vegas and Tascosa Recent photographs show the Kid s haunts as they appear today

*The Real Billy the Kid* Miguel Antonio Otero,2006-12-15 Miguel Antonio Otero served as the first Hispanic governor of the U S Territory of New Mexico from 1897 to 1906 He was appointed to the office by President William McKinley Long after his retirement from politics Governor Otero wrote and published his memoirs in three volumes a major contribution to New Mexico history But he also published a biography in 1936 titled *The Real Billy the Kid* His aim in that book he proclaimed was to write the Kid s story without embellishment based entirely on actual fact Otero had known the outlaw briefly and also had known the man who killed Billy in 1881 Sheriff Pat Garrett The author recalled Garrett saying he regretted having to slay Billy Or as he bluntly put it it was simply the case of who got in the first shot I happened to be the lucky one By all accounts Billy the Kid was much adored by New Mexico s Hispanic population Otero asserts that the Kid was considerate of the old the young and the poor And he was loyal to his friends Further Martin Ch ves of Santa Fe stated Billy was a perfect gentleman with a noble heart He never killed a native citizen of New Mexico in all his career and he had plenty of courage Otero was especially admiring of Billy because as a boy in Silver City he had loved his mother devotedly Such praise must be viewed in the context of the times Other people of course saw Billy as an arch villain MIGUEL ANTONIO OTERO rightly distinguished himself as a political leader in New Mexico where he raised a family and lived out his life as a champion of the people but he is also highly recognized for his career as an author He published his legendary *My Life on the Frontier 1864 1882* in 1935 followed by *The Real Billy the Kid With New Light on the Lincoln County War* in 1936 *My Life on the Frontier 1882 1897* in 1939 and *My Nine Years as Governor of New Mexico Territory 1897 1906* in 1940 [Boots and Shoes, Leather and Supplies in Brazil](#) United States. Department of Commerce,Herman Gilbert Brock,1919 [The Kid](#) Ron Hansen,2017-11-21 Born Henry McCarty Billy the Kid was a diminutive charming blond haired young man who growing up in New York Kansas and later New Mexico demonstrated a precocious dexterity at firing six shooters with either hand a skill that both got him into and out of trouble and that turned him into an American legend of the Old West He was smart well spoken attractive to both white and Mexican women a good dancer and a man with a nose for money horses and trouble His spree of crimes and murders has been immortalized in dime westerns novels and movies But the whole story of his short epically violent life has never been told as it has been here

*Billy the Kid* Robert M. Utley,1991-01-01 Examines the career of the young outlaw whose life and death were an expression of the violence prevalent on the American frontier

**Billy the Kid and Jesse James** Bill Markley, 2019-09-27 Who was the biggest baddest outlaw in the Old West Billy the Kid or Jesse James Which outlaw did the most to wreak havoc across the frontier And which outlaw left behind the biggest legacy Author Bill Markley takes on those questions and more in this thoughtful and entertaining examination of these legendary lives

*Billy the Kid* James B. Mills, 2022-07-15 In the annals of American western history few people have left behind such lasting and far reaching fame as Billy the Kid Some have suggested that his legend began with his death at the end of Pat Garrett's revolver on the night of July 14 1881 in Fort Sumner Others believe that the legend began with his unforgettable jailbreak in Lincoln New Mexico several months prior on April 28 1881 Others still insist his legend began with the publication in 1926 of Walter Noble Burns's book *The Saga of Billy the Kid* James B Mills has left no stone unturned in his twenty year quest to tell the complete story of Billy the Kid He explores the Kid's disputable origins his family's migration from New York into the Southwest and how he became an orphan as well as his involvement in the Lincoln County War his outlaw exploits and his dealings with Governor Lew Wallace Mills illuminates the Kid's relationships with his enemies lovers and numerous friends to contextualize the man's character beyond his death and legacy Most importantly Mills is the first historian to fully detail the Kid's relations with New Mexicans of Spanish descent So the question remains who really was the person the world knows as Billy the Kid Was he more than a young reprobate committed to a life of crime who relished becoming a famous outlaw and cold blooded self absorbed sociopath or thug that some still prefer him need him to be Or was he in fact the generally good hearted generous courteous young vigilante that so many remembered with considerable fondness who ultimately preferred the company of the more peaceable Hispanic population than his own Anglo people In this groundbreaking biography Mills takes the reader closer to the flesh and blood human being named Henry McCarty alias William H Bonney than ever before

**The Tragic Days of Billy the Kid** Frazier Hunt, 2009 Since a July night in 1881 when he was shot down at the age of 21 Billy the Kid has been a victim of the myths that surrounded and captured him This vivid interpretation of the Kid's life and character will come as an exciting revelation to readers who may have been familiar only with the earlier fictionalized versions For here is real moving tragedy painted in broad brush strokes with the vivid hues of the stark American Southwestern landscape Never before has there been brought into true focus the Lincoln County War which broke out in 1878 in the then Territory of New Mexico and which furnished the background and the period for the adventures of this extraordinary boy The literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier maché façade of myth and legend So persistent have been these legends that the true character of the Kid seemed almost beyond reach

Indeed the Western poet Arthur Chapman once wrote that Billy the Kid must remain wholly the most unaccountable figure in frontier history Frazier Hunt 1885 1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling history of the Kid and his times It is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native Mexicans no less for his fluency in Spanish than for his kindness and consideration but no wanton killer In place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective So at last we have the real Billy the Kid authentic true and completely accountable *Brazilian Bulletin* ,1965 **The Billy the Kid Reader** Frederick Nolan,2014-10-20 Despite the countless books and films devoted to him Billy the Kid remains one of the most elusive figures of the Old West Now award winning western historian Frederick Nolan has scoured the published literature to offer this well rounded compendium on the life and times of William H Bonney The Billy the Kid Reader contains some of the best articles on the Kid including gems no longer in print From the first dime novel that appeared shortly after his death to the research of today s historians these writings bring Bonney s life into sharp focus Nolan highlights two distinct schools of Billy the Kid studies works of popularizers who tended to exaggerate his historical role and the findings of grassroots researchers who have reassessed our perceptions of the Kid Dozens of illustrations enhance the text illuminating the Kid s career and notoriety This collection shows that the life of William H Bonney is not yet a closed book far from it Many versions of his life remain little more than unchallenged tradition The Billy the Kid Reader puts that lengthy body of work in perspective and will satisfy seasoned Kid aficionados as well as first time readers eager to learn more about the man and the legend **In the Days of Billy the Kid** James B. Mills,2025-05-19 The legend of Billy the Kid and the Lincoln County War remains prominent in the annals of American frontier history but for men like Jos Ch vez y Ch vez Juan Patr n Mart n Ch vez and Yginio Salazar it was merely one famous epoch in a much broader struggle The Hispanos of frontier New Mexico spent decades engaging in various forms of resistance against the corruption exploitation and violent oppression that frequently plagued their homeland following the conclusion of the Mexican American War in 1848 James B Mills author of the award winning Billy the Kid El Bandido Simptico provides readers with a wealth of new information in his quest to tell the Hispano side of things in a history largely centered around the lives of lawman turned outlaw Jos Ch vez y Ch vez intellectual prodigy Juan Patr n conservative journeyman Mart n Ch vez and resilient vaquero Yginio Salazar A study that extends far beyond the Lincoln County War and into the twentieth century In the Days of Billy the Kid also explores the Horrell War the arrival of the railroads the rise of the Herrera brothers and Los Gorras Blancas The White Caps the people s movement in San Miguel County and the infamous Vicente Silva and his Sociedad de Bandidos Society of Bandits Mills also casts some light on lesser known bandidos like the dangerous Nicolas Arag n the repentant Germ n Maestas and perennial jailbird Porfirio Trujillo Providing readers with fresh perspective a wagonload of untapped history and more than a hundred photographs In the Days of Billy the Kid is an

unprecedented study of Nuevo M xico in frontier times and the early twentieth century that belongs on the bookshelf of any American West aficionado      *Special Agents Series* ,1919      **The Real Billy the Kid Revealed** Jim Johnson,2022-11-24
