The Killer's Confession: Descended into Madness Pasquale De Marco, 2025-05-06 *The Killer's Confession* Descended into Madness is a gripping and disturbing journey into the mind of a contract killer. It is a story of violence, betrayal, and redemption. Pasquale De Marco has spent years interviewing killers, and his insights into their world are both fascinating and terrifying. He shows us how killers think, how they operate, and how they justify their actions. *The Killer's Confession* Descended into Madness is not for the faint of heart. It is a graphic and unflinching look at the dark side of human nature. But it is also a story of hope. It shows us that even the most hardened criminals can change, and that redemption is possible, even for the most heinous crimes. In *The Killer's Confession* Descended into Madness, Pasquale De Marco tells the story of James Jimmy Keene, a contract killer who has murdered over 20 people. Keene is a complex and contradictory figure. He is a cold-blooded killer, but he is also a loving father and husband. He is a man who has committed unspeakable crimes, but he is also capable of great kindness. Keene's story is a cautionary tale about the dangers of violence. It is a story about the power of redemption. And it is a story about the human capacity for both good and evil. *The Killer's Confession* Descended into Madness is a must-read for anyone who is interested in the dark side of human nature. It is a book that will stay with you long after you finish reading it. If you like this book, write a review on Google Books. The Killer's Tears Anne-Laure

Bondoux, 2008-12-18 On the afternoon when Angel Allegria arrives at the Poloverdos farmhouse, he kills the farmer and his wife. But he spares their child, Paolo, a young boy who will claim this as the day on which he was born. Together, the killer and the boy begin a new life on this remote and rugged stretch of land in Chile. Then Luis Secunda, a well-to-do and educated fellow from the city, descends upon them. Paolo is caught in the paternal rivalry between the two men. But life resumes its course until circumstances force the three to leave the farm. In doing so, Angel and Luis confront their pasts as well as their inevitable destinies, destinies that profoundly shape Paolo's own future. *The Killers* George Lippard, 2014-07-17

PHILADELPHIA In the 1840s, a corrupt banker disowns his dissolute son, who then reappears as a hardened smuggler in the contraband slave trade. Another son, hidden from his father since birth and condemned as a former felon, falls in with a ferocious street gang led by his elder brother and his revenge-hungry comrade from Cuba. His adopted sister, a beautiful actress, is kidnapped, and her remorseful black captor becomes her savior as his tavern is engulfed in flames. Vendetta, gang violence, racial tensions, and international intrigue collide in an explosive novella based on the events leading up to an infamous 1849 Philadelphia race riot. *The Killers* takes the reader on a fast-paced journey from the hallowed halls of academia at Yale College to the dismal solitary cells of Eastern State Penitentiary and through southwest Philadelphia's community of free African Americans. Though the book's violence was ignited by the particulars of Philadelphia life and politics, the flames were fanned by nationwide anxieties about race, labor, immigration, and sexuality that emerged in the young republic. Penned by fiery novelist, labor activist, and reformer George Lippard (1822-1854) and first serialized in 1849.

The Killers was the work of a wildly popular writer who outsold Edgar Allan Poe and Nathaniel Hawthorne in his lifetime. Long out of print, the novella now appears in an edition supplemented with a brief biography of the author. An untangling of the book's complex textual history and excerpts from related contemporaneous publications. Editors Matt Cohen and Edlie L. Wong set the scene of an antebellum Philadelphia rife with racial and class divisions implicated in the international slave trade and immersed in Cuban annexation schemes to frame this compact and compelling tale. Serving up in a short form the same heady mix of sensational narrative, local color, and impassioned politics found in Lippard's sprawling *The Quaker City* or *The Monks of Monks Hall*, *The Killers* is here brought back to lurid life. **John Woo's The Killer** Kenneth E.

*The Serial Killer's Apprentice* James Renner, 2008 Discusses twelve cold cases in Northeast Ohio involving murders and abductions. **The San Francisco Terror: A Killer's Coded Legacy** Alan Russo, 2024-12-17 Unveiling the chilling story of the Zodiac Killer, a master of cryptic communication and one of America's most notorious serial murderers, this captivating book delves into the depths of the case that captivated the nation. With a gripping account of the victims, the infamous ciphers, and the psychological profile of the elusive killer, it paints a vivid picture of the Zodiac's reign of terror. As the investigation unfolds, readers are taken on a thrilling journey through the suspects, the manhunt, and the unsolved mysteries that continue to haunt the case. This book is a captivating blend of true crime, historical suspense, and psychological intrigue, offering an unforgettable exploration of the enduring fascination surrounding the Zodiac Killer.
