The Kincaids:

The Kincaids Matt Braun,1999-05-15 The classic Golden Spur Award winning novel of a man a family and a nation He came off the frontier a buffalo hunter a gambler a loner In Abilene he won a saloon at cards and earned the fear of a lawless town From then on Jake Kincaid would not be stopped He began a rampage of ambition and deal making that forever changed a land called Kansas and the Indian Territories But along the way the deeds and misdeeds of Jake Kincaid affected more than the frontier they shaped the lives of his two sons One who became a lawman One who became an outlaw Both destined to come face to face behind blazing guns From Wild Bill Hickok to the Dolan outlaw gang to Teddy Roosevelt s Rough Riders The Kincaids tells the classic saga of America at its most adventurous through the eyes of three generations who made laws broke laws and became legends in their time **The Kincaids - Denver** Nancy Morse,2021-06-28 Oldest of the Kincaid boys Denver Kincaid is a hard working loner haunted by guilt over his part in his younger brother s abduction by the Kiowa years earlier Convinced no woman would want a man who d been unable to protect his own kin he has resigned himself to a life without love Nell Hayes flees the lonely life of a circus performer in New Orleans and arrives in Texas under false pretenses only to find her life in danger when a greedy railroad tycoon covets her land Denver comes to her aid never expecting to fall hard for the pretty pretender But will Nell s secret and Denver s inability to come to terms with the past stand in the way of these two lonely hearts long awaited chance at love *The Kincaids - Dallas* Nancy Morse,2021-06-28 Dallas Kincaid was five years old when the Kiowa swept down from the Llano Estacado in the Texas Panhandle and carried him off For 13 years he lived among them before joining Sam Houston s volunteer army in its fight for Texas independence and later riding with the Texas Rangers against the powerful Comanche Nation that threatened settlements in the newly formed Republic of Texas Now with the fighting behind him the battle scarred loner torn between two cultures has returned to the homestead he last saw as a child to the mother and older brother he left behind to the younger brothers he didn t know he had and to the love he never expected to find Orphaned after her white father and Apache mother were killed in a Comanche raid Abby McKenna lives a lonely life on the cattle ranch owned by her cantankerous grandfather and suffers his cold hostility for bearing the stigma of being a half breed Dallas s attraction to Abby is threatened by his struggle to define his own identity and by her grandfather s prejudice which will not permit the attentions of a man raised by Indians no matter how hard he fought for Texas independence giving Dallas one more battle to fight before he can lay the painful past to rest

The Kincaids Matt Braun,1999-05-15 Follows Jake Kincaid a gambler loner and hunter whose ambition and greed forever change Kansas and the Indian Territories as well as the lives of his two sons one a lawman and one an outlaw
