## **The King James Version A Novel:**

*Bible* Gordon Campbell, 2010 Illustrated with reproductions from early editions of the King James Bible Bible The Story of the King James Version offers an authoritative history of this renowned translation ranging from the Bible's inception to the present day From publisher description **The Bible: Authorized King James Version** Robert Carroll, Stephen Prickett, 2008-04-17 This unique edition of the most important book in the history of Western civilization offers an exciting new approach to the most influential of all English biblical texts the Authorized King James Version complete with the Apocrypha Its wide ranging introduction and notes draw on the most up to date scholarship to show how and why the Bible has affected the literature art and general culture of the English speaking world [The Holy Bible : Old and New Testaments \(King James Version\)](#) GOD, Various, The Holy Bible Old and New Testaments King James Version This book include History of King James Bible and their work The King James Version KJV commonly known as the Authorized Version AV or King James Bible KJB is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611 First printed by the King's Printer Robert Barker this was the third translation into English to be approved by the English Church authorities The first was the Great Bible commissioned in the reign of King Henry VIII and the second was the Bishops Bible of 1568 In January 1604 King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans a faction within the Church of England James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy The translation was done by 47 scholars all of whom were members of the Church of England In common with most other translations of the period the New Testament was translated from Greek the Old Testament was translated from Hebrew text while the Apocrypha were translated from the Greek and Latin In the Book of Common Prayer 1662 the text of the Authorized Version replaced the text of the Great Bible for Epistle and Gospel readings and as such was authorized by Act of Parliament By the first half of the 18th century the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches Over the course of the 18th century the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars Today the most used edition of the King James Bible and often identified as plainly the King James Version especially in the United States closely follows the standard text of 1769 edited by Benjamin Blayney at Oxford **Corrected King James Version** Shaun C Kennedy, 2020-05 Corrected King James Version Complete New Testament There is a legend that Thomas Jefferson used to take a knife and cut out verses of the Bible that he didn't like The results of his labor are known through the Smithsonian Museum He doubted the veracity of the biblical authors even though he believed Christ to be a great moral teacher Jefferson was not the only one to cut things out of his Bible that caused him problems Martin Luther was famous for wanting to relocate the epistle of James

to an appendix He did manage to find grounded logic by which the could remove the books of the Maccabees from his Old Testament when they were invoked against his problems with indulgences Most of protestantism has followed him in maintaining Bibles with an Old Testament handed over strictly by Jewish scribes While I admire Jefferson s and Luther s sincerity I disagree with their premise Jefferson and Luther decided what God must have said then shaped their canon to match I would rather determine what the canon is and use that to determine what God must have said I believe that The Holy Spirit has aided and guided the process of biblical development I m uncomfortable with some images of inspiration in the popular sphere The best description I ve heard for how inspiration works comes from Plato s dialog Ion In that Plato through the caricature of Socrates explains that inspiration is like a magnet and that once it touches a ring of iron the ring becomes magnetic as well I believe that God through the course of living events touches some of us When some particularly the Apostles and Prophets are in their closest communication with God their thoughts become divine When those thoughts come out on ink and paper that ink and paper becomes in a sense embedded with divine thoughts To borrow an analogy from another great thinker it is like a map of a great idea The map is not the ocean It can t get me wet I can t sail my boat on it But if I want to know the safest and best places to get wet or the most efficient way to sail my boat the map is a better guide than a swimming pool I really understand where Jefferson and Luther were coming from I really like bacon with my breakfast and there was a point in my life that I really had to take some time and put the study in on that issue After all the Bible does say And the swine though he divide the hoof and be clovenfooted yet he cheweth not the cud he is unclean to you Leviticus 11 7 and unlike Jefferson I was unwilling to just cut that verse out because it was inconvenient I wanted to know what God actually said not what I wanted God to have said I hope this dispels the fear that some could have regarding my project My aim is more in line with Erasmus than Jefferson However poorly he got started Erasmus set out to understand what the Bible said in the original language So if I still end up having texts that are difficult for me and not having the clarity of text I might hope for what is the point of creating a Corrected King James Bible The point is to get just a little bit closer to the magnet of Christ and the Prophets and the Apostles The point is the bring my ear just a few inches closer to God s lips so I can hear him that much more clearly I think that the King James translators got it wrong in 1 John 5 7 8 I think that they put words in the Bible that were never supposed to be there no matter how convenient they are for me So I m taking those words out so that I can more clearly hear the words that God has placed in the Bible My goal is to provide a single translation of God s Word according to the sources that prayer and study has convinced me is the best primary source Ultimately I would like to translate all of these myself as well but in the meantime The Corrected King James gives me a standardized English text to read and study from
