Johnson, 2007-01-01      [Hope Rising](#) Jeffrey D. Johnson, 2022-11-03 Jeffrey Johnson has created a literary tapestry that weaves together smaller sections of individual biblical puzzles that seemingly stood alone. If you have been searching for how the Bible fits together and have been overwhelmed by the complexity of the puzzle pieces, this book will take the black and white pieces of the Bible and turn them into living color. Join him in the life that God desires for you as you eat and drink from the oasis of Hope Rising Messianic Promise      **The Collegeville Bible Commentary** Robert J. Karris, 1992 The Collegeville Bible Commentary is available in an affordable two volume paperback edition. Special ease binding allows the volumes to lie open without assistance. Perfect for classroom use or personal study      **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

*Applied New Testament Bible Commentary* Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written. And the challenge for believers remains unchanged: how do we apply these truths to our everyday world? The Applied Commentary series is a fresh approach to Bible study, connecting great wisdom with your life today. Each Scripture passage is enhanced with insights on key themes and ideas. Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading. And because some subjects are open to interpretation for discussion, we've included perspectives from leading theologians from all backgrounds and denominations. The result: An interactive approach to Scripture that will challenge your ideas and build your faith, which
