Fiction this study examines the key cinematic examples of Arthuriana Boorman's *Excalibur* Bresson's *Lancelot du Lac* Rohmer's *Perceval Le Gallois* and Monty Python and the *Holy Grail* A further chapter goes on to look at the myriad other forms of cultural production based on Arthurian themes from *Bugs Bunny* to Pop Music from the Camelot of JFK to the British National Lottery This is a study that touches on many aspects of Arthuriana whilst developing two connected arguments about on the one hand the necessary anachronism of any modern Arthurian Literature and on the other the aesthetic political implications of this literature's success The whole whilst rooted in the scholarly debates on the enduring appeal of King Arthur is written in an accessible and entertaining style It will be of interest to students and teachers of Arthurian literature film and popular culture

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while

more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Dahut Poul Anderson, Karen Anderson, 2014-12-30 In book three of the King of Ys series Gratillonius's reign faces a deadly new threat from across the sea For sixteen years Gratillonius has been the king of Ys a position he has used to bring the once teetering city state back to stability as the Roman Empire continues to collapse around it Rome would prefer a more malleable leader in Gratillonius's place and makes no secret of it As pressure from Roman leadership increases Gratillonius must also contend with Niall macq Echach the leader of Northern Ireland who holds the Ysan king responsible for the death of his son Compounding these complications is the ever present threat of retribution by the Ysan gods should the kingdom's leadership make a misstep But perhaps the greatest danger of all is unfolding from within Gratillonius's own household where following the death of one of his nine wives the gods have named an unsettling replacement Dahut Gratillonius's own daughter As treachery mounts from within and without Gratillonius must hold to his principles in defiance of the gods while still protecting Ys from the destruction closing in on all sides Dahut is the third book in Poul and Karen Anderson's King of Ys series which concludes with The Dog and the Wolf
