

# Kiowa

- The **Kiowa** were the last plains group to arrive in Texas. They hunted buffalo, and gathered berries, fruits and nuts. They traded with other groups for what they did not have. The hair of the **Kiowa** men was long but over the right ear it was short. The **Kiowa** and the **Comanche** were allies.

# The Kiowa Plains

**Laron Davis**

## **The Kiowa Plains:**

Kiowa Humanity and the Invasion of the State Jacki Thompson Rand, 2008-01-01 Kiowa Humanity and the Invasion of the State illuminates the ways in which Kiowas on the southern plains dealt with the U S government's efforts to control them after they were forced onto a reservation by an 1867 treaty The overarching effects of colonial domination resembled those suffered by other Native groups at the time a considerable loss of land and population decline as well as a continual erosion of the Kiowas political cultural economic and religious sovereignty and traditions Although readily acknowledging these far reaching consequences Jacki Thompson Rand sees the root impact of colonialism and the concomitant Kiowa responses as centered less on policy disputes than on the disruptions to their daily life and to their humanity Colonialism attacked the Kiowas on the most human everyday level through starvation outbreaks of smallpox emotional disorientation and continual difficulties in securing clothing and shelter and the Kiowas responses and counterassertions of sovereignty thus tended to focus on efforts to feed their people sustain the physical community and preserve psychic equilibrium Offering a fresh original view of Native responses to colonialism this study demonstrates amply that Native struggles against the encroachment of the state go well beyond armed resistance and political strategizing Rand shows that the Native response was born of everyday survival and the yearning for well being and community **The Kiowa of Texas** Laron

Davis, 2002-12-15 Discusses the origins social structure spiritual beliefs and daily life of the Kiowa Indians as well as examining their contributions to American culture The Kiowa Tribe and Inter-tribal Relations on the Southern Plains

Stephen Zimmer, 1976 **Kiowa Ethnogeography** William C. Meadows, 2010-01-01 Examining the place names geographical knowledge and cultural associations of the Kiowa from the earliest recorded sources to the present Kiowa Ethnogeography is the most in depth study of its kind in the realm of Plains Indian tribal analysis Linking geography to political and social changes William Meadows applies a chronological approach that demonstrates a cultural evolution within the Kiowa community Preserved in both linguistic and cartographic forms the concepts of place homeland intertribal sharing of land religious practice and other aspects of Kiowa life are clarified in detail Native religious relationships to land termed geosacred by the author are carefully documented as well Meadows also provides analysis of the only known extant Kiowa map of Black Goose its unique pictographic place labels and its relationship to reservation era land policies Additional coverage of rivers lakes and military forts makes this a remarkably comprehensive and illuminating guide

**Autobiography of a Kiowa Indian** Charles E. Apekaum, 2025 Anthropologist Benjamin R Kracht presents one of the few Kiowa autobiographies in publication the life narrative of Charles E Apekaum of the Kiowa Nation of Oklahoma whose services as a translator were sought by many The Kiowa Plains Frank Ketchum, 1978 *Encyclopedia of the Great Plains* David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging pun intended encyclopedia of this important region Their objective was to give definition to a region that has traditionally been

poorly defined and they have

**The Apache Peoples** Jessica Dawn Palmer, 2013-07-30 This book presents a comprehensive history of the seven Apache tribes tracing them from their genetic origins in Asia and their migration through the continent to the Southwest The work covers their social history verbal traditions and mores The final section delineates the recorded history starting with the Spanish expedition of 1541 through the Civil War

**American Indian Wars** Justin D. Murphy, 2022-01-11 Providing an indispensable overview of the American Indian Wars this book focuses on Native American tribes and warriors and their varying responses to the onslaught of European colonists and American settlers in the centuries following contact This work provides an overview of the Indian Wars from the arrival of Europeans until 1890 The work focuses primarily on Native American tribes and warriors and their role in battles and campaigns against other Native Americans and Europeans Americans while also including key European American leaders and soldiers as well as treaties between Native Americans and Europeans Americans The introduction provides a broad overview of the Indian Wars and also considers whether the Indian Wars should be considered genocide The bibliography focuses on the most important works published on the Indian Wars Each entry also includes a list of references for readers to consult The work also includes a collection of primary source documents that span the entire time period

*Indian Nations of North America* Anton Treuer, 2010 Categorized into eight geographical regions this encyclopedic reference examines the history beliefs traditions languages and lifestyles of indigenous peoples of North America

[Native Nations](#) Kathleen DuVal, 2025-05-27 PULITZER PRIZE WINNER A magisterial overview of a thousand years of Native American history The New York Review of Books from the rise of ancient cities more than a thousand years ago to fights for sovereignty that continue today WINNER OF THE BANCROFT PRIZE THE CUNDILL HISTORY PRIZE AND THE MARK LYNTON HISTORY PRIZE Long before the colonization of North America Indigenous Americans built diverse civilizations and adapted to a changing world in ways that reverberated globally And as award winning historian Kathleen DuVal vividly recounts when Europeans did arrive no civilization came to a halt because of a few wandering explorers even when the strangers came well armed A millennium ago North American cities rivaled urban centers around the world in size Then following a period of climate change and instability numerous smaller nations emerged moving away from rather than toward urbanization From this urban past egalitarian government structures diplomacy and complex economies spread across North America So when Europeans showed up in the sixteenth century they encountered societies they did not understand those having developed differently from their own and whose power they often underestimated For centuries afterward Indigenous people maintained an upper hand and used Europeans in pursuit of their own interests In *Native Nations* we see how Mohawks closely controlled trade with the Dutch and influenced global markets and how Quapaws manipulated French colonists Power dynamics shifted after the American Revolution but Indigenous people continued to command much of the continent's land and resources Shawnee brothers Tecumseh and Tenskwatawa forged new alliances and encouraged a controversial new definition of Native identity to

attempt to wall off U S ambitions The Cherokees created institutions to assert their sovereignty on the global stage and the Kiowas used their power in the west to regulate the passage of white settlers across their territory In this important addition to the growing tradition of North American history centered on Indigenous nations Kathleen DuVal shows how the definitions of power and means of exerting it shifted over time but the sovereignty and influence of Native peoples remained a constant and will continue far into the future An essential American history The Wall Street Journal Encyclopedia Of American Indian Costume Josephine Paterek,1996-03-05 A beautifully produced and illustrated bandw reference that offers complete descriptions and cultural contexts of the dress and ornamentation of the North American Indian tribes The volume is divided into ten cultural regions with each chapter giving an overview of the regional clothing Individual tribes of the area follow in alphabetical order Tribal information includes men s basic dress women s basic dress footwear outer wear hair styles headgear accessories jewelry armor special costumes garment decoration face and body embellishment transitional dress after European contact and bibliographic references Appendices include a description of clothing arts and a glossary Annotation copyright by Book News Inc Portland OR **Silver Horn** Candace S. Greene,2001 Plains Indians were artists as well as warriors and Silver Horn 1860 1940 a Kiowa artist from the early reservation period may well have been the most prolific Plains Indian artist of all time Known also as Haungooah his Kiowa name Silver Horn was a man of remarkable skill and talent Working in graphite colored pencil crayon pen and ink and watercolor on hide muslin and paper he produced more than one thousand illustrations between 1870 and 1920 Silver Horn created an unparalleled visual record of Kiowa culture from traditional images of warfare and coup counting to sensitive depictions of the sun dance early Peyote religion and domestic daily life At the turn of the century he helped translate nearly the entire corpus of Kiowa shield designs into miniaturized forms on buckskin models for Smithsonian ethnologist James Mooney Born in 1860 when huge bison herds still roamed the southern plains Silver Horn grew up in southwestern Oklahoma Son of a chief and member of an artistically gifted family he witnessed traumatic changes as his people went from a free roaming buffalo hunting culture to reservation life and ultimately to forced assimilation into white society Although perceived as a troublemaker in midlife because of his staunch resistance to the forces of civilization Silver Horn became to many a romantic example of the real old time Indian In this presentation of Silver Horn s work showcasing 43 color and 116 black and white illustrations Candace S Greene provides a thorough biographical portrait of the artist and through his work assesses the concepts and roles of artists in Kiowa culture Religious Revitalization Among the Kiowas Benjamin R. Kracht,2018-04-01 Framed by theories of syncretism and revitalization Religious Revitalization among the Kiowas examines changes in Kiowa belief and ritual in the final decades of the nineteenth century During the height of the horse and bison culture Kiowa beliefs were founded in the notion of daudau a force permeating the universe that was accessible through vision quests Following the end of the Southern Plains wars in 1875 the Kiowas were confined within the boundaries of the Kiowa Comanche Apache Plains Apache Reservation As wards of

the government they witnessed the extinction of the bison herds which led to the collapse of the Sun Dance by 1890 Though prophet movements in the 1880s had failed to restore the bison other religions emerged to fill the void left by the loss of the Sun Dance Kiowas now sought daudau through the Ghost Dance Christianity and the Peyote religion Religious Revitalization among the Kiowas examines the historical and sociocultural conditions that spawned the new religions that arrived in Kiowa country at the end of the nineteenth century as well as Native and non Native reactions to them A thorough examination of these sources reveals how resilient and adaptable the Kiowas were in the face of cultural genocide between 1883 and 1933 Although the prophet movements and the Ghost Dance were short lived Christianity and the Native American Church have persevered into the twenty first century Benjamin R Kracht shows how Kiowa traditions and spirituality were amalgamated into the new religions creating a distinctive Kiowa identity

**Sending My Heart Back Across the Years** Hertha Dawn Wong, 1992-03-12 Using contemporary autobiography theory and literary historical and ethnographic approaches Wong explores the transformation of Native American autobiography from pre contact oral and pictographic personal narratives through late nineteenth early twentieth century life histories to written contemporary autobiographies This book expands the definition of autobiography to include non written forms of personal narrative and non Western concepts of self highlighting the incorporation of traditional tribal modes of self narration with Western forms of autobiography and charting the historical transition from orality to literacy

**Treaties with American Indians** Donald L. Fixico, 2007-12-12 This invaluable reference reveals the long often contentious history of Native American treaties providing a rich overview of a topic of continuing importance Treaties with American Indians An Encyclopedia of Rights Conflicts and Sovereignty is the first comprehensive introduction to the treaties that promised land self government financial assistance and cultural protections to many of the over 500 tribes of North America including Alaska Hawaii and Canada Going well beyond describing terms and conditions it is the only reference to explore the historical political legal and geographical contexts in which each treaty took shape Coverage ranges from the 1778 alliance with the Delaware tribe the first such treaty to the landmark Worcester v Georgia case 1832 which affirmed tribal sovereignty to the 1871 legislation that ended the treaty process to the continuing impact of treaties in force today Alphabetically organized entries cover key individuals events laws court cases and other topics Also included are 16 in depth essays on major issues Indian and government views of treaty making contemporary rights to gaming and repatriation etc plus six essays exploring Native American intertribal relationships region by region

*Ethnic Groups of the Americas* James B. Minahan, 2013-03-14 Intended to help students explore ethnic identity one of the most important issues of the 21st century this concise one stop reference presents rigorously researched content on the national groups and ethnicities of North America Central America South America and the Caribbean Combining up to date information with extensive historical and cultural background the encyclopedia covers approximately 150 groups arranged alphabetically Each engaging entry offers a short introduction detailing names population estimates language and religion

This is followed by a history of the group through the turn of the 19th century with background on societal organization and culture and expanded information on language and religious beliefs The last section of each entry discusses the group in the 19th 20th and 21st centuries including information on its present situation Readers will also learn about demographic trends and major population centers parallels with other groups typical ways of life and relations with neighbors Major events and notable challenges are documented as are key figures who played a significant political or cultural role in the group s history Each entry also provides a list for further reading and research

**When the Wolf Came** Mary Jane Warde, 2013-11-01  
Winner of the 2014 Oklahoma Book Award for nonfiction Winner of the 2014 Pate Award from the Fort Worth Civil War Round Table When the peoples of the Indian Territory found themselves in the midst of the American Civil War squeezed between Union Kansas and Confederate Texas and Arkansas they had no way to escape a conflict not of their choosing and no alternative but to suffer its consequences When the Wolf Came explores how the war in the Indian Territory involved almost every resident killed many civilians as well as soldiers left the country stripped and devastated and cost Indian nations millions of acres of land Using a solid foundation of both published and unpublished sources including the records of Cherokee Choctaw and Creek nations Mary Jane Warde details how the coming of the war set off a wave of migration into neighboring Kansas the Red River Valley and Texas She describes how Indian Territory troops in Unionist regiments or as Confederate allies battled enemies some from their own nations in the territory and in neighboring Kansas Missouri and Arkansas And she shows how post war land cessions forced by the federal government on Indian nations formerly allied with the Confederacy allowed the removal of still more tribes to the Indian Territory leaving millions of acres open for homesteads railroads and development in at least ten states Enhanced by maps and photographs from the Oklahoma Historical Society s photographic archives When the Wolf Came will be welcomed by both general readers and scholars interested in the signal public events that marked that tumultuous era and the consequences for the territory s tens of thousands of native peoples

**The Plains Indians of the Twentieth Century** Peter Iverson, 1985 Essays consider water rights wartime participation religious heritage open reservations economic issues tribal leadership and the Indian rights movement [Native Americans](#)

Barry M. Pritzker, 1998-10-01 This landmark two volume source ranks as one of the field s most comprehensive guides to Native American studies offering historical cultural and modern reference supporting a complete range of research The history culture and present state of Native America is revealed explored and explained in this the most comprehensive reference work on the indigenous peoples of North America ever assembled Anyone and everyone interested in Native Americans will find Native Americans indispensable Systematically presenting historical and modern data for all known Native American groups in Canada and the United States the different groups are listed alphabetically within 10 culture areas The volumes are richly illustrated and include photos and drawings culture area and tribal location maps a master bibliography bibliographic citations for each tribal entry a glossary and a subject index
