The Knives Of Dawn:

The Knives of Dawn Christopher Hottel, 1970 *The Breath of a Dragon* Jaylen B. Kroupa, 2011-03-07 *Our Word is Our Weapon* Subcomandante Marcos, 2011-01-04 In this landmark book Seven Stories Press presents a powerful collection of literary philosophical and political writings of the masked Zapatista spokesperson Subcomandante Insurgente Marcos Introduced by Nobel Prize winner Jos Saramago and illustrated with beautiful black and white photographs *Our Word Is Our Weapon* crystallizes the passion of a rebel the poetry of a movement and the literary genius of indigenous Mexico Marcos first captured world attention on January 1 1994 when he and an indigenous guerrilla group calling themselves Zapatistas revolted against the Mexican government and seized key towns in Mexico's southernmost state of Chiapas In the six years that have passed since their uprising Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement building rebellion and democracy The prolific stream of poetic political writings tales and traditional myths that Marcos has penned since January 1 1994 fill more than four volumes *Our Word Is Our Weapon* presents the best of these writings many of which have never been published before in English Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance expressing through manifestos and myths the universal human urge for dignity democracy and liberation It is the voice of a people refusing to be forgotten the voice of Mexico in transition the voice of a people struggling for democracy by using their word as their only weapon **Dawn's First Blush** Ronald C. Beach/Lee W. Pitts, 2014-03-03 Dawn's First Blush with its sparkling glow was still shining brightly through the single dingy window of the building securely tucked away in one of Montana's dense forests but its warmth brought no comfort to those inside the small building It only succeeded in chilling their hearts as this like other days merely seemed to bring them closer to an unknown fate Some of those in the small cabin had been there for over a week while others had been shoved into the building before the morning's first blush All but two of the captives wore disheveled street garb familiar to the homeless threadbare clothes that had seen their better days fingerless gloves and shoes with holes showing through the soles There were no exceptions of this general rule other than the two men who sat shoulder to shoulder in a corner whispering in low voices Dressed in what were once fine suits with white shirts and silk ties they sat huddled in bewilderment Their fine suits now disheveled and wrinkled the shirts no longer white and the ties strained and hanging askew around their necks Their faces were covered with lacerations the handiwork of the men who had overpowered them as they approached the gate leading to the camp **Dawn's Uncertain Light** Neal Barrett, Jr., 2016-02-10 After The Fall America's Great Dream is over Centuries ago it was devastated by the ultimate war The effects still linger Food is scarce water even scarcer and human compassion nowhere to be found Even so society is slowly rebuilding itself But is it a society whose thirst for success is built on an enormous barbaric lie Silver Island an almost legendary place to most Americans The citadel where the government is building a new and better nation from the ashes of the war ravaged land Everyone envies

the few children who are chosen to be sent to Silver Island to help realize that dream At least that s what Howie Ryder was told when his little sister became one of the Chosen And that s what he believed before the soldiers slaughtered his parents Six years on Howie has discovered the horrifying truth about Silver Island And will do anything anything to rescue his sister from its grip **Journal of American Folklore** ,1928 A Poetics of Resistance Jeff Conant,2010 How to market a new and better world and win **A Place Called No Homeland** Kai Cheng Thom,2017-04-17 This powerful poetry collection seeks to map the emotional and spiritual territory of diaspora violence abuse and exile Kai Cheng incorporates autobiographical details from her own childhood and adult life with the rhythms of the oral storytelling tradition and fairytale motifs poignantly depicting the plight of trans women of color **Ohio** Jonathan Kensett,2007-09 Dear reader the first novel of this series is titled OHIO And maybe you are on your computer right now trying to decide whether or not to purchase it Maybe you are in a bookstore and holding it in your hands you have studied its cover you ve already read the opening lines and you ve flipped to the middle and read something there Maybe you have read the last paragraph Maybe you have done the same with all three novels Dear reader the novels are not for you unless you possess the desire to listen with all your heart to the words you will find in them If this desire is yours I Jonathan Kensett welcome you into a world I could not have known if I had not listened with all my heart as well that fateful evening when I had dinner with Abby Vredenburg in Sunbury Ohio That night the real journey began for me Dear reader I would invite you to journey with me through OHIO and then to continue the journey through IN THE DAYS OF CORONADO and TERRAM NOVAM After you have read the first three there are more NOWHERE soon to be released is the story of a ghost town in Southeast Utah but it is much more than just a story about a ghost town ROSE OF SHARON 1896 1974 also soon to be released is the story of a little town in Northern Ohio established in 1866 in the novel OHIO it is the story of the town seen through the eyes of three generations of another family and it too is much more than a story about a small town And the next novel in the series THE SIX POINTS OF THE STAR is still a shadowy sketch inside my mind But it can t remain a sketch for much longer Sometimes I wish I had never gone to Ohio to observe that Civil War Battlefield Reenactment of the Battle of Second Bull Run and to write that series of articles for Stars and Stripes Magazine Sometimes I wish I had not met Abby Vredenburg may he rest in peace Sometimes I wish I had not gone to New Mexico and found what I found on the mesa Sometimes I look into the mirror and wish so many things could have been different I wish I would not have to think about certain things like war and death like pain and loss and grief and deception and betrayal I wish life could be free of such things I long for redemption and freedom from suffering I long for a world where nothing is hidden because there is no reason to hide And I long for the day when this story is finished but the more I write the more I understand it can never be finished until Jonathan Kensett was born in 1952 and spent his youth traveling and living in many many places on planet earth At age seventeen he lied to get into the U S Army was sent to Viet Nam and served in Company D 1st Battalion 501st Infantry Regiment 101st Airborne Division 1969 1970 After that he went

to Harvard and earned degrees in journalism and law He has not practiced law choosing instead to be a free lance writer He will always wonder if he made the right choice Now that he is too old to change he might as well try to enjoy every day as much as possible No one writes like him No one

You Can Kill Each Other After I Leave Patrick Strickland,2025-04-15

In the vein of George Orwell s *Homage to Catalonia* and Martha Gellhorn s *The View from the Ground* a remarkable work of reportage based on hundreds of hours of on the ground reporting that tells how Greece s violent far right is trying to destroy the birthplace of democracy In 2012 Greece s far right political party the Golden Dawn were building a significant street presence in Greece Over the previous decade they had grown from a tiny group of neofascist brawlers to a formidable vigilante force responsible for multiple murders street fights and shootings On the eve of the 2012 election one of their candidates said that the knives will come out after the elections And the knives did come out Golden Dawn became a significant parliamentary presence and used it as a platform to escalate their terror campaigns against migrants and leftists across the country They also became an inspiration for far right groups across Europe and the Americas Journalist Patrick Strickland first arrived in Greece in 2015 to cover the European refugee crisis just as Golden Dawn were ramping up their campaign of terror With an eye for journalistic detail that recalls Orwell s reportage in Spain Strickland traces the antecedents of Golden Dawn to the dark years of Nazi occupation and subsequent military dictatorship and looks at the post 2008 economic crisis that emboldened the far right He also introduces us to the resistance forces standing up to the right taking us to the Greek islands where people rallied together to support the hundreds of thousands of refugees traveling across the Aegean Sea Strickland also takes us to the anarchist squats in Athens where activists took over abandoned buildings and opened them up to the refugees a tactic they viewed as an anti fascist alternative to dooming migrants to life in the squalid refugee camps *You Can Kill Each Other After I Leave* is an exemplary work of narrative nonfiction and compelling journalism that provides an intimate portrait of the stories of migrants and activists resisting the growth of the far right as well as a vivid and shrewd analysis of the evolving political landscape in Greece and Europe

The Friend ,1921 *Kill Shot* Jessie Kwak,2020-09-08

The final chapter of the Bulari Saga Willem Jaantzen never wanted fame he never wanted notoriety All he s ever wanted is to keep the people he loves safe but now the fate of Bulari and the rest of humanity rests on his shoulders And he has one final play to end this game once and for all The Bulari Saga a fast paced series of gangster sci fi stories set in a far future world where humans may have left their home planet to populate the stars but they haven t managed to leave behind their vices And that s very good for business For fans of *Firefly* *The Godfather* and *The Expanse*
