Kabir Helminski, 2023-04-04 A contemporary exploration into the meaning and possibility of our human existence through the universal insights of the 13th century Persian poet and Sufi mystic Rumi by pre eminent Rumi translator Kabir Helminski The 13th century poet and mystic Rumi has become one of the most popular spiritual voices of our time known and loved by people of many faiths and worldviews for his rich metaphors images poems and stories *The Mysterion* deepens our appreciation of his teachings by illuminating both the practical psychological dimension behind them as well as the universal spiritual truths they offer about what it means to be human In this philosophical survey Kabir Helminski one of the foremost translators and writers of Sufi texts gives us a contemporary lens through which to view and understand the Mysterion the unifying concept that bridges the human and the divine and that connects the individual soul with spiritual Reality This book is centered on that core unifying concept of the Mysterion the essence and intrinsic meaning of being human Rumi says

Helminski would suggest that in our human existence we might accomplish many marvels but they will amount to little if we neglect cultivating the divine potential within us Like a mirror he says we can reflect a spectrum of divine qualities depending on how polished and clean our mirror is Likewise our mirrors can become distorted and corroded by egoism and negativity Our practical work says Helminski and Rumi is to remove distortions from our souls and align ourselves with this higher order reality and divine agency through humility reverence surrender and love *Find Your Soul's Purpose* Janet Conner, 2017-04-01 Discover your divine purpose and live the life you were meant to live with this inspirational and deeply spiritual guide Who am I Why am I here What is my purpose These are questions we have all asked ourselves at some point in our lives Though we know ourselves best it can be difficult to separate who we are from who we want to be or how others see us We present so many different versions of ourselves to the world that our true identity can get lost in the process Maybe you've been on a steady path for a while and you're only now beginning to question if you've been heading in the right direction Maybe you've wandered all your life with no direction at all Either way writer and spiritual guide Janet Conner offers the tools to reconnect with ourselves and the divine purpose affixed to our souls Read *Find Your Soul's Purpose* and discover An inspirational and spiritual book with a soul community creator as your guide Renewal of meaning in your day to day life A journey to finding yourself and your divine purpose *Following Jesus* John Shea, The brilliant theologian and popular storyteller John Shea introduces us to a Jesus who is uncompromising in his desire for us to follow him and experience peace joy love and assurance Filled with captivating stories and profound theological insights *Following Jesus* will challenge and inspire you *Dusk at Turquoise Lake* Marvin T. Miles, 2012-12 *Dusk at Turquoise Lake* is about the mystique of any given day It is an exhilarating exploration about life love yearning and retrospection Two lovers displaced by their careers and life paths live on different continents During their separation the author refuses to lapse into zombiesque depression Instead he writes to his beloved as an attempt to dissolve the time and space between them Though separated from their mutual breath he delves into the nature of things whether through conceptual spiritual or personal experience What unfolds is an extraordinary journey that unleashes creativity and insight He paints emotions deep and penetrating ideas and conceptual and spiritual philosophies that will either draw them together or pull them apart The author's lilting prose chronicles the pain of absence gentle acceptance and insightful understanding of separation and unity fate and destiny *Dusk at Turquoise Lake* is a time capsule It is a love story that began years ago which is both personal and universal It brings the author to the present most certainly altered more mature and deepened For any explorer of the heart and soul *Dusk at Turquoise Lake* is a journey that opens a pathway to self discovery and reflection on life's only true work to love and be loved
