The Kojiki Records Of Ancient Matters

Katrin Zwirgmaier

The Kojiki Records Of Ancient Matters:

Kojiki, 2012-06-19 Written by imperial command in the eighth century The Kojiki Records of Ancient Matters is Japan's classic of classics the oldest connected literary work and the fundamental scripture of Shinto A more factual history called the Nihongi or Nihon Shoki Chronicles of Japan was completed in A D 720 but The Kojiki remains the better known perhaps because of its special concern with the legends of the gods with the divine descent of the imperial family and with native Shinto Both works have immense value as records of the development of Japan into a unified state with a well defined character Indeed even the mythological aspects were accepted as fact throughout most of subsequent Japanese history until the defeat and disillusionment of the nation in 1945 This classic text is a key to the historical roots of the Japanese people their early life and the development of their character and institutions as well as a lively mixture of legend and history genealogy and poetry It stands as one of the greatest monuments of Japanese literature because it preserves more faithfully than any other book the mythology manners language and traditions of Japan It provides furthermore a vivid account of a nation in the making The work opens when chaos had begun to condense but force and form were not yet manifest and there was nought named nought done It recounts the mythological creation of Japan by the divine brother and sister Izanami and Izanagi tales of the Sun Goddess and other deities the divine origin of Jimmu the first emperor and the histories of subsequent reigns Epic material is complemented by a fresh bucolic vein expressed in songs and poetry This famous translation by the British scholar Basil Hall Chamberlain is enhanced by notes on the text and an extensive introduction discussing early Japanese society as well as The Kojiki and its background Important for its wealth of information The Kojiki is indispensable to anyone interested in things Japanese

The Kojiki Basil Hall Chamberlain, Of all the mass of Japanese literature which lies before us as the result of nearly twelve centuries of book making the most important Monument is the work entitled *Ko ji ki* or Records of Ancient Matters which was completed in A D 712 It is the most important because it has preserved for us more faithfully than any other book the mythology the manners the language and the traditional history of Ancient Japan Indeed it is the earliest authentic connected literary product of that large division of the human race which has been variously denominated Turanian Scythian and Altaic and it even precedes by at least a century the most ancient extant literary compositions of non Aryan India Soon after the date of its compilation most of the salient features of distinctive Japanese nationality were buried under a superincumbent mass of Chinese culture and it is to these Records and to a very small number of other ancient works such as the poems of the Collection of a Myriad Leaves and the Shinto Rituals that the investigator must look if he would not at every step be misled in attributing originality to modern customs and ideas which have simply been borrowed wholesale from the neighbouring continent It is of course not pretended that even these Records are untouched by Chinese influence that influence is patent in the very characters with which the text is written But the influence is less and of another kind If in the traditions preserved and in the customs alluded to we detect the Early Japanese

in the act of borrowing from China and perhaps even from India there is at least on our author's part no ostentatious decking out in Chinese trappings of what he believed to be original matter after the fashion of the writers who immediately succeeded him. It is true that this abstinence on his part makes his compilation less pleasant to the ordinary native taste than that of subsequent historians who put fine Chinese phrases into the mouths of emperors and heroes supposed to have lived before the time when intercourse with China began. But the European student who reads all such books not as a pastime but in order to search for facts will prefer the more genuine composition. It is also accorded the first place by the most learned of the native literati. Of late years this paramount importance of the Records of Ancient Matters to investigators of Japanese subjects generally has become well known to European scholars and even versions of a few passages are to be found scattered through the pages of their writings. Thus Mr Aston has given us in the Chrestomathy appended to his Grammar of the Japanese Written Language a couple of interesting extracts. Mr Satow has illustrated by occasional extracts his elaborate papers on the Shint Rituals printed in these Transactions and a remarkable essay by Mr Kempermann published in the Fourth Number of the Mittheilungen der Deutschen Gesellschaft f r Natur und V lkerkunde Ostasiens though containing no actual translations bases on the account given in the Records some conjectures regarding the origins of Japanese civilization which are fully substantiated by more minute research. All that has yet appeared in any European language does not however amount to one twentieth part of the whole and the most erroneous views of the style and scope of the book and its contents have found their way into popular works on Japan. It is hoped that the true nature of the book and also the true nature of the traditions customs and ideas of the Early Japanese will be made clearer by the present translation the object of which is to give the entire work in a continuous English version and thus to furnish the European student with a text to quote from or at least to use as a guide in consulting the original. The only object aimed at has been a rigid and literal conformity with the Japanese text. Fortunately for this endeavour though less fortunately for the student one of the difficulties which often beset the translator of an Oriental classic is absent in the present case. There is no beauty of style to preserve some trace of which he may be tempted to sacrifice a certain amount of accuracy. The Records sound queer and bald in Japanese as will be noticed further on and it is therefore right even from a stylistic point of view that they should sound bald and queer in English. The only portions of the text which from obvious reasons refuse to lend themselves to translation into English after this fashion are the indecent portions. But it has been thought that there could be no objection to rendering them into Latin. Latin as rigidly literal as is the English of the greater part. *Kojiki, The*, 2009-03 **The Kojiki B.**

Chamberlain, 2012-06-11 This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks. For those who have known and loved these works in the past this is an invitation to reunite with old friends in a fresh new format. From Shakespeare's finesse to Oscar Wilde's wit this unique collection brings together works as diverse and influential as *The Pilgrim's Progress* and *Othello*. As an anthology that invites readers to

immerse themselves in the masterpieces of the literary giants it is must have addition to any library *Kojiki* ,1906

"Kojiki" ,1882 The Kojiki, or Records of Ancient Matters Anonymous,2022-08-10 The Kojiki or Records of Ancient Matters is a seminal work in Japanese literature presenting a rich tapestry of mythology history and genealogical records Compiled in 712 CE this text serves as one of Japan s oldest extant chronicles interweaving Shinto myths and the ancestral lineage of the imperial family with a distinct poetic language that reflects the oral traditions of its time The narrative structure combines prose and poetry creating a multifaceted portrayal of Japan s creation myths and early historical narratives that have significantly shaped the nation s cultural identity and religious practices Though attributed to an anonymous author the Kojiki is often associated with the scholar no Yasumaro commissioned by Empress Genmei The context in which the Kojiki was written is of great importance it emerged during a period of increasing state formation and the need for a cohesive national identity This work reflects deep connections to Shinto beliefs and the political imperatives of the time showcasing the author s intent to legitimize the ruling emperor s divine ancestry Highly recommended for readers interested in mythology history and cultural studies the Kojiki offers profound insights into early Japanese thought and national identity Engaging with this ancient text will not only enlighten readers about Japan s origins but also invite them into a world where myth and reality intertwine fostering a deeper appreciation for the complexities of Japanese heritage *Kojiki: Fully Revised Edition* O. no Yasumaro,2025-08-12 The classic story of Japan s origins now in a fully revised and reader friendly edition The Kojiki is Japan s oldest surviving text chronicling the mythical creation of the Japanese islands the origins of the imperial family and the early development of Shinto Japan s indigenous religion A cornerstone of Japanese identity and culture it has profoundly influenced the nation s literature spirituality and political thought for over a thousand years Told in a vibrant poetic style the Kojiki brings to life the primordial deities Izanagi and Izanami their divine children and the unfolding of the Japanese cosmos These stories form the spiritual and mythological foundation of Japan where gods walk the earth and emperors trace their lineage to the heavens This fully updated edition offers a vastly improved English translation with modernized names and terminology and for the first time previously untranslated racy Latin passages are rendered clearly in English The result is a more accessible and complete reading experience ideal for both first time readers and longtime students of Japanese culture Footnotes have been carefully refined for clarity and relevance and the text has been re typeset for ease of reading With a new foreword by Kojiki scholar Matthieu Felt this edition highlights why the Kojiki remains essential reading for anyone interested in Japanese mythology literature history or religion *The Kojiki, or Records of Ancient Matters* Anonymous,2021-04-10 The Kojiki or Records of Ancient Matters represents a monumental achievement in Japanese literature and historiography encapsulating the mythology history and culture of early Japan Written in 712 CE this seminal work is composed in an intricate combination of classical Japanese with kanji characters adopted from Chinese producing a unique narrative style that blends oral traditions with the ethos of written literature It offers an invaluable

glimpse into the creation myths of Japan the lineage of its emperors and the values and beliefs of a formative society all while navigating complex poetic and prose structures that reflect the aesthetic sensibilities of its time Despite being an anonymous work the Kojiki was commissioned by Emperor Tenmu which hints at its sociopolitical significance in legitimizing imperial authority and documenting historical narratives for posterity The authorship s anonymity does not detract from its profound influence on Japanese culture rather it speaks to the collective memory and identity building that permeated the early Japanese state driven by a desire to unify disparate clans under a shared historical and mythological framework For readers interested in the intersection of history mythology and cultural identity The Kojiki offers an enlightening exploration into the foundations of Japanese civilization Its rich tapestry of stories serves both as a historical record and a captivating narrative that resonates through the ages making it an essential read for anyone seeking to understand the complexities of Japanese heritage

"Ko-ji-ki", Or "Records of Ancient Matters" , Ko-ji-ki ,1973 **Ko-ji-ki** ,1973 **Ko-ji-ki ... or "Records of ancient matters."** **Translated by B. H. Chamberlain. (Index to Chamberlain's Kojiki ... Prepared by Rev. N. Walter and A. Lloyd.).** Basil Hall CHAMBERLAIN,Arthur Lloyd,N. WALTER (and LLOYD (Arthur)),1883 Kojiki O no Yasumaro,2023-11-17 Kojiki Record of Ancient Matters is the oldest extant chronicle in Japan dating from the early 8th century 711 2 and composed by O no Yasumaro at the request of Empress Gemmei The Kojiki is a collection of myths concerning the origin of the four home islands of Japan and the Kami Along with the Nihon Shoki the myths contained in the Kojiki are part of the inspiration behind Shinto practices and myths O no Yasumaro died August 15 723 was a Japanese nobleman bureaucrat and chronicler He is most famous for compiling and editing with the assistance of Hieda no Are the Kojiki the oldest extant Japanese history Empress Genmei r 707 721 charged Yasumaro with the duty of writing the Kojiki in 711 using the various clan chronicles and native myths It was finished the following year in 712 Yasumaro became clan head in 716 and died in 723

Translation of "Ko-ji-ki" Basil Hall Chamberlain,1932 *Historical Dictionary of Confucianism* Ronnie L. Littlejohn,2023-11-03 *Historical Dictionary of Confucianism* is devoted exclusively to Confucianism the great Chinese tradition that has gathered around the teachings of Confucius Kongzi for more than 2 500 years Confucianism encompasses a broad array of moral social philosophical and religious ideas values and practices It is an ancient and immense tradition of great subtlety and complexity This work provides ready access to terms personalities movements and texts of the tradition as it has made its trek throughout East Asia especially Korea and Japan This book contains a chronology introduction and extensive bibliography The dictionary section has more than 700 cross referenced entries on terms personalities movements and texts of the tradition *Historical Dictionary of Confucianism* is an excellent resource for students researchers and anyone wanting to know more about Confucianism

"Ko-ji-ki" Yasumaro Ō,1939 **The Alexiad** Anna Komnene,2022-08-10 In *The Alexiad* Anna Komnene presents a vivid historical account of her father Emperor Alexios I Komnenos and the Byzantine Empire during the pivotal years of the First Crusade Written in a sophisticated erudite style

marked by classical allusions and intricate narrative techniques this work embodies the traditions of Byzantine historiography Komnene weaves personal anecdotes with broader historical analysis offering a dual perspective that combines the political intrigue of the imperial court with intimate familial reflections The text serves not only as a historical document but also as a literary tapestry reflecting the complexities of Byzantine identity and its place within the broader canvas of medieval Europe Anna Komnene a Byzantine princess and scholar was deeply influenced by her upbringing in the imperial court of Constantinople Educated in a milieu that valued both political acumen and intellectual achievement her insights were shaped by witnessing the tumultuous events surrounding her father s reign As one of the first female historians her work breaks conventional gender barriers providing an invaluable female perspective in a predominantly male historical narrative landscape The Alexiad is essential reading for anyone interested in medieval history Byzantine studies or the intersection of gender and historiography Komnene s account is not only a family s tribute but a crucial historical source that invites readers to explore the intricacies of power culture and legacy in a transformative period

A History of the Japanese People Dairoku Kikuchi,F. The Kojiki Records Of Ancient Matters Introduction

In today's digital age, the availability of The Kojiki Records Of Ancient Matters books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Kojiki Records Of Ancient Matters books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Kojiki Records Of Ancient Matters books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Kojiki Records Of Ancient Matters versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Kojiki Records Of Ancient Matters books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Kojiki Records Of Ancient Matters books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Kojiki Records Of Ancient Matters books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Kojiki Records Of Ancient Matters books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Kojiki Records Of Ancient Matters books and manuals for download and embark on your journey of knowledge?

FAQs About The Kojiki Records Of Ancient Matters Books

1. Where can I buy The Kojiki Records Of Ancient Matters books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
