Claymore, 2020-12-02 Psykoria is on the brink of civil war. King Breetor sails out to eliminate the source of the unrest but his ship is caught in a great storm. He is swept to an unknown land filled with legendary beasts. If he can't find a way off this island, what will become of his homeland and his beloved Queen Aurandria? There is unrest among the nobility in Psykoria. Determined to end it, King Breetor sails out to eliminate the noble causing the most trouble. However, a ferocious storm drags him into uncharted seas. Stranded on an island filled with beasts of legend, Breetor must find a way home, not just to escape this dangerous place but return to his beloved. He fears for her safety knowing that without its king, Psykoria would be in chaos. His ship has been destroyed. After the rest of his crew fall to the island's predators, his only way home might be to find the land's most dangerous beasts, the dragons. But it was a dragon which destroyed his vessel and his shipmates. If they don't want outsiders coming to their land, would they help Breetor find a way home or kill him like they did his crew? *The Land of*

the Beasts is a brilliantly thought out and set up tale which any fans of dragons and creatures of legends will love Get The Land of the Beasts now and explore the legendary island yourself Interview with author Q Tell us about the type of stories you write A I write YA epic fantasy or YA high fantasy novels and comics set in my Blade or Flame world The world I ve created is filled with magical creatures a dragon rider magic weaponry and all sorts of things expected in a YA epic fantasy all in a single young adult medieval world The stories are often filled with dynamic action ranging from sword combat magic battles and epic duels between magical creatures often written in more depth than a typical YA fantasy dragon story However I always try to ensure that each character has a good reason to be motivated with whatever they re fighting for Q The Land of the Beasts contains a wide variety of magical creatures Where did you get ideas for such a setting At the core of the story or most YA high fantasy and YA epic fantasy stories involving magical creatures for that matter is the dragon I always liked the idea of dragons coming from a land devoid of mass human population only to be seen sparsely As for the other magical creatures such as griffins hydras and manticores I felt other creatures needed to dwell on this land and realised such a place would make a great setting for a fable reminiscent of the tales of old Q Your Blade or Flame world is has been credited for including in meaningful ways almost every creature of legend in existence in some way or form Why include so many magical creatures in a single YA high fantasy world Don t such fables and legends already come from a single world ours What if all legends and fables told in our history were true What if every dragon rider and all other magical creatures did exist Wouldn t that make our world similar to the one I ve created What better setting could there be for a youth fantasy or YA high fantasy Q Lastly how does The Land of the Beasts differ from your YA epic fantasy tales The Land of the Beasts is written to better resemble the type of fable you d expect to hear in an old tavern or similar setting It lacks the heavy character development seen in Champion s Rising or the ideological theme present in The Dragons Will However it features far more exploration and better describes the magical creatures that exist in the youth fantasy world I ve created and adds a whole depth of background behind the dragons glimpsed in the aforementioned works Perhaps more so than the others this reads like a fable of legend telling the journey of how a king became a legend

Red Dragon Rising: Shock of War Larry Bond, Jim DeFelice, 2024-08-06 New York Times Bestselling Authors Two US soldiers confront Chinese tanks in a covert fight to stop a global war between East and West Under secret orders from the president US Army Major Zeus Murphy sabotages a Chinese invasion fleet on the eve of its assault against Vietnam But after Murphy and fellow officer Win Christian are trapped behind enemy lines Christian s erratic behavior gives them away The pair shoot their way out of a Chinese airport terminal hijack a bus then barely escape two truckloads of soldiers before disappearing into the night Back in America President Chester Greene fails to convince Congress that the Chinese invasion of Vietnam is the first step in a plan to rule Asia and eventually go to war with the US Not even the Pentagon will support the President top ranking officers do everything they can to sabotage his orders After Zeus and Christian dodge a Chinese armored division and return to Vietnam

Zeus proposes a plan to blunt the tank attack His commanding officer orders him to stand down Zeus disobeys in an effort to help the Vietnamese woman he s fallen in love with Win Christian goes with him to prove he s not a coward And within hours both men are alone with a company of Vietnamese soldiers on the border staring down the barrels of Chinese main battle tanks as they drive on Haiphong starting a countdown to all out war with the West Ratchet s up the action Readers will root for Murphy Publishers Weekly Crackling action and splendid heroics Kirkus Reviews **The Woman, the Red Dragon, and the End of the Age** Dell Belew,2006-08 *The Red Dragon* ,1887 *Under the Red Dragon* James Grant,1872

The Red Dragon Llwyn Slingsby Bethell,1920 *Under The Red Dragon* James Grant,2025-06-16 *Under the Red Dragon* by James Grant is a heart stopping thriller that plunges readers into the murky waters of Cold War espionage and international intrigue Set against a backdrop of political tensions and dangerously intertwined alliances this gripping narrative follows a skilled intelligence officer who finds himself embroiled in a deadly game of cat and mouse that spans the globe As the stakes rise and the lines between friend and foe blur readers will be drawn into a whirlwind of action deception and moral complexity that challenges the very fabric of loyalty and duty The story begins with our protagonist a dedicated spy who is sent on a mission that seems straightforward but quickly spirals out of control With a backdrop of shifting allegiances and volatile political landscapes he soon discovers that the conspiracy he is investigating is far bigger than he initially thought Under the Cold War s ominous shadows every move he makes could lead to catastrophic consequences not only for him but for the nations caught in the crossfire Grant s masterful storytelling weaves together multiple threads of suspenseful narratives ensuring that readers are constantly on the edge of their seats The characters portrayed are richly drawn each with their own motivations fears and complexities that add depth to this high stakes game As alliances are tested friendships become strained and betrayals unfold the true nature of trust and integrity is explored The thrilling chase scenes and heart racing confrontations are coupled with moments of introspection adding a substantial layer of emotional engagement that makes each character s journey relatable and poignant In *Under the Red Dragon* readers will also gain insight into the intricate mechanics of intelligence agencies military tactics and the psychological strategies employed in espionage Grant s profound understanding of geopolitical dynamics allows him to create not just a tale of thrilling action but a commentary on the real world implications of international relations Each page teems with the adrenaline fueled excitement of the chase the intellectual rigors of strategic planning and the moral dilemmas faced by those who operate in the shadows This novel is a true testament to the complexities inherent to individuals tasked with protecting their countries becoming entangled in situations where the right choice is often the hardest to make *Under the Red Dragon* is not just an adventure it is an exploration of the human spirit in the face of danger loyalty tested to its limits and the gray areas of morality that define our world James Grant has penned an unforgettable journey that thoroughly encapsulates the essence of classic spy fiction while maintaining its relevance in today s geopolitical climate Bursting with unexpected plot twists and
