The North America Model for the Book of Mormon William Peter Midgley, 2020-03-24 HAVE YOU EVER WANTED TO Sit at the edge of the waters of Mormon Cross the river Sidon at the city and valley of Gideon Climb mount Antipas Follow the path Coriantumr used to attack the city of Zarahemla Journey to the city of Judea in Manti with the 2000 stripling soldiers Explore the land of the Nephite kings Zeniff Noah and Limhi Stand where king Benjamin spoke to the people from the tower Visit the shores of the east sea and west sea at the narrow neck Waters of Mormon NC Mount Antipas NC East sea near the narrow neck NY You can now The search for the lands of the Book of Mormon has been an object of interest and conjecture ever since it was published in 1830 Many serious and well researched studies have been conducted for locations from South America to Central America to North America and beyond Substantive theories have been generated and extensive academic treatises and books have been written and websites created to promote a wide range of models attempting to address the sites and locations of where the events took place Each model has its proponents and its detractors and each has credible scriptural scientific and archaeological evidence to support elements of each model The North America Model for the Book of Mormon From Jerusalem to Cumorah locates events not just generally but with specificity in many cases It is based on the contemporarily written word the preferred source for historical research Since the Book of Mormon is true what better source would there be It is time to unravel the geography of the Book of Mormon from Jerusalem to Cumorah that has been hidden in plain sight since 1830 The North America Model indicates how close the historical and geographical footprint of the wars contentions and travels of the Nephites and Lamanites may have facilitated the actual founding and preservation of the United States of America in the prophesied land of promise through the paths and trails that the ancient peoples who inhabited the land created and which were used not only by the colonists during the Revolutionary War but also in the course of the Civil War The legacy of the Book of Mormon is more intimately intertwined with the United States of America the promised land of liberty than originally thought Miamisburg Mound Ohio Hopewell Mound Builder Culture 1000 200 B C to 4 500 A D THE LATTER-DAY SAINT'S MILLENNIAL STAR. Austin,2024-01-02 Understanding the Book of Mormon on its own terms and through its two way connection with the Bible Like the Hebrew Bible and the Christian Bible the Book of Mormon uses narratives to develop ideas and present instruction Michael Austin reveals how the Book of Mormon connects itself to narratives in the Christian Bible with many of the same tools that the New Testament used to connect itself to the Hebrew Bible to create the Christian Bible As Austin shows the canonical context for interpreting the Book of Mormon includes the Christian Bible the Book of Mormon itself and other writings and revelations that hold scriptural status in most Restoration denominations Austin pays particular attention to how the Book of Mormon connects itself to the Christian Bible both to form a new canon and to use the canonical relationship to reframe and reinterpret biblical narratives This canonical context provides an important and fruitful method for interpreting the Book of Mormon

The Book of Mormon Book of Mormon,1948 [A New Witness for God Volume 2 \(of 3\)](#) Brigham Henry Roberts,2014-12-03 Example in this ebook The following work was begun twenty two years ago in England when the author was in that land on a Mission as assistant Editor of the Latter day Saints Millennial Star It was the author s design then to make the treatise on the Book of Mormon the first volume under the general title New Witnesses for God but after some progress in collecting and arranging the materials had been made the thought occurred to him that the Prophet Joseph Smith in chronological order if not in importance preceded the Book of Mormon in the introduction of God s Witnesses in this last and great dispensation The materials of this work therefore so far as they had been collected were laid aside and work was begun on the treatise of Joseph Smith as a Witness for God which however because of many other demands upon the author s time was not published until 1895 Meantime work was continued from time to time upon the treatise of the Book of Mormon and in 1903 4 5 the materials were used substantially as in their present form as Manuals for the Senior Classes of the Young Men s Mutual Improvement Associations The work has undergone a thorough revision at the hands of the author and is now to take the place in his writings designed for it so long ago While the coming forth of the Book of Mormon is but an incident in God s great work of the last days and the book itself subordinate to some other facts in that work still the incident of its coming forth and the book are facts of such importance that the whole work of God may be said

in a manner to stand or fall with them That is to say if the origin of the Book of Mormon could be proved to be other than that set forth by Joseph Smith if the book itself could be proved to be other than it claims to be viz and chiefly an abridged history of the ancient inhabitants of America a volume of scripture containing a message from God to the people to whom it was written to the Lamanites American Indians who are a remnant of the house of Israel and also to Jew and Gentile written by way of commandment and also by the spirit of prophecy and revelation if I say the Book of Mormon could be proved to be other than this then the Church of Jesus Christ of Latter day Saints and its message and doctrines which in some respects may be said to have arisen out of the Book of Mormon must fall for if that book is other than it claims to be if its origin is other than that ascribed to it by Joseph Smith then Joseph Smith says that which is untrue he is a false prophet of false prophets and all he taught and all his claims to inspiration and divine authority are not only vain but wicked and all that he did as a religious teacher is not only useless but mischievous beyond human comprehending Nor does this statement of the case set forth sufficiently strong the situation Those who accept the Book of Mormon for what it claims to be may not so state their case that its security chiefly rests on the inability of its opponents to prove a negative The affirmative side of the question belongs to us who hold out the Book of Mormon to the world as a revelation from God The burden of proof rests upon us in every discussion It is not enough for us to say that if the origin of the Book of Mormon is proved to be other than that set forth by Joseph Smith if the book itself be proved to be other than it claims to be then the institution known as Mormonism must fall We must do more than rest our case on the inability of opponents to prove a negative To be continue in this ebook *The Seventy's Course in Theology, First Year* B.H. Roberts, 2023-07-21 Reproduction of the original Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God
