Trent,1991 How to quickly communicate your feelings and needs **Your Marriage Masterpiece** Al Janssen,2016-09-20 A Transformational Picture of Marriage God created marriage as a beautiful work of art that reflects his glory to the world But our culture has undervalued and misunderstood it causing it to lose some of its luster Like recent restoration projects on the Sistine Chapel and the Mona Lisa it is time to return marriage to its former glory and the only way to do that is to take a closer look at what the artist had in mind all along In this newly revised and expanded book Al Janssen takes a fresh look at the exquisite design God has for marriage and brings to light the reasons this union was intended to last a lifetime The chapters weave real life stories with great teaching and biblical narratives in order to paint a complete picture of all that marriage can be Readers will examine elements such as passion adventure and commitment that come together to make up the colors of God s design They will also discover new ways to reflect God s love within marriage revealing his plan for men and women from the moment he created us Evaluating Models of Christian Counseling George R.
