Technical Bulletin ,1927 **Antiques** ,1926 **Transit Journal** ,1916 *The Voyages of Doctor Dolittle* Hugh Lofting,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Fortune's Fool* Fred Goodman,2010-07-13 In 1999 when Napster made music available free online the music industry found itself in a fight for its life A decade later the most important and misunderstood story and the one with the greatest implications for both music lovers and media companies is how the music industry has failed to remake itself In Fortune s Fool Fred Goodman the author of The Mansion on the Hill shows how this happened by presenting the singular history of Edgar M Bronfman Jr the controversial heir to Seagram s who after dismantling his family s empire and fortune made a high stakes gamble to remake both the music industry and his own reputation Napster had successfully blown the industry off its commercial foundations because all that the old school label heads knew how to do was record and market hits So when Bronfman took over the Warner Music Group in 2004 his challenge was to create a new kind of record executive Goodman finds the source of the crisis in the dissolution of the old Warner Music Group the brilliant conglomerate of Atlantic Elektra and Warner Bros Records He shows how Doug Morris the head of Atlantic Records rose through the ranks and rode the CD bonanza of the 1990s to enormous corporate and personal profit before becoming embroiled in an ego driven corporate turf war and how all of Warner s record executives were blindsided when AOL Time Warner announced in 2003 that it wanted nothing more to do with the record industry When the music group was finally sold to Bronfman it was a ghost of itself Bronfman built an aggressive streamlined team headed by Lyor Cohen whose relentless ambition and discipline had helped build Def Jam Records They instituted a series of daring initiatives intended to give customers legitimate online music choices and took market share from Warner s competitors But despite these efforts illegal downloads still outnumber legitimate ones 19 1 Most of the talk of a new world of music and media has proven empty despite the success of iTunes even wildly popular sites like YouTube and MySpace have not found a way to make money with music Instead Warner and the other labels are diversifying and forcing young artists to give them a cut of their income from touring

publishing and merchandising Meanwhile the average downloader isn't even meeting forward thinking musicians halfway Each time a young band finds a following through music websites it's a unique story no formula has emerged If one does Warner is probably in a better position than anyone to exploit it But at the end of the day If is the one word verdict on Bronfman's big bet

Atlantic's Last Stop Bob Chaulk, 2025-09-19 In the pre dawn hours of April 1 1873 as the lookouts looked the steersman steered and the captain slept something was happening to the SS Atlantic The tide had quietly carried the White Star Line ocean liner twelve miles off course and land was closer than anybody realized or was willing to believe The wreck of the SS Atlantic would become the worst transatlantic passenger ship disaster before Titanic and although it happened almost 150 years ago there are still many unanswered questions That is changing Ten years after co-authoring the most celebrated book to date on Nova Scotia's worst shipwreck author Bob Chaulk has uncovered never reported information that answers the question historians have been grappling with for over a century why a state of the art steamship with all equipment in perfect working order in good weather and commanded by officers of the world's leading seafaring nation ended up striking rock outside Halifax and sinking resulting in some 550 deaths Over a five year period Chaulk tracked down many descendants of those on the scene and aboard the ship patiently piecing their stories together to reveal a shocking conclusion This richly illustrated work featuring maps and colour photos includes many firsthand accounts from passengers crew officers and local rescue people
