The Last Great American Picture Show Alexander Horwath, Noel King, Thomas Elsaesser, 2025-10-01 The Last Great American Picture Show brings together essays by scholars and writers who chart the changing evaluations of the American cinema of the 1970s sometimes referred to as the decade of the lost generation but now more and more recognized as the first New Hollywood without which the cinema of Francis Coppola Steven Spielberg Robert Zemeckis Tim Burton or Quentin Tarantino could not have come into existence Identified with directors such as Sam Peckinpah Arthur Penn Peter Bogdanovich Monte Hellman Bob Rafelson Hal Ashby Robert Altman and James Toback American cinema of the 1970s is long overdue for this re evaluation Many of the films have not only come back from oblivion as the benchmark for new directorial talents They have also become cult films in the video shops and the classics of film courses all over the world

The Last Shah Ray Takeyh, 2021-01-26 The surprising story of Iran s transformation from America s ally in the Middle East into one of its staunchest adversaries An original interpretation that puts Iranian actors where they belong at center stage Michael Doran Wall Street Journal An extraordinary account Deeply nuanced and eloquent Benjamin Weinthal Jerusalem Post Offering a new view of one of America s most important infamously strained and widely misunderstood relationships of the postwar era

this book tells the history of America and Iran from the time the last shah Mohammad Reza Pahlavi was placed on the throne in 1941 to the 1979 revolution that brought the present Islamist government to power This revolution was not as many believe the popular overthrow of a powerful and ruthless puppet of the United States rather it followed decades of corrosion of Iran s political establishment by an autocratic ruler who demanded fealty but lacked the personal strength to make hard decisions and ultimately lost the support of every sector of Iranian society Esteemed Middle East scholar Ray Takeyh provides new interpretations of many key events including the 1953 coup against Prime Minister Mohammad Mossadeq and the rise of Ayatollah Ruhollah Khomeini significantly revising our understanding of America and Iran s complex and difficult history

Mann,2010 A much lauded essayist and poet Jeff Mann writes of the passion and pain of being a Southern gentleman who happens to be invested in many worlds the hungers of gay Bear culture the propensities of leather and bondage the frustrations of academia and the perspectives of an Appalachian who has traveled the world In Binding the God his second collection of essays Mann offers readers another tour of his consciousness and experiences This volume includes essays previously published in Arts and Letters Second Person Queer Callaloo Now and Then White Crane Queer and Catholic and other journals and anthologies Repetition, the Compulsion to Repeat, and the Death Drive M. Andrew Holowchak,Michael

Lavin,2017-11-30 Repetition the Compulsion to Repeat and the Death Drive is a critical examination of Freud s uses of repetition as they lead to the compulsion to repeat and his infamous death drive Like perhaps no other concept repetition drove Freud to an understanding of human behavior through development of models of the human mind and a method of treating neurotic behavior This book comprises three parts Part I Some Early Uses of Repetition in Psychoanalysis examines repetition both in clinical therapy and in Freud s use of phylogenetic explanation Part II composed of three chapters outlines Freud s journey to his vaunted death drive examines Beyond the Pleasure Principle and analyzes Freud s use of compulsion to repeat and the death drive post 1920 Last Part III is a critical analysis of Freud on repetition and the death drive discusses why Freud was so wedded to his controversial death drive and what can be salvaged from Freud s observations and speculations Here readers will find that Holowchak qua philosopher and Lavin qua clinician have different answers when it comes to the death drive The Immortal Comedy Agnes Heller,2005-10-17 Immortal Comedy is the first book to think philosophically about the comic phenomenon in general Although author Agnes Heller had written a book that is both deeply scholarly and meditative on the subject of the comic form in film literature and life her writing is eminently approachable In both its subject and style Immortal Comedy is a seminal book In it Heller takes us on a journey through theories of comedy

beginning with classical thought She then detours through foundational political thinkers who refer to for instance laughter and power We are also introduced to modern systematic approaches to thinking comedy psychological approaches and existential approaches The discerning combination of Heller s individual taste for the pantheon of comedic work and also what critics may consider less significant work gives this book a character apart from all others It is the detail with which Heller makes her discussion how and where she locates the comic and probably most significantly her discussion of comedy and our own lives that makes *Immortal Comedy* a principal book for the entire range of humanities scholars and enthusiasts
