Last Paradise Douglas Waitley, 2010-02-28 **The Last Paradise** Douglas Waitley, 1999 **The Nine Lives of Florida's Famous Key Marco Cat** Austin J. Bell, 2021-09-21 The story of an iconic artifact that has prevailed over impossibly long odds this book explores the deep past of the Key Marco Cat fascinating readers with the miracle and beauty of this rare example of pre Columbian art **The Swamp Peddlers** Jason Vuic, 2021-05-11 Florida has long been a beacon for retirees but for many the American dream of owning a home there was a fantasy That changed in the 1950s when the so called installment land sales industry hawked billions of dollars of Florida residential property sight unseen to retiring northerners For only 10 down and 10 a month working class pensioners could buy a piece of the Florida dream a graded home site that would be waiting for them in a planned community when they were ready to build The result was Cape Coral Port St Lucie Deltona Port Charlotte Palm Coast and Spring Hill among many others sprawling communities with no downtowns little industry and millions of residential lots In *The Swamp Peddlers* Jason Vuic tells the raucous tale of the sale of residential lots in postwar Florida Initially selling cheap homes to retirees with disposable income by the mid 1950s developers realized that they could make more money selling parcels of land on installment to their customers These swamp peddlers completely transformed the landscape and demographics of Florida devastating the state environmentally by felling forests draining wetlands digging canals and chopping up at least one million acres into grid like subdivisions crisscrossed by thousands of miles of roads Generations of northerners moved to Florida cheaply but at a huge price high pressure sales tactics begat fraud poor urban planning begat sprawl poorly regulated development begat environmental destruction culminating in the perfect storm of the 21st century subprime mortgage crisis *Marco Island* Austin J. Bell, Kaitlin Romey, and the Marco Island Historical Society, 2018 There are few places that have undergone a more radical transformation during the past half century than Marco Island Florida Once a pristine tropical paradise with only a few hundred residents Marco Island is now one of America s most popular island destinations With a permanent population nearing 20 000 a figure that virtually doubles between the months of January and March its modern state is largely attributable to the ambitious vision of Florida s Famous Mackle Brothers The Mackles founders of the Deltona Corporation literally reshaped the island in keeping with their long term masterplan capitalizing on the unique history community pride and undeniable natural splendor that continue to make it so alluring *Land of Sunshine, State of Dreams* Gary R Mormino, 2008-09-01 Florida is a story of astonishing growth a state swelling from 500 000 residents at the outset of the 20th century to some 16 million at the end As recently as mid century on the eve of Pearl Harbor Florida was the smallest state in the South At the dawn of the millennium it is the fourth largest in the country a megastate that was among those introducing new words into the American vernacular space coast climate control growth management retirement community theme park edge cities shopping mall boomburbs beach renourishment Interstate and Internet Land of Sunshine State of Dreams attempts to understand the firestorm of

change that erupted into modern Florida by examining the great social cultural and economic forces driving its transformation Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America's southernmost state and the northernmost outpost of the Caribbean From the capital Tallahassee a day's walk from the Georgia border to Miami a city distant but tantalizingly close to Cuba and Haiti Mormino traces the themes of Florida's transformation the echoes of old Dixie and a vanishing Florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate Beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from New Spain to Old South New South to Sunbelt
