The Last Prophet Mosab Hassan Yousef, James Becket, 2025-01-21 The Last Prophet is a novel based on the extraordinary life of the prophet Muhammad one time shepherd and outcast revolutionary This desert master s discipline and principles would later become the basis for Islam which today claims two billion followers Death comes easily in the seventh century Arabian desert from hunger and thirst to the relentless sun to war and raiding tribes who take by force the scarce resources needed to survive In this harsh land the powerful city of Mecca is a beacon famous for its well which provides abundant life giving water and its great temple where pilgrims come to worship the totems of hundreds of gods It is here that the prophet Muhammad is born As an orphan he is disparaged by society Brought up by an uncle he was put to work on the caravan trade traveling throughout Arabia and soaking in an array of knowledge and religious views He is a man of wisdom and faith who is troubled by the world around him When God speaks to him he sets out to preach what he has been told Though every tribe has their own deity he speaks of just one God He shuns arrogance and the pursuit of luxury over truth and seeks to abolish slavery In this patriarchal culture he insists that smothering infant girls in the sand is murder a custom to be abolished As the prophet starts to develop a following the leaders of the city recognize the threat his radical views have to their lifestyle one of wealth built in part upon the backs of slaves The nobles try to turn the people and even his own family against him They ban him and his tribe and they torture and kill those who follow him But no matter what they do to him his influence continues to grow The two sides eventually call upon allies throughout Arabia rallying warriors for an epic battle that will forever change the course of history

The Making of the Last Prophet Gordon Darnell Newby, 2022-11-23 The sacred biography of Muhammad has shaped Muslims perceptions of the place of Islam in the religious history of the world and located the Islamic founder and prophet as the last of God s messengers As Muslims established political control over ancient Jewish and Christian communities they also claimed hegemony over the panorama of biblical prophets and holy men In the eighth century the author of the first complete biography of Muhammad set out a plan for a history of the world that culminated with the advent of Muhammad and the religion of Islam The biography not only gave the details of Muhammad s life but also retold the stories of past prophets from an Islamic perspective The Making of the Last Prophet is an examination of the reshaping and retelling of the biblical past to form the image of Muhammad as the Seal of the prophets of God Through a translation of the reconstructed Arabic text the sources the form and uses of the eighth century biography are examined for the ways in which attitudes toward Muhammad were shaped in early Islam The work particularly underscores the interplay of Jewish Christian and other Near Eastern religious ideals in the formation of Islam s notions of prophethood
