American Talmud Ezra Cappell, 2012-02-16 In *American Talmud* Ezra Cappell redefines the genre of Jewish American fiction and places it squarely within the larger context of American literature Cappell departs from the conventional approach of defining Jewish American authors solely in terms of their ethnic origins and sociological constructs and instead contextualizes their fiction within the theological heritage of Jewish culture By deliberately emphasizing historical and ethnographic links to religions religious texts and traditions Cappell demonstrates that twentieth century and contemporary Jewish American fiction writers have been codifying a new Talmud an American Talmud and argues that the literary production of Jews in America might be seen as one more stage of rabbinic commentary on the scriptural inheritance of the Jewish people **A Life To Live...** Israel Kipen, 2018-11-01 Israel Kipen's *A Life to Live* is a rare and most valuable autobiographical work No other to this day written by an Australian Jew so intimately recreates an age and milieu forever gone and complements it with 40 years of living in Australia
