In The Shadow of the Hatman Ali Hatmanshadow Reynolds, 2024-05-22 In the Shadow of the Hatman Murder Mystery Magic Mayhem is based on events in my life that occurred after my first death. While this story is not strictly autobiographical it includes events that I still can't explain. All I know is that they happened and this is how I dealt with them. In the Shadow of the Hatman is a work of passion inspired by Quentin Tarantino's Pulp Fiction. It took me eighteen years to finish. As a writer I've seen many strange things that couldn't be explained so I took pen and paper to understand what I experienced. Life is about choices and consequences and nothing we do is done without a measure of sacrifice or love. Love often causes us to do the bizarre. In the Shadow of the Hatman follows the crusade of Azrael the angel of death and his companions as they attempt to save the world from an invasion of demonic children known as the Loon Army who seek to devour every living soul in the multiverse. Will things go as planned? Well, I'm not telling. You'll have to read it for yourself.
