Journal and Zion's Herald ,1899 Zion's Service of Song Samuel J. Moore,1856 **Scorpion** Kerry Newcomb,2014-04-29

Stricken by amnesia Ben McQueen must confront his own past to escape a bitter conflict south of the border Isabella is on her way to bury her husband when the Comanche attack Already half mad from grief she tumbles into delirium after the first wave of the assault raving as her servant the freed slave Zion fights off the Indians with his shotgun As the ammunition runs low Zion prays for a miracle He gets Ben McQueen His memory gone his body weary McQueen has nothing to remind him of his past but the medal that hangs around his neck a token that George Washington gave to Ben s grandfather McQueen may not remember who he is he still knows how to fight With his help Zion and Isabella may be able to escape the Comanche But it will take more than a lucky medal for this unlikely trio to escape Mexico alive **An Appeal to Parliament: Or, Zion's Plea Against Prelacy, Etc. [With Illustrations.]** Alexander Leighton (M.D.),1842 The Latter Rain: Using the Book of Isaiah As the Key to Unlock Bible Prophecies That Are Relevant Today James Conis,2010-11-13

The Latter Rain explores the symbols and types of the Book of Isaiah creating a framework that can then be applied to other books of the Bible helping the reader perceive meaning that was once obscured in symbolism One such symbolic type is that of rain While this type is not exclusive to Isaiah it is used by Isaiah to symbolize the communication from God to man **Bonds of Love** R. Abma,2018-03-20

Bonds of love offers a fresh interpretation of a selection of prophetic texts that present the covenant relationship as a marital relationship The accent in this study is on method historical and biographical categories such as the prophet and his career are left aside in order to concentrate on the composition and internal cohesion of the text The reading strategy developed in this book is both synchronic and communication oriented Since prophetic texts essentially consist of speech it is insufficient to study the text in abstraction from the audience that it addresses The texts have a communication purpose and a three part model is developed in order to investigate the communication effects of the text on the implied audience and the contemporary reader The studies of Isaiah 50 and 54 Hosea 1 3 and Jeremiah 2 3 reveal that a synchronic interpretation of these texts can be very fruitful Larger patterns of coherence come to the surface when one refrains from the procedure of atomizing the texts in original and secondary parts The final chapter is devoted to the theological implications of the marriage imagery What intriguing model of divine and human partnership is presented here And what sort of intimate interaction between Yhwh and Israel is precisely envisioned **Shakers, Mormons, and Religious Worlds** Stephen C. Taysom,2010-11-22

Among America s more interesting new religious movements the Shakers and the Mormons came to be thought of as separate and distinct from mainstream Protestantism Using archives and historical materials from the 19th century Stephen C Taysom shows how these groups actively maintained boundaries and created their own thriving but insular communities Taysom discovers a core of innovation deployed by both the Shakers and the Mormons through which they embraced their status as outsiders Their marginalization was critical to their initial success As he skillfully negotiates the differences between Shakers and Mormons Taysom illuminates the characteristics which set these groups apart and

helped them to become true religious dissenters Isaiah 34-66, Volume 25 John D. W. Watts, 2018-06-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

The Messages to the Seven Churches of Asia Thomas Murphy, 1895 GOD'S WORD to the UNITED STATES James Tarter, 2008-12-31

Many Christians have wondered why there is no prophecy about the United States in the Bible because it prophesies much about the world today In this book we can see clearly that God prophesies about the U S in Obadiah as the nation approaches choosing decisively for or against Jesus Obadiah reveals two alternative futures one will be chosen which will also reject the other One future is gross sin and a resulting just judgment of being destroyed forever from being a people The other future is

a wonderful transformation of the U S by joining itself to Christ Jesus as one of His national disciples As the Bible shows believers in Jesus within a land prepare or fail to prepare the U S or any nation to make the good choice God s Word duplicates A Prophecy for the United States don t buy both God s Just Judgment of a Nation is a less specific picture that comes from a bigger Scripture all 12 Minor Prophets
