**Running the Rift** Naomi Benaron,2012-01-03 Running the Rift follows Jean Patrick Nkuba a gifted Rwandan boy from the day he knows that running will be his life to the moment he must run to save his life a ten year span in which his country is undone by the Hutu Tutsi tensions Born a Tutsi he is thrust into a world where it s impossible to stay apolitical where the man who used to sell you gifts for your family now spews hatred where the girl who flirted with you in the lunchroom refuses to look at you where your Hutu coach is secretly training the very soldiers who will hunt down your family Yet in an environment increasingly restrictive for the Tutsi he holds fast to his dream of becoming Rwanda s first Olympic medal contender in track a feat he believes might deliver him and his people from this violence When the killing begins Jean Patrick is forced to flee leaving behind the woman the family and the country he loves Finding them again is the race of his life This is the third Bellwether Prize winner published by Algonquin The Bellwether Prize is awarded biennially by Barbara Kingsolver for an unpublished novel that addresses issues of social justice and was previously awarded to *The Girl Who Fell from the Sky* and *Mudbound*

*The Killing of the Iron Twelve* Hedley Malloch,2019-05-30 A compelling read Highly recommended for its extraordinarily powerful insight into the frayed edges of the first months of the European War The Western Front Association Why did the Germans brutally and illegally execute a group of British soldiers who had been trapped behind the lines during the retreat to the Marne in 1914 Hedley Malloch in this gripping and meticulously researched account vividly describes the fate the soldiers on the run and of the French civilians who sheltered them He tells

a dramatic and tragic story of escape betrayals and punishment that also gives a fascinating insight into the life stories of the soldiers and civilians involved and the mind set of the German army on the Western Front The book names the German officers responsible for this atrocity and explores their motivations This is an episode of WW1 with which I am not familiar and one that I found particularly fascinating and at the same time harrowing The author attempts to set the record straight by naming the perpetrators of this enormous outrage Books Monthly Hedley Malloch who is chair of the Iron Memorial fund and Honorary Life Member of the RMFA has done a wonderful job with his book a true memorial in its own right to those that were executed innocent soldiers who just happened to find themselves on the wrong side of the lines Redcoat and Khaki If you have a Top Ten books on the First World War then make room for *The Killing of the Iron Twelve* by Hedley Malloch The Western Front Association [Reports of Cases Argued and Determined in the Supreme Court of Alabama](#) Alabama.
