The Kimberley Killing:

The Kimberley Killing Peter Corris, 1990-01-01 Retired federal Attorney General has been killed in a car crash It is a straightforward case except that the deceased driver was dying of AIDS Crawley and Huck Federal Security Agency officers are called in to investigate and cover up **The Kimberley Killing** Peter Corris, 1989 **The Political Economy of the Kimberley Process** Nathan Munier, 2020-09-03 Investigating state responses to the Kimberley Process an ambitious international agreement meant to reduce the trade of conflict diamonds this study looks at the political economy of resource wealthy states in Africa to understand why some African states have higher levels of compliance and co operation than others

Killing Kebble Mandy Wiener, 2011-03-25 In September 2005 one of South Africa s most eminent mining magnates and businessmen Brett Kebble was killed on a quiet suburban street in Johannesburg The investigation into the case was a tipping point for democratic South Africa The top level investigation that followed exposed the corrupt relationship between the country s Chief of Police and Interpol President Jackie Selebi and suave Mafioso Glenn Agliotti A lawless Johannesburg underbelly was exposed dominated by drug lords steroid reliant bouncers an international smuggling syndicate a shady security unit moonlighting for the police and sinister self serving sleuths abusing state agencies The new paperback edition of the bestselling non fiction title Killing Kebble includes A Postscript that updates the reader on events and people since the publication of the book in April 2011 An extensive author interview that explores the author s background the success of the book and people s reactions to it as well as the impact it has had on Mandy s life The additional new material will also be available in a Kindle Single via Amazon as Postscript to Killing Kebble *To Kill Another* Graham McAleer, 2017-07-12 Basing his argument on natural law Graham J McAleer asserts that only public authority has the right to intentionally kill He draws upon the work of Thomas Aquinas and Francisco de Vitoria defending the claim that these natural law theorists have developed the best available theory of homicide To have rule of law in any meaningful sense the author argues there must be protections for the guilty and prohibition against killing innocents Western theories of law have drifted steadily towards the privatization of homicide despite the fact that it runs counter to rule of law Public acts of homicide like capital punishment are now viewed by many as barbaric while a private act of homicide like the starvation of comatose patients is viewed by many as a caring gesture both to patient and family This subversion of the rule of law is prompted by humanitarian ethics McAleer argues that humanitarianism is a false friend to those committed to the rule of law The problem of human vulnerability makes political theology an inescapable consideration for law Readers will find much to reflect upon in this book McAleer s argument can be read as a cultural chapter in the history of moral ideas but also as a close and timely reading of a grim subject **The Griekwastad Murders** Jacques Steenkamp, 2014-09-16 New edition includes the sentencing and identifies Don Steenkamp as the murderer for the first time Just after dusk on Good Friday 6 April 2012 the peace and quiet permeating the small Northern Cape town of Griekwastad was disrupted when a young teenage boy sped into town in his
