*Exit the King, The Killer, and Macbett* Eugène Ionesco, 1985 Presents three plays by twentieth century dramatist Eugene Ionesco including Exit the King which traces the final hours of the once great King

Berenger the First The Killer a study of pure evil and Macbett a spoof of the Shakespearean tragedy      **"Rubens, Vel?uez, and the King of Spain "** Larry Silver,2017-07-05 This study provides a new analysis of the pictorial ensemble of the Torre de la Parada the hunting lodge of King Philip IV of Spain Created in the late 1630s by a group of artists led by Peter Paul Rubens this cycle of mythological imagery and hunting scenes was completed by Diego Vel uez Despite the lack of a written program surviving works provide eloquent testimony of several basic themes that embody Neostoic ideals of self restraint and prudent governance While Rubens set the moral tone through his serio comic Ovidian narratives Vel uez added an important grace note with his portraits of ancient philosophers and royals and fools of the court This study is the first to consider in depth their joint artistic contributions and shared ambition Through analysis of individual works the authors situate these pictorial inventions within broader intellectual currents in both Spanish Flanders and Spain especially in the advice literature and drama presented to the Spanish king Moreover they point to the lasting resonance of Torre de la Parada for Vel uez especially within his late masterworks Las Meninas and Las Hilanderas Ultimately this study illuminates the dialogical nature of this ensemble in which Rubens and Vel uez offer a set of complementary views on subjects ranging from the nature of classical gods to the role of art as a mirror of the prince      **The Story of a Cat and a Cake During the Thirty Years' War** Mary Bramston,1895      **Routledge Revivals: The Violence of Language (1990)** Jean-Jacques Lecercle,2016-09-19 First published in 1990 this book argues that any theory of language constructs its object by separating relevant from irrelevant phenomena excluding the latter This leaves a remainder which consists of the untidy creative part of how language is used the essence of poetry and metaphor Although this remainder can never be completely formalised it must be fully recognised by any true account of language and thus this book attempts the first theory of the remainder As such whether it is language or the speaker who speaks is dealt with leading to an analysis of how all speakers are violently constrained in their use of language by social and psychological realties      *The Home of the Eddic Poems* Sophus Bugge,1899
