The King Jehoshaphat Principle Noah Sensenig Martin,2002 **The Spirit of Excellence** Ebuk John

Ebuk,2020-01-22 The Spirit of Excellence combines the burning heart of a Christian with the burdened heart of a pastor who desires to see more people rising above the challenges of life to achieve high standards of excellence in all facets of life Following lines of least resistance may be okay for natural water flows but achieving excellence is sometimes like swimming upstream against the current It requires decision determination courage and faith to persevere against the odds and overcome the lure to settle down for the second best It unleashes the genius in you to become the very person that God had in mind when He created you When people are influenced to live out the qualities of integrity transparent honesty holiness etc and they in turn influence others friends relations and contacts to do the same then the world is transformed and become a better place for us all You have probably heard the slogan Every little helps and you may wonder if this could ever apply to your contribution to this vast world The truth is that you are important to God and your unique contribution can set off chain reactions that influences many So when it feels like a little drop of water in an ocean remember that the ocean is made up of drops This book contains spiritual gems witty nuggets and powerful illustrations that will inspire faith and confidence to aim high in living for God now and everywhere You will be challenged and motivated to take hold of God and pursue a life of practical excellence irrespective of your past or present circumstances By so doing you will truly become the salt of the earth and light of the world Matt 5 13-16 i.e. shiny examples that preserve goodness and guide aright The Christian Advocate

Principles of the Kingdom of God Kenneth B. Alexander, 2013-05-22 Table of Contents Principles of the Kingdom of God Title Page Table of Contents Preface Introduction To Principles of the Kingdom of God God Is Real Who and What Is God Introduction Names of God In the Old Testament Names of God In the New Testament The Father The Son The Holy Spirit Oneness of the Trinity Man Body Soul and Spirit The Soul The Body The Spirit The Principle of Faith More Things About Faith The Principle of Hope The Principle of Love The Principle of Spirituality Transference and Appropriation How God Transfers His Nature to You The Way He Removes Sin The Principle of the Father s Family The Principle of Prophecy and Prophets The Principle of Salvation Becoming a Son of God The Body of Christ The Principle of Resurrection Life Hell Hades Gehenna Sheol Satan His Nature Purpose and Spiritual Warfare The Lord s Supper and the Last Supper The Principle of Worship The Second Coming of Jesus Christ The Principle of Authority Over Futility Creators of a New Age Principles of the Kingdom of God is the title of this Book This Book explores spiritual principles as opposed to the principles of this present age In everyday life we are well familiar with the principles that operate here on the earth We know that when a door is shut we must open it in order to pass through We know that touching a hot stove will cause pain and a burn Science is aware of the rules and boundaries of the laws of physics and chemists know the results of mixing elements together to cause a certain result Although there are many of the scientific laws of nature currently unknown to mankind he continues to strive to find answers and to reconcile the scientific world of which we are aware using our five senses What science does not understand or is unwilling to admit there is a realm beyond the certainties of this physical realm that is incapable of scientific proof That realm is called The Spiritual Realm Most deny its existence or if they mentally assent to the possibility that such a realm exists they know little about it and certainly don t apply it to their everyday lives or scientific pursuits Some look on such things as foolishness as the Apostle Paul said But a natural unspiritual man does not accept the things of the Spirit of God for they are foolishness to him and he cannot understand them because they are spiritually appraised 1 Corinthians 2 14 However as this book will attempt to point out the spirit realm is very much a real place actually more real than our physical world The spirit world has its own set of rules and principles that govern it However its ways are past finding out by the natural mind of man and thus invisible to those without spiritual sight The Apostle Paul said in the Bible because the human mind is hostile toward God for it does not subject itself to the law of God for it is not even able to do so Romans 8 7 Thus our intellect is useless in knowing anything beyond what we can see or touch Just taking the most basic of the spiritual laws the 10 commandments for instance who can argue that we all would be a little better off if everyone was able to follow these basic rules There would be no crime therefore no expensive jails to confine criminals The family unit which has been broken

down in this generation would stay intact as children would respect their parents there would be no adultery to break up the family and coveting would all together cease There would be no serious disparity between the rich and the poor and the poor would be taken care of without great expenditure of funds to do so There would be no greed war competition etc just to name a few Jesus said that if we were to pray at all we should pray to God
